Easter Services in the Churches
From the elaborate programs rendered by the churches in this locality last Sunday it may be inferred that Easter and the resurrection will never be forgotten.

As the day dawned the M. E. Church bell announced a union sunrise prayer meeting conducted by Rev. W. L. Gross of the Lutheran church, who also held sacramental services in his own house of worship in the forenoon. At night the Lutheran choir rendered a musical program as printed in these columns last week. This was well rendered and was far above the average vocal music, deserving of a much larger audience.

St. Patrick's Catholic church was behind in their observance of the greatest day among all Christian churches. Only the regular masses were said at 8 and 10 in the morning. The entire altar and statuary were beautifully bedecked with white lilies and foliage, while the service took on an additional solemnity on account of the great resurrection prayer service by the pastor and Rev. D. B. Kirby, the priest of that parish, together with the appropriate reading of the scriptures and gospels read by him. Preceding the service several children from East Palestine were christened so as to give them time to return on the next train. The Knights of Columbus initiated a class in the afternoon and attended the benediction service in the church at 8 o'clock.

At night the Methodist Sunday school rendered an appropriate Easter program before a crowded house. Recitations were delivered by Charles Davis, Fern Atkinson, Russell Needham, Walter Tourdot, Anna Warner, Ella Needham, Elizabeth Longbottom, Gladys Russell, Ethel Paisley, Marie Kohrer, Ruby Warner and Donald Simpson; interspersed with solos by Esther Savin, Elsie Senior and Rev. Earl Lee. An enjoyable trio was sung by Mrs. Grindie, Misses Wilson and Thorp. "Butterflies" was recited by 13 little girls. "Snow Drops" by 5 little girls. "Easter Deliverance" was ably recited by Miss Mary Fife, as was also the exercise "Easter Eggs" and "Five Seeds" by 5 boys. The evening's program closed with a beautiful pantomime in del sarte by 8 grown girls in white costumes, the costumes being the benediction.

All the churches were well attended and St. Patrick's church was especially well attended by men of all ages and stations in society. The churches were also well fortified with good music, and for special occasions are in good working order, but as Father Kirby truly said, "the devil is constantly on the lookout for victims among the people of God" and quoted from his own words "the children of this world are in their generation wiser than the children of light."
