Carries New York State With a Plurality of Ten Thousand.

Indiana Also Falls in Line For Its Lucky Son--A Landslide.

New York, Nov. 8. — Harrison has undoubtedly carried New York state with a plurality of nearly 10,000—not more. This is conceded by the Times, the Star, and the Albany Argus.

The Evening World, in a late extra, quotes Chairman Brice of the Democratic National Committee as having said: "We concede nothing, and from latest returns there is a fair indication that Cleveland has carried New York State," and continues: That is what they say at National Democratic headquarters, and it was given out as the official utterance of the National Committee to the crowd of anxious visitors who thronged the parlors yesterday morning in search of the latest news. The statement is based upon the fact that the corrected returns from the interior counties of the State show a large cutting down of the earlier Harrison gains, and many of the counties where pluralities had already been

first Republican Congressman ever elected from the district.

PENNSYLVANIA.

Philadelphia, Nov. 8.—Returns from every county in the State show a plurality for Harrison of 72,949, a Democratic gain of 8,071 as compared with the vote for President in 1884.

CONNECTICUT.

Hartford, Conn., Nov. 8.—Complete returns give Cleveland 74,904; Harrison, 74,519; Fisk, 4,181; Cleveland's plurality, 385. For Governor, Morris, Democratic, has 74,944; Bulkeley, Republican, 73,426; Camp, Prohibitionist, 4,130. For Congress, Wilcox defeats Lines in the Second district by 875 plurality. Russell, Republican, is returned from the Third district. In the Fourth district, Seymour, Democratic, is elected by a plurality of 293. The State Senate stands eight Democrats and eighteen Republicans; the house 105 Democrats and 144 Republicans and a Republican majority on joint ballot of 94. The legislature will elect Bulkeley for Governor.

VIRGINIA.

Richmond, Va., Nov. 8.—Great excitement prevailed here yesterday, in striking contrast with the quiet situation of Tuesday. Cleveland has carried the state by a reduced majority. The Democrats elect six Congressmen, Republicans one and three doubtful.

KANSAS RETURNS

The State Goes Republican by 82,000 Majority.

Topeka, Kan., Nov. 7.—The vote has been very large in the city, and can not be counted before this evening. One Senator and three Representatives have been elected by the Republicans in this county as well as all others on the ticket.

Reports received at Republican headquarters show all seven members of Congress have been elected by good majorities. Turner, of the Sixth district, probably leading. Judge Martin does not claim anything for any portion of the Democratic ticket. The Union Labor vote was not as large as anticipated. From reports received Humphrey will have a majority of 25,000, all the state ticket keeping up with these figures.

Partial returns from yesterday's election in Wyandotte County indicate a Democratic majority of 200 votes on the National, State and Congressional tickets, and a somewhat heavier vote for the candidates on the county ticket. Throughout the county the fight was between Bill Buchan and Fred Hutchings for State Senate, and it was the most bitter fight ever made in the county. At 2:30 this morning the Democrats claimed the election of Hutchings by a majority of 400, which is not accepted by Republi-
