

# TWO WORLD'S

## Records Broken at the Cleveland Races—Ardell Won in Straight Heats—Fast Time Made in All Events.

Cleveland, O., July 31.—Two world's records were broken and the season's fastest mile in a race was made in the 2:05 pace at the second day's racing at the Glenville track this afternoon. Ardell, the sensational five-year-old pacer, purchased by Frank Jones, of Memphis, last summer, for \$1500, annexed the rich Chamber of Commerce stake in straight heats and was not even forced to step to her record of 2:05 1/4, although she paced the first and second heats in 2:05. By doing so the brown mare broke the mark for the stake made last year by Walter Direct.

Geers drove the winner and it was the third successful year that he had carried away the big prize for the pacers. In 1904 he won the event with Baron Grattan, and last July repeated it with Walter Direct.

C. G. Billings drove his big bay gelding, Major Delmar, a half mile to wagon in one minute flat. The former record was 1:00 1/4 held by The Monk, driven on the Glenville track two years ago by H. K. Devereaux. He also drove his sensational pacer Morning Star a half mile to wagon in 59 1/2, beating the world's record held by John M. made at Memphis three years ago, driven by E. E. Smathers.

Bolivar, owned by James Butler, of New York, and driven by Walker, established the year's record for a mile, when he was forced to pace the first heat of the 2:06 class in 2:04 1/4, beating the record made by Ardell last week at Windsor.

**YOUR SUMMER OUTING.**  
A duty all people owe themselves, that they may live long and prosper, is to take a certain amount of recreation. Brainworkers especially owe this to themselves. Their work is laborious and monotonous, and they should seek some means to have a change for a week or two at least, in some manner which is entirely different to what they see around them. The least expensive and most enjoyable we can recommend is a water trip. The accommodations are first-class in every way and very reasonable. Send 2c. stamp for illustrated pamphlet.
