AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so tried with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unnoticed exposure, is often but the beginning of a fatal attack. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without being able to sleep. My wife gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 65 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me."

HORACE FAIRBROTHER, Rockingham, Vt., July 15, 1882.

Croup - A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always by the bedside. The doctor was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

Mrs. EMMA GEDNEY, 150 West 125th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried."

A. J. CRANE, Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL."

JOSEPH WALDEN, Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles."

E. BRADDOCK, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

R. L. STROTHER, HENRY LITTS, STROTHER & LITTS, EDITORS AND PUBLISHERS.

Sunday was a very disagreeable day, but the churches were all well attended.

Plenty of game in the markets, keep up the annihilation of the fruit tree annihilators.

Consult our locals and advertisements and see what bargains our live business men offer you.

A gentleman and two ladies received the ordinance of baptism at the Baptist church last Sunday evening.

We advise our readers to be sure and attend the Chapman fair to be held on the 29th, 30th and 31st, 1885.

Nelson and Graven, have opened a flour and feed store on the south side in the building formerly occupied by D. G. Smith, Druggist.

The REFLECTOR job department is still on the boom and we don't mean to boast when we say that we are turning out better work than any office in this part of the state. We have the material and workmen to do it.

Christmas is quite near, and our merchants knowing that the REFLECTOR is the best advertising medium in the county, have taken its columns to tell of their holiday goods. Buyers look these columns over and go shopping accordingly.

The Cary Creek Lyceum was well attended last Tuesday night, and all enjoyed it. Subject for debate was "Resolved, that man for his own character." It was well discussed by G. W. Staats and J. Westrup. Discussion in favor of the affirmative. Quite a number of our older friends were out, which cheered the young ones up in the work.

Mr. Oesterich got a new buggy, and will hereafter ride on springs.

Some of our friends went up to the Detroit Institute last Saturday and are now graduated in Love, Courtship and Marriage.
