MEMORIAL SUNDAY.

Address in Honor of Hamlin Post—A New Departure—Excellent Program—Fine Decorations—Good Music—Large Attendance—History vs. Theology.

The Sunday immediately preceding memorial day is fast becoming one of the fixtures of our body politic. The beautiful custom of having all the people of a locality meet together on that day in some church and listen to an address by one of the pastors in honor of the G. A. R., both living and dead, has now become general in this country. The people of Wellington always live up to their privileges and fulfill their full quota of duty in this respect.

TWO COMMISSIONS

And Two Boards of Equalization Met in the Court House Monday Morning.

Elyria, May 25.—The jury commission, composed of D. C. Baldwin, of Elyria, Alfred Fauver, of Oberlin, W. Bent Vischer, of Wellington, and A. H. Babcock, of Lorain, met Monday morning and selected names from which the jurors for the coming year will be drawn.

The Soldiers' Relief commission, composed of W. E. Cahoon, of Elyria, J. F. Harmon, of Oberlin, and Calvin Sage, of Wellington, met at the same time and transacted considerable business, approving the amounts sent in from the different townships for indigent soldiers' reliefs.

The boards of equalization of Elyria and Lorain were in session in the auditor's office, completing arrangements preparatory to commencing work next week. W. E. Cahoon, J. E. Willard, L. D. Boynton, P. H. Boynton, Garrett Reublin and John McNellie comprise the Elyria board, and Geo. Buell, L. A. Dawes, F. W. Pierce, M. D. O'Brien and Henry Randall are the members of the Lorain board.

Evanson, Ill., is about to open a dog cemetery. A good example is worth following. Let a canine graveyard be opened at Wellington and a committee of city fathers appointed to see that it is properly kept and well patronized, and we would expect to mark an era of improvement in our town.

MEMORIAL DAY.

The usual ceremonies—Good Weather and Roads—Large Attendance—Good Speech—Good Music—A Happy Time.

The usual ceremonies incident to memorial day were observed here yesterday. The occasion is always an event in Wellington. Not only do the veterans of the civil war turn out en masse to do honor to the memory of their fallen comrades, but the general public always manifest a generous interest in the proceedings, and the line of march is always crowded, showing that should our national life be again threatened as it was in 1861, there would not be wanting patriotic men and women who would keep step to the music of the Union.

The rains of the day before had rendered the streets somewhat muddy, but the day opened auspiciously and a bright, warm sun prepared the highway for comfortable travel by the time that it was needed. The Grand Army were out in unusual force, there being about 80 veterans in the procession, Comrade A. W. Griggs, commanding. The line of march was as usual, being formed at Opera House, then proceeding to the West Cemetery escorted by the Wellington Cornet Band. After decorating the graves at that place "taps" were blown by Comrade S. E. Wilcox, and prayer was offered by Elder Geo. H. Carl. Reforming, the column then repaired to the Opera House again to be loaded with garlands, whence they passed to the South Cemetery and performed a like service, after which Comrade Haskell read Lincoln's address at Gettysburg, which was again followed by "taps" by Wilcox and prayer by Rev. A. G. Wall.

The column then counter-marched to the Opera House, which was filled almost to its capacity to listen to the address of the day by Chaplain Geo. W. Pepper, whose fame as an orator, and as a character had preceded him, and the people were on the tip-toe of expectation. While the speaker, being an invalid, was obliged to occupy a chair while speaking, yet the intense earnestness of his manner, accompanied by sallies of native Irish wit and drollery, rendered the address intensely interesting, and especially so to the old veterans whose old time experiences were so vividly recalled by the speaker's recital of war time events.

Comrade Haskell did himself proud in introducing the speaker, the music by the G. A. R. band was excellent, the assistance of the past was spontaneous and free, the attendance from neighboring towns was liberal, the behavior of all the people was excellent, and the day passes into history as a beautiful green spot in the memory of the people of Wellington.

TAX DODGERS, LOOK OUT.

Tax dodgers, look out! According to the Elyria Reporter a secret agent has been at the court house for several weeks looking over the books in the recorder's office and nobody seemed to know what his business was. It develops, however, that all this is in pursuance of a well laid plan of the county commissioner to discover who the tax dodgers are and the location of the property and for how long it has been concealed. The agent is to collect what he finds in arrears, and as all this business is in harmony with a statute "made and provided," it can be pushed to a successful termination. The agent now has in his possession more than a hundred names of Lorain county citizens who have "forgotten" to list all their property from year to year for some time past, and the property thus sequestered is estimated at several hundred thousand dollars. There will soon be a call for some of the good people of our county to go to Elyria and answer questions.

The usual ceremonies—Good Weather and Roads—Large Attendance—Good Speech—Good Music—A Happy Time.

The usual ceremonies incident to memorial day were observed here yesterday. The occasion is always an event in Wellington. Not only do the veterans of the civil war turn out en masse to do honor to the memory of their fallen comrades, but the general public always manifest a generous interest in the proceedings, and the line of march is always crowded, showing that should our national life be again threatened as it was in 1861, there would not be wanting patriotic men and women who would keep step to the music of the Union.

The rains of the day before had rendered the streets somewhat muddy, but the day opened auspiciously and a bright, warm sun prepared the highway for comfortable travel by the time that it was needed. The Grand Army were out in unusual force, there being about 80 veterans in the procession, Comrade A. W. Griggs, commanding. The line of march was as usual, being formed at Opera House, then proceeding to the West Cemetery escorted by the Wellington Cornet Band. After decorating the graves at that place "taps" were blown by Comrade S. E. Wilcox, and prayer was offered by Elder Geo. H. Carl. Reforming, the column then repaired to the Opera House again to be loaded with garlands, whence they passed to the South Cemetery and performed a like service, after which Comrade Haskell read Lincoln's address at Gettysburg, which was again followed by "taps" by Wilcox and prayer by Rev. A. G. Wall.

The column then counter-marched to the Opera House, which was filled almost to its capacity to listen to the address of the day by Chaplain Geo. W. Pepper, whose fame as an orator, and as a character had preceded him, and the people were on the tip-toe of expectation. While the speaker, being an invalid, was obliged to occupy a chair while speaking, yet the intense earnestness of his manner, accompanied by sallies of native Irish wit and drollery, rendered the address intensely interesting, and especially so to the old veterans whose old time experiences were so vividly recalled by the speaker's recital of war time events.

Comrade Haskell did himself proud in introducing the speaker, the music by the G. A. R. band was excellent, the assistance of the past was spontaneous and free, the attendance from neighboring towns was liberal, the behavior of all the people was excellent, and the day passes into history as a beautiful green spot in the memory of the people of Wellington.

TAX DODGERS, LOOK OUT.

Tax dodgers, look out! According to the Elyria Reporter a secret agent has been at the court house for several weeks looking over the books in the recorder's office and nobody seemed to know what his business was. It develops, however, that all this is in pursuance of a well laid plan of the county commissioner to discover who the tax dodgers are and the location of the property and for how long it has been concealed. The agent is to collect what he finds in arrears, and as all this business is in harmony with a statute "made and provided," it can be pushed to a successful termination. The agent now has in his possession more than a hundred names of Lorain county citizens who have "forgotten" to list all their property from year to year for some time past, and the property thus sequestered is estimated at several hundred thousand dollars. There will soon be a call for some of the good people of our county to go to Elyria and answer questions.
