 We ask, Are you ready to buy an Organ? If so, then it is to your interest to examine our goods before you purchase elsewhere. I sell at New York wholesale prices. The Standard Organ is to-day
The Leading Organ in the World
 Because it is so claimed by the best musical judges in America. I call your attention to the beautiful designs of cases, which are pronounced unsurpassed by any in the market.
 I especially call your attention to the tone of the Standard Organ. It is full round and resembles the pipe organ tone. The stop action is the finest, and impossible to get out of order. Interior works are the finest and most durable. All of the very latest improvements.
 No. 17 has a new stop called Campanella, two and one-half octaves of bells in perfect harmony with the reeds. This instrument is destined to be the leading organ of the country.
 Buy the Standard Organ, because it is the best. Buy it, because it is used in our schools, Colleges, Semeneries and Musical Academies. Buy it, because thousands of families are using them in this and foreign countries. Buy it, because it is an Organ worth one hundred cents on the dollar for every dollar you pay for it.
 Pianos rented so that rent will pay for them.
