

Why Sensation Coffee is Sanitary And Why Some Coffees Are Not

Sensation Coffee is subjected to several important processes, with expensive machinery, to clean perfectly and remove all dust and impurities before roasting after which it is sealed in parchment lined cartons or cans without being touched by human hands and comes to you clean, pure and fresh.

Some Coffees are handled and stored by Peddlers in a way that makes them very unsanitary for the coffee bean is absorbent and will take up and hold any gases or impure odors near which it is kept.

See that you get LEE SENSATION COFFEE and you can be sure of a clean, clear and delicious coffee.

RUNAWAY TEAM ENDED WILD DASH IN AN AERIAL GLIDE

A runaway marked with many peculiar incidents occurred yesterday afternoon about 4 o'clock. Two horses hitched to a box wagon, an outfit from the St. Joseph orphanage, became frightened while in the business section and made a dash for home. Running north on Buckeye they careened wildly in and out through the traffic of automobiles and various vehicles and at Tenth street they went over the curbing and ran on the sidewalk for another block, going north. At Eleventh street, A. B. Seelye corner, the runaways went astride of a telephone guy cable. The momentum was so great that the animals were carried into the air, where at a height of ten feet they whirled on the cable and fell to the ground on their backs. Three children from the institution who were in the wagon, escaped with only slight injuries.

On the same street and at the same time as automobile backfired and threatened some more excitement but the blaze was quickly extinguished.

Edmund Hunt stayed with the runaways until they hit the curbing at Tenth street where he was thrown to the pavement. He stuck to the swaying wagon in a great manner.

Dangers of Draft

Drafts feel best when we are hot and perspiring, just when they are most dangerous and the result is Neuralgia, Stiff Neck, Sore Muscles or sometimes an attack of Rheumatism. In such cases apply Sloan's Liniment. It stimulates circulation to the sore and painful part. The blood flows freely and in a short time the stiffness and pain leaves. Those suffering from Neuralgia or Neuralgic Headache will find one or two applications of Sloan's Liniment will give grateful relief. The agonizing pain gives way to a tingling sensation of comfort and warmth and quiet rest and sleep is possible. Good for Neuritis too. Price 25c, at your druggist.

George George, one of the county's pioneers and early day homesteaders, died at noon today at the home on East Seventh street after a two months' illness. Mr. Stark was a consistent Christian, a member of the Brethren in Christ church and although momentarily expected, his death brings sorrow to many. Among the relatives, two daughters, Miss Minnie and Mrs. Byron Brooks of this city survive him. No funeral arrangements have been made.

The Boosters have completed their lineup and it includes some real veterans, all the way from the major leaguers to backward pill smashers. Their battle array formation is as follows: C. A. H. Forney, p. Dr. Dieter; 1st. C. A. Case; ss, W. A. Matteson; 2nd Wm. Sterl; 3rd, W. A. Chain; rf, Fred Coulson; cf, O. A. Dentzer; lf, Bruce Gemmill; subs, A. J. Spizzy, C. Bolt, Frank Geoffroy, H. C. WHAT'S THE REASON?

Many Abilene People in Poor Health Without Knowing the Cause

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Perhaps the kidneys have fallen behind in their work of filtering the blood and that may be the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no more highly recommended remedy than Doan's Kidney Pills—endorsed by people all over the country and by your neighbors in Abilene.

M. Hause, 804 N. Cedar St., Abilene, says: "I suffered from soreness across my loins. I felt stiff and lame in the morning. When a friend recommended Doan's Kidney Pills, I got a box at J. M. Gleissner & Son's drug store. They soon removed the trouble."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hause had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

HIGH SCHOOL TEAM DEFEATS B. S. IN PRACTICE GAME

In a practice game of six innings at the fair grounds last evening, the high school baseball team defeated the Belle Springs aggregation 21 to 1. The high school players had the advantage of more experience and practice and romped in a heartless manner on the creamery and produce boys. It was the latter's first exhibition but they show promise of a good team. The contest started at 6 o'clock and was the first twilight game of the season. Little and Herman composed the high school battery.

I Use a Beatrice Because—

"I Use a Beatrice— because it doesn't wear out or need repairs. Seven or eight years ago I bought a No. 45 Beatrice Separator, and up to the present I have not bought a nickel's worth of repairs for it."

"I Use a Beatrice— because it gets all the cream and gives me a more even test than any other I ever tried. The cream doesn't vary in test as with other machines. I never saw a closer skimmer than the Beatrice."

