

DEATH SENTENCE AT MOCK TRIAL

18 CARRIED OUT BY MOB NEAR REELFOOT LAKE, TENNESSEE.

THREE NEGROES ARE LYNCHED

Had Blain Officers White Resisting Arrest and Were Executed After Travesty Before Justice of the Peace.

Union City, Tenn., Nov. 25.—Tiptonville, bordering on Reelfoot lake which recently has been the scene of stirring incidents, yesterday witnessed the "legalized" lynching of three negroes who were arrested Tuesday for murdering on Saturday Special Deputy Sheriff Richard Burruss and wounding John Hall, a deputy sheriff. The execution of the negroes was given a semblance of legality by a hurried "trial" arranged with the understanding that the men would be condemned to death as soon as the "trial" was over.

The negroes lynched were Marshall, Edward and James Stineback. These brothers created a disturbance at a religious meeting near Tiptonville Saturday night. When Officers Burruss and Hall attempted to arrest them, the negroes shot the officers and escaped. They were surrounded and captured in a swamp near Ridgely and placed in jail at Tiptonville. Soon the jail was surrounded by a mob which had no hesitancy in threatening a lynching at once in broad daylight. S. J. Caldwell and Sheriff Harnes went before Justice Lee Davis and explained the situation. Justice Davis at once agreed to open "court" at 1 o'clock, "summon a jury" and allow the negroes "after all available evidence" was heard, to be "duly sentenced to death."

Gov. Patterson was advised by telephone of the situation and he ordered a company of militia to Tiptonville to seize the negroes and conduct them to a place of safety. The troops failed to arrive in time to prevent the lynching. At the "trial" all of the evidence of those who had seen the killing was heard, and in an incredibly short time the "case" was given to the "jury," which in a few minutes "returned a verdict of guilty" and "fixed the penalty at death."

The "sentence" had barely been passed on the three negroes when the mob swarmed into the court room, seized the prisoners, rushed them to a large tree near the edge of town and "duly executed the sentence of death" by hanging them, firing volley after volley into the air as the bodies were drawn up from the earth.

Killed Herself for Love.
New York, Nov. 25.—A summer romance with an unhappy ending is believed to have led Julia Haussler, the 18-year-old daughter of a well-to-do family in the Bronx, to take her life. She was found unconscious Tuesday when her mother and father returned from an entertainment and died a few moments later. On the floor by her side was a vial which had contained poison. Haussler said his daughter had been in love with a young man whose home was in Hamilton, O. They had quarreled and the young man had refused to see her for many months.

Stiff Sentence for Letter Thief.
Chicago, Nov. 25.—The most severe sentence ever given by the federal court in Chicago to a letter thief was meted out Tuesday to Robert F. Palmer, who was president of the City Letter Carriers' Association of Illinois and superintendent of a Sunday school at Joliet. He admitted he had been pilfering money from letters entrusted to him during the last 17 years. He pleaded guilty and despite pleas for leniency entered by a banker, two state senators and other prominent friends, he was sentenced to serve three and one-half years.

OF INTEREST TO OHIOANS

A GIST OF NEWS FROM VARIOUS BUCKEYE CITIES.

Short Chronicles of a Day's Occurrences as Told by Telegraph Wire.

Republicans on New Governor's Staff.

Columbus, O., Nov. 25.—There will be three Republicans on the staff of Gov.-elect Harmon. A story has been in circulation among National Guardsmen for several days past that it was the intention of the governor-elect to clean out every Republican on the present staff and replace him with a Democrat. While it may be—probably is—true that there will be an entirely new staff, the opposition party will be given the representation which it has had since Gov. Herrick's first term. The statement is made authoritatively by men very close to Judge Harmon that he has not yet considered the appointment of his staff, so it is claimed there can be no truth in the statement as to his intentions, and they add that there is no doubt that the Republican party will be represented, when the appointments are made, by at least two and more likely three members.

The Ohio Senatorship.

Columbus, O., Nov. 25.—Senators Foraker and Dick Tuesday conferred with Gov. Harris over the vacancy in the senate to be caused by the expiration in March of Senator Foraker's term. The two senators were closeted with the executive or political friends most of the day and evening but declined to make any statements regarding their conferences other than to deny reports that they had entered an alliance on the senatorship. These reports were to the effect that the two senators were seeking to induce Gov. Harris to enter the senatorial contest against Congressman Burton of Cleveland and other prospective candidates. Gov. Harris admitted to friends that the senatorial situation had been canvassed. One of his intimate associates said last evening that the governor in all probability would not become an active candidate for senator.

Man Killed at Xenia.

Dayton, O., Nov. 25.—The body of David Wallace, aged 45, was found along a fence on the Columbus road at the edge of Xenia at 8 o'clock last night. The man had been shot through the heart apparently with a .35-calibre revolver, which was found under his leg in such a position that it would have been impossible for Wallace to have committed suicide with it. Two bags filled with corn were found near the body and the supposition of the coroner is that Wallace

came upon thieves who were stealing his corn and was killed in the altercation that ensued.

Miami County Goes Dry.

Troy, O., Nov. 25.—By a majority of 1,399 Miami county voted out her 57 saloons and three breweries. Troy gave a dry majority of 96, Tippicanoe City dry by 93, Covington 95 dry, Piqua gave a wet majority of 514. Every township except Washington, in which is located Piqua, went dry. Women were working at each poll and the church bells rang every hour. A union prayer meeting will be held at the First M. E. church this evening. The result of the election was celebrated by the ringing of all of the church bells.

Records are Missing.

Cleveland, Nov. 25.—A book containing testimony given by Mayor Tom Johnson in his injunction suit to prevent County Treasurer Lander from collecting \$433,384 said to be due in back taxes on unlisted property, is missing from the office of County Solicitor Cannon. When Lander sued Mayor Johnson in 1909, the latter obtained an injunction in federal court restraining the county authorities from levying the added tax against him. The case dragged along seven years, and was finally settled for \$1,440.20 in 1907.

Gov. Harris Appoints Democrat.

Columbus, O., Nov. 25.—William Rusler, former Democratic representative from Allen county, was Tuesday appointed by Gov. Harris as a trustee of the state institution for feeble minded youth to serve out the unexpired term of former State Senator Robert Mahafey of Allen county, deceased. The term will end April 9, 1909.

Ohio Jurist Dies.

The Arkansas Tornado.

Little Rock, Ark., Nov. 25.—Latest reports from western Arkansas show that although first reports of the number killed in Monday's tornado were exaggerated, the property damage will be greater than expected. Reports so far give names of four known dead and about 15 known injured. Seventeen other deaths are reported, but names are not given.

Murdered by Poisoned Pie.
