250,000 TO QUIT JOBS SYMPATHY STRIKE WITH CAR MEN STARTS WITH GREAT WALKOUT. New York, Sept. 27.—With the announcement by labor leaders that approximately 250,000 union workers would quit their places today, in aid of the striking car men here, it was believed that the effort to tie up virtually all industries in Greater New York had reached an acute stage. The union officials declared that an additional 100,000 workers would strike Thursday, and another 100,000 Friday, making a total of 450,000 out by the end of the week. Mayor Mitchell, whose efforts to settle the differences between the striking car men and the transit companies have failed repeatedly, summoned the labor leaders before him as soon as he heard of their plans. The union officials, he announced, told him they expected 200,000 workers to strike "as a starter."

RESCUE PERILED CREW LIFESAVERS TAKE OFF MEN FROM STEAMER ASHORE ON MAINE COAST. Portland, Me.—The steamer Bay State, belonging to the Eastern Steamship corporation, which struck on the tip of Cape Elizabeth, has been abandoned by the last of her crew. The steamer began to pound so heavily that the men signaled the coast guard, who took off the 14 men in the breeches buoy. All her passengers had been taken ashore earlier in the day by the lifeboats and the coast guard cutter Ossipee. Would Give Trade to U. S. Washington, D. C.—Anxious to have as little to do with Japan as possible in any way, China is making special efforts to give her former Japanese trade to the United States. Even now in Washington the bureau of foreign and domestic commerce and representatives of China—unofficial, it is true—are working to the same end. So far as the Chinese are concerned, the move is guarded with secrecy. The huge empire is unwilling to openly antagonize Nippon, at whose hands she has already suffered. Predicts Dry U. S. Before 1920. Columbus, O.—Wayne B. Wheeler, who is general counsel of the Anti-Saloon League of America, speaking here, said that a "dry" nation is now assured and asserted that an amendment for national prohibition would be passed by congress for reference to the states before 1920 and that the "ship of state will be in dry dock within five years thereafter."

A FAIR WARNING

One That Should Be Heeded By Canfield Residents. Frequently the first sign of kidney trouble is a slight ache or pain in the loins. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. 'Tis well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this community place reliance in Doan's Kidney Pills. This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following Canfield proof of their merit: L. M. Cox, High St., Canfield says: "I was troubled by pains in my back. The kidney secretions were scanty and filled with sediment and I began to feel languid. Doan's Kidney Pills gave me relief at once." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cox had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

A Distinctive Reason What is the chief reason for the superiority of Royal Baking Powder? There are several good reasons, but there is one which distinguishes Royal from other baking powders. This reason, which every woman should know, is that Royal Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders. There is no alum nor phosphate in Royal Baking Powder. ROYAL BAKING POWDER CO New York

Under Extraordinary Conditions We Spread Out a Great Dinnerware Sale A situation such as has never confronted the American Porcelain market now exists. In Sebring, Wellsville, East Palestine, Crooksville, East Liverpool, Steubenville, and in Chester, W. Va., where the bulk of American Porcelain is produced, they are able to turn out only about 50 per cent of their normal production. The kiln men have interposed in some places; in others it is the sagger-workers. This in the face of curtailment by half of the usual French production; and advices from Haviland & Co., Limoges, that we may look for the completion of only about half our orders. As it looks now, we doubt whether we shall get another worth-while shipment of Porcelain dinnerware this season! Yet—and please note this—though we cannot duplicate many of these sets at any price, though the great Autumn demand for them is just beginning, we offer them in a great sale at 25 per cent less than the present market prices, with some even still lower.
