Geo. Pether and family, of Mansfield, are visiting his parents in Monroe township. Mr. F. was in the city yesterday; he gave our office a call and had his subscription extended two years and over in advance.

There is a tradition among farmers that every tenth year which ends with the figure '57' there is a failure in the wheat crop. For example, in 1855, '75, '85, and now the prediction is made that the year 1895 will be the year for a failure.

A modern philosopher says there are two things entirely beyond the range of his comprehension. One is why foot ball is called play and shoveling snow is called work, and how a man will find it so hard to do but cheerfully let his wife carry in the coal and water.

An exchange remarks: "Now is a good time for foreign missionary societies to quit their money on the far-off heathen who live in countries where they don't have snow storms. That money would do some good among the poor of this country whose bodies are a great deal worse off than their souls."

We will offer for this month the following low prices on sewing machines: 14 Low Arn. Singer machine for \$13.50, 9 Champion 3-drawer " 16.75, 12 Diamond 5-drawer " 19.50, 12 Diamond 3-drawer " 24.00. These prices for cash only.

A sleigh party composed of ten couples, from Holgate, took possession of the home of J. Kerster, on Clinton street, Tuesday evening. The company was composed of the former neighbors of Mr. and Mrs. Kerster when they resided at Holgate, and the occasion was one of much pleasure to all parties, the guests being treated to an oyster supper and the evening spent in an enjoyable manner.

The experience of Geo. A. Apgar, of German Valley, N. J., is well worth remembering. He was troubled with chronic diarrhoea and doctored for five months and was treated by four different doctors without benefit. He then began using Chamberlain's Colic, Cholera and Diarrhoea Remedy, of which one small bottle effected a complete cure. It is for sale by D. J. Humphrey, Napoleon, O.

An exchange notes that a good story is told of a lazy and notorious farmer. He called at a neighbor's house recently. "Sit down, sit down!" exclaimed the neighbor. "I don't know as I ought," replied the farmer; but nevertheless he sat down. After some talk about the crops and the value of an adjoining piece of ground the farmer said slowly: "I don't know how I ought to be sitting here. I came over to see if I could get a ladder; our house is a fire."

New Safe. On Tuesday the banking firm of J. C. Saur & Co. had placed in their bank one of the celebrated Corliss safes, which are manufactured by the Corliss Mfg. Co., of Providence, R. I. Mr. Saur places this safe in his bank as an additional security against fire and burglary, as the company guarantees it to be absolutely fire and burglar proof.

The safe has been placed in the front part of the bank, in full view of everybody. It is a peculiar shaped concern, the safe proper being in the shape of a ball, and is provided with five tumblers and two time clocks. It weighs five and three-quarters tons.