"I Use a Beatrice— because it runs so easy a 10-year old boy can operate it, and the disc washing device is the best thing I have ever seen. I have used other machines, but like the Beatrice far better than any."

"I Use a Beatrice— because it is so easily and quickly washed, with the Beatrice Washer. In two minutes, the work is done. No other machine has this feature, and it saves me so much time and work."

They All Use a Beatrice— not only because of the above reasons, but also because it saves \$25 to \$40 in first cost. It is the only high grade Cream Separator selling at a reasonable price.

Beatrice Cream Separator beats the world for *Clean Skimming* under all existing farm conditions, *Long Wear* and all-round *Satisfaction*—and the *price is right*. That's what they all say. Come in and see a Beatrice before you decide.

NEW PATRIOTIC SONG BY MRS. STAMBAUGH

Just now when renewed patriotism is sweeping the land, the patriotic song given below and composed by Mrs. W. S. Stambaugh, is of interest. She is receiving much encouragement in having it introduced into schools and it will prove its popularity.

My Country
Greatest of lands;
Great in name, great in deeds,
Proudly you stand.
But remember this motto for all,
United we stand, divided we fall.

All hail our banner,
Emblem of might;
Red the brave, blue the true,
Keep pure the white,
But remember this motto for all,
United we stand, divided we fall.

Our home, God bless them,
Cradles of men;
Ours the right,
With our might to defend,
But remember this motto for all,
United we stand, divided we fall.

"I DON'T SUFFER ANY MORE"

"Feel Like a New Person,"
says Mrs. Hamilton.

New Castle, Ind.—"From the time I was eleven years old until I was seventeen I suffered each month so I had to be in bed. I had headache, backache and such pains I would cramp double every month. I did not know what it was to be easy a minute. My health was all run down and the doctors did not do me any good. A neighbor told my mother about Lydia E. Pinkham's Vegetable Compound and I took it, and now I feel like a new person. I don't suffer any more and I am regular every month."—Mrs. HAZEL HAMILTON, 822 South 15th St.

When a remedy has lived for forty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their health to it, is it not reasonable to believe that it is an article of great merit?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WHO IS BLAMABLE IN A "SIGHT—UNSEEN" TRADE?

If an agent sells land he has never seen for a man who has never seen it to a man who does not inspect it, who is to blame? The suit filed in district court by George Hilton to cancel a contract for exchange of his farm for land in Oregon develops a deal that is said to have been "Unseen, Unseen" on both sides. Neither the man who sold it, the agent who made the deal or the man who purchased it had ever seen the land and the salesman claims that he represented it only as it was represented to him by the owner. It is now charged that the land is not worth what it was claimed to be. There are evidently two sides to the case and it will be settled in court as to which is right.

An Ideal Spring Laxative

A good and time tried remedy is Dr. King's New Life Pills. The first dose will move the sluggish bowels, stimulate the liver and clear the system of waste and blood impurities. You owe it to yourself to clear the system of body poisons, accumulated during the winter. Dr. King's New Life Pills will do it. 25c at your druggist.

LARGE CROWD OUT FOR FIRST CONCERT OF SEASON

The Abilene military band gave its first concert of the season last night at the library park. The usual large crowd, which has in the past turned out, greeted the musicians last night. The organization has a larger membership than in previous years and under the leadership of C. R. Pleiser will give the residents some fine concerts this summer. The new uniforms have not yet arrived but there is a surprise in store, as some evening the band boys will "blossom out."

Colds Quickly Relieved

Many people cough and cough— from the beginning of fall right through to spring. Others get cold after cold. Take Dr. King's New Discovery and you will get almost instant relief. It checks your cold, stops the racking, rasping, tissue-tearing cough, heals the inflammation, soothes the raw tubes. Easy to take, Antiseptic and Healing. Get a 50c bottle of Dr. King's New Discovery and keep it in the house. "It is certainly a great medicine and I keep a bottle of it continually on hand," writes W. C. Jessemann, Franconia, N. H. Money back if not satisfied but it nearly always helps.

FRED MUENCH INJURED IN BICYCLE-AUTO COLLISION

Fred Muench, a prominent farmer living south of town, near the Brown mill, was thrown to the pavement and rendered unconscious, when the bicycle which he was riding collided with a Ford roadster, driven by Roy Rosproy at the corner of Fourth and Buckeye streets last night at 9 o'clock. Mr. Muench recovered consciousness in a short time and suffered only slight bruises. Mr. Muench was returning home after playing in the band.
