Foster has evinced neither ability as an administrator, consistency as a partisan, wisdom as a party leader, honesty as a politician, honor towards other great men of the party, nor fidelity to the people who elected him.—Bucyrus Journal, Rep.

Men: I am a Democrat. Many of you are Republicans. I shall vote for Hancock. You can vote for whom you please. This establishment will not close no matter who is elected.—JOHN W. BOOKWALTER.

Ohio will take a back seat during the new regime.

The Democrats will probably make Bayard President of the Senate.

Arthur is President by virtue of a quarrel in the Republican party.

Gen. Hancock was one of the pall bearers at the funeral of President Garfield.

Arthur nor Grant did not attend the funeral of the President at Cleveland. Why?

Seward and Wells were the only members of Lincoln's Cabinet who remained with Johnson to the end of his term.

Cabinet changes will soon commence. Water and oil could be made to run together easier than that the present Cabinet and Arthur could act harmoniously.

There will be State elections in ten States this year, in only six of which Governors will be chosen—viz: in Massachusetts, Minnesota, Mississippi, Ohio, Virginia and Wisconsin.

THE NATION'S SORROW. Democratic Record. From the hour that James Abram Garfield, the twentieth President of the United States, was foully, cowardly and brutally assassinated by a disappointed and desperate Republican office-seeker, every patriotic heart in America came to the President's support. Everywhere, locally, in State and Nation, the Democracy in press, in convention and in private speech sustained the country's President, and humely, heartily hoped for his recovery. Even the bitterly maligned Solid South rallied to a man in sympathy and support of the President. The Democratic State Executive Committee of Ohio cancelled all appointments for political speakers while the Country's Chief lay in danger of death. The people of all parties have expressed their admiration for the respect, support and sorrow the Democracy have shown for the stricken President. And now that he is no more, the Democracy are among his sincerest mourners.

Democrats of Henry County! Can any of you give a consistent reason why you should vote for Mr. Tyler, the Republican candidate for the Legislature, instead of for Mr. Hornung, the candidate of your own party? What has Mr. Tyler ever done for you politically, except to abuse you and your organization?

Think of his utterances and actions towards you during the war, when you loved the union better than he, for you wished it to remain intact. And how especially did he abuse you during the memorable campaign of '63! Nothing was too mean for him to say about you, your candidate and your party.

Nor is it necessary for us to go back that far, for in the Tilden and Hancock campaigns there was not a Republican in Henry county who was more bitter than he, and whose epithets were more vile against the Democratic party and our gallant standard bearers.

Then what benefit do you expect him to be to you or your party in the Legislature if he is elected? His every thought and action will be to further the interests of the Republican party, and misrepresent you. He may tell you that in the matter of redistricting the State for Congressional purposes that he will act fairly and squarely, but he cannot do it even if he desired to do so, the party lash will be too strong for him to withstand if the Republicans have a majority in the Legislature. None knows this better than Mr. Tyler himself.

You may not like Mr. Hornung personally, and it may be that some of you do not like to vote for him, but remember that you are not voting for Mr. Hornung alone, but for the Democratic party of the State. It is the duty of every Democrat to vote for Mr. Hornung no matter how strong be his personal prejudice against him.

Therefore, Democrats, do not allow those oily tongued Republicans to 'honswoggle' you into voting for their candidate, for the next day they will turn around and laugh at you for doing it, and boast what a fool they made of you. No, go to the polls on the morning of election day and cast your ballot straight, without a scratch upon it, and then you can be conscious of having done your whole duty towards your God, your country, your party, and yourself!

DEMOCRATS, when your party apportioned the State for Congressional purposes it was magnanimous enough to give the Republicans nine out of the twenty, but when the Republicans apportioned the State you were given five out of twenty! The question now is, shall this damnable state of things remain? The Republicans say yes, and it is for this purpose they wish to elect Tyler. Democrats, we have it in our power to give our mite towards righting this wrong. Will we give it? We can do so by voting for our candidate for the Legislature.

MR. NORTON is simply mistaken when he says that he will overcome the Democratic majority in Napoleon township. He has no claims upon the Democrats, and he has no reason to think that they will desert their candidates and vote for him. He is laboring under a sad delusion which will make his defeat so much the more painful for him to bear.

The next Legislature will be one of vast importance. Democrats, place nothing in the way of the success of your party this fall.

The Surgeon's Knife. Wonderful Surgical Operation—Removal of Urinary Stones from the Bladder—Successful.

Mr. Simon Tietzel, of Sangeries, N. Y., had been treated for seven years by various physicians for what they call stricture of the Urethra, without benefit. He finally consulted Dr. David Kennedy, of London, N. Y., who found his trouble to be Urinary Calculi or stones in the bladder. The doctor at once removed the foreign bodies with the knife and then gave his Great Blood Purifier, 'Favorite Remedy,' to prevent their reformation. The entire treatment was eminently successful, and Mr. Tietzel's recovery was rapid and perfect.

While 'Favorite Remedy' is a specific in all Kidney and Bladder diseases, it is equally valuable in cases of Bilious Disorders, Constipation of the Bowels, and all the class of ill apparently inseparable from the constitutions of women. Try it. Your druggist has it and it only costs one dollar a bottle. The lucky man is he who puts this advice in practice. Don't forget the name and address, Dr. David Kennedy, Rondout, N. Y. The doctor would have it understood that, while he is engaged in the introduction of his medicine, 'Favorite Remedy,' he still continues the practice of his profession, but confines himself exclusively to office practice. He treats all diseases of a chronic character, and performs all the minor and capital operations of surgery. 30-31

It seems singular, if not altogether inexplicable, that the only successful attempts to assassinate rulers, during the present century, should have occurred in Russia and the United States—one under an absolute despotism and the other under a republican form of government.

IN HOT WATER.—Orpha M. Hodge, Battle Creek, Mich., writes: 'I upset a teakettle boiling hot water on my hand. I at once applied Thomas' Electric Oil, and the effect was to immediately allay the pain. I was cured in three days.' For sale by Saur.

Wells' Sarsaparilla. Is a compound of the virtues of sarsaparilla, stilling, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effectual alternative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases. Eruptions, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustules, Blisters, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Venereal Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul humors which contaminate the blood and cause derangement and decay. It stimulates and enlivens the vital functions, promotes energy and strength, restores and preserves health, and infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair who will give AVER'S SARSAPARILLA a fair trial.

It is folly to experiment with the numerous low-priced mixtures of cheap materials, and without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. AVER'S SARSAPARILLA is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has benefited.
