CASH! CASH!—The subscriber takes this method of informing his friends who are indebted to him, that he is now in want of Cash; and as it is almost impossible to visit all personally, he hopes this method will have the desired effect to have them come in and pay off, or at least pay part and settle up by note or draft, those particularly of old standing. He hopes those neglecting this notice will not think hard to find their creditors in the hands of proper officers for collection. His circumstances are such as require him to have money, and his own wants must be satisfied in preference to the feelings of friends, notwithstanding his feelings and friendship for them would lead him to indulge longer in forgiving delinquencies, and he would like to see them settle up for themselves. JEW DAVID'S, OR HEBREW PLASTER. THIS is becoming one of the most popular medical cures now before the public. For removing all kinds of rheumatism, neuralgia, pain in the back, side or limbs, it has no equal in the world. It is also efficacious in removing wens, tumors, corns, &c. We do not design to puff this medicine, with old-fashioned certificates, but will simply mention a few recent cases.

Mr. Sloan of Zanesville, after having suffered with Rheumatism for nine years was cured by using the HEBREW PLASTER. Mr. Anderson of Putnam, was troubled for a long time with a lame back, occasioned by over-lifting, cured by using this plaster. A man, (name not recollected), in Grant, Licking Co., entirely cured of Rheumatism. The following certificate from Mr. Worstell, editor of the Mission Gazette and George Miller Esq., of the firm of Keith & Miller, attys., was furnished me a few days since: Massilon, Oct. 28th, 1843.

Having received much benefit from using the HEBREW PLASTER, we cheerfully recommend it to the afflicted, believing it to be a valuable medicine for the purposes for which it is recommended.

J. P. WORSTELL, GEO. MILLER. Many other respectable persons have offered to give their certificates, but we deem it unnecessary, to add any more at this time. Those who use it will find it a good medicine. Each box contains sufficient to spread for 8 large plasters. Price 50 cents per box. For sale at Cadiz by JOHN BEALL, and McBEAN & WOOD. Also for sale by agents in most of the country towns. JOHN HOGG, Agent for Mt. Pleasant. Nov. 16th, 1843.

A GOOD BARGAIN. THE subscriber will sell the property he now lives on and occupies as a public house, consisting of 12 lots in the handsomely situated town of Londonderry, by Guernsey county, Ohio, on the McAdams road leading from Steubenville to Cambridge, on the National Road. The house is a frame, very large and well finished, the stable is good—there is a pump of water at the kitchen door, a lot of land containing about five acres, and a good orchard and part of it, of good fruit, directly back of the in-lots; a never-failing spring of excellent water about forty yards from the kitchen door. Any person wishing to purchase such property would do well to call soon, as I am determined to sell. The payments will be made easy, and if it would suit the purchaser, the greatest part would be taken in Store Goods of a fair assortment and fair price. The house is well calculated both for a Store and Tavern, and no better situation can be found between Cadiz and Cambridge. For further particulars call on the proprietor occupying the premises. JOHN CHALFAN. February 25th, 1844.
