Those who suffer from an enfeebled and disordered state of the system, should take Ayer's Sarsaparilla and cleanse the blood. Purge out the lurking distemper that undermines the health, and constitutional vigor will return.

Those fellows who garden for amusement and general out-door recreation, find it something more than fun, fighting weedy mother-earth, stabbing potato beetles, garrotting cucumber bugs and braining the cabbage worms.

Our legal friend, Mr. J. R. Tyler, believes in making the best of everything. He is not quite positive about the future state, however, and thus expresses himself: "If there is another world I expect to dwell in bliss, but for fear there isn't any I'll make the best of this."

Humphrey, the Druggist and Paint Dealer, has sold paints in Napoleon for the last twenty-two years, has always guaranteed his paints to be as represented, and in all this time not a case has occurred where he has had to refund the money. A word to the wise is sufficient. Buy your paints, oils, varnishes etc., of the "Old Reliable" drug store.

When the excellence of Rice as a diet is fully understood, its use will be more frequent and of daily occurrence in every household. At this season of the year especially, it may properly be classed as superior to any of the cereals which are in general use for the morning and midday meals. No other food is so easy of digestion, and at its present cost it is cheaper than potatoes, oat-meal or grain-grits of any kind.

Last Sabbath being the 34th birthday of our fellow-townsmen, Otto Honeck, the contractor and builder, his numerous employees improved the opportunity given by presenting him with a beautiful watch and chain. They took him entirely by surprise at his residence, and before he could fully comprehend the situation one of the employees had commenced the presentation speech. He was also the recipient of other gifts. In the evening Meine's band and a large number of friends visited Otto and his family and a pleasant time was had.

PLEASANT SURPRISE.—We have the pleasure once more to chronicle a very pleasant gathering, on the 12th inst., occasioned by its being the 68th birthday day of Mary E. Riggs, at her residence in Harrison township. She was induced to take a ride to Napoleon, to which she kindly consented, unconscious of any surprise in store for her. When she returned about the hour of 12, she found friends and relations gathered to the number of eighty; a sumptuous dinner was prepared and all present felt fully satisfied with the result.

After spending several hours in social conversation with our aged mother, the party repaired to their respective homes, wishing that mother Riggs may live to be the occasion of many such gatherings. E. P. To my neighbors of Liberty Center and township, and many respected friends of Napoleon and Henry county:

In taking leave of my home on a western tour, accompanied by my wife, to again join friends of early youth, after a separation of over a quarter of a century, and fully realizing the dangers and uncertainty of human life incident to railroad travel, being hurried through the country at lightning speed by the iron horse, unconscious of its own danger of total wreck or its precious human freight, I leave this behind as a memento of love for home and friends with which and whom I have been so long identified; taking the daily responsibilities of a busy, (and I trust, honorable life).

Should I not be permitted ever again to meet any of them face to face in life, allow me now to express my most earnest love for humanity everywhere, and great desire for that true elevation and advancement from generation to generation, until the light of true knowledge shall take the place of many false theories now extant, and make this earth the garden of Eden and Paradise for humanity. C. C. YOUNG, Liberty Center, O., June 10, 1881.

The following, which is taken from the Northwest Christian Advocate, refers to the life and death of the father of Mrs. Philo Snydam, of this place: SEYMOUR.—Orlando Seymour was born in New Hartford, Conn., April 25, 1788, and died in peace at his home in Milledgeville, Ill., April 20, 1881. In 1792 he moved with his parents to Dutchess county, N. Y.; thence to Wayne county N. Y., where he married. In 1837 he moved with his family to Illinois, settling near Chicago. A few years ago later he moved to his farm near Milledgeville, remaining there until he was too feeble to carry the work himself, when he moved to Milledgeville, where he remained till death. He was much beloved and respected by all who knew him.

When able, the venerable, hoary-headed Christian father and brother might always be seen in the prayer or class room, and in the public congregation. He was a ripe Christian, having followed the precious Savior for nearly seventy years. His long and blessed experience made him Christ-like—meek, gentle, loving and firm. He was patient and calm in his old age, and in death triumphant. He said to his pastor but a day before he died, "The Lord has kept me grandly all through life." He fell asleep in death as calmly as does the child in its mother's arms. He was ever faithful to all the duties of a Christian and to the means of grace. Though he was a member of the Congregationalist church since he came West, yet for the past twenty years or more he has been a regular communicant in the M. E. church, and attending upon all the means of grace there, there being no church here of the denomination to which he belonged. A strong advocate of the religion of the Lord Jesus Christ has gone to rest. His life will never be forgotten by those who knew him. The pastor preached from the text, "Mark the perfect man," etc.

Wash. Kratzer has quit work in Napoleon township, and is now at home. We notice in the last week's issue the name of our friend L. F. Richolt, as candidate for Commissioner. L. F. is a good business man and would be a good Commissioner, as he has been a resident of Henry county for 17 years, and knows the lay of the land in the county as well as any man in it. As a financier we would say that he brings more money in our village than any two men in it. He has held the office of township Treasurer, six terms in succession. Flat Rock has not had but one county officer since I can remember, and as we have a good candidate we would like a good show at the Convention. L. A. P. Florida, O., June 13, 1881.

Gilmore, Bishop of Cleveland, Ohio. The sermon on the occasion will be preached by the Rev. N. A. Mose, President of St. Mary's Theological Seminary, Cleveland, Ohio, and former Pastor of this congregation. The preparatory service will commence in the old church, at 2 p. m., and are expected to be over by 20 minutes to 3 o'clock, when the procession will form in front of the church in the following order:

A collection will be taken up during the service by the Building Committee, for the erection of the church. A liberal contribution is solicited to enable the committee to complete the building of the church that will form one of the lasting ornaments to our town. When the services are over, the procession will march back to the church in the same order.

The officers in charge are: Otto Honeck and D. Hartnett, Marshals; assisted by F. E. Shoner, Jno. Diemer, Jno. Kuntz, Jno. Voecke, Jos. Shoff, M. Westerman, A. J. Vandenbrook, Jos. Laughlin, B. Voecke and Joseph Voecke; the Marshals and the last two assistants being on horseback. A general invitation is extended to all on this occasion, as on all others. Order will be necessary, and every citizen of Napoleon can consider himself a committee of one to see that order is preserved.

See the big lot of new ties and mits at Geo & Joes. LIBERTY CENTER, O., June 8, 1881. ED. NORTHWEST.—Perhaps it would be well to advise our Council in one respect. A most frightful and heart-rending scene was witnessed on one of the sidewalks of our main street, but a few days ago. In places there are cracks in the walk as wide as at least, and Charley Sidinger while trotting along, fell about half through one of these horrible cracks. Luckily, the little fellow received no injuries, or none visible; perhaps they were internal. At any rate the Council should see to this matter and prevent cripples and doctor bills. Z.

I lost my appetite and flesh, and was confined to my bed. In 1877 I was admitted to the Hospital. The doctors said I had a hole in my lung as big as a half-dollar. At one time a report went around that I was dead. I gave up hope, but a friend told me of DR. WILLIAM HALL'S BALM FOR THE LUNGS. I got a bottle, when to my surprise, I commenced to feel better, and to-day I feel better than I have for three years past.
