A GOOD article, full weight, and a fair price, brings customers to the shop, but people do not recommend the place where they are cheated. Cheats never thrive.

UNTIL the millennium comes we shall all have a deal to put up with, and had better bear our present burdens cheerfully than to run hither skelter where we may find things a deal worse.

DO N'T give up a small business until you see that a larger one will pay you better. Even crumbs are bread. In these hard times he who can sit on a stone and feed himself had better not move.

LOOK most to your spending. No matter what comes in, if more goes out, you will always be poor. The art is not in making money, but in keeping it. Little expenses, like mice in a barn, where there are many, soon make great waste.—Ram's Horn.

The subject of the above portrait is the Rev. Chas. Prosser, a much beloved and most devoted minister of the gospel at Mount Carmel, Northumberland Co., Pa. Mr. Prosser's usefulness, was, for a long time, greatly impaired by a distressing obstinate disease. How his malady was finally conquered we will let him tell in his own language. He says: "I was a great sufferer from dyspepsia, and I had suffered so long that I was a wreck; life was rendered undesirable and it seemed death was near; but I came in contact with Dr. Pierce's Golden Medical Discovery and his 'Pleasant Pellets.' I took twelve bottles of 'Discovery,' and several bottles of the 'Pellets,' and followed the hygienic advice of Dr. Pierce, and I am happy to say it was indeed a cure, for life is worth living now."

up both solid flesh and strength after grip, pneumonia, fever and other prostrating diseases. "Golden Medical Discovery" has no equal. It does not make fat people more corpulent, but builds up solid, wholesome flesh. Do you feel dull, languid, low-spirited, have fullness or bloating after eating, tongue coated, bitter or bad taste in mouth, irregular appetite, frequent headaches, "floating specks" before eyes, nervous prostration and drowsiness after meals? If you have any considerable number of these symptoms, you are suffering from torpid liver, associated with dyspepsia, or indigestion. The more complicated your disease the greater the number of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it.

Nervousness, sleeplessness, nervous prostration, nervous debility, and kindred disturbances are generally due to impoverished blood. The nervous system suffers for want of pure, rich blood to nourish and sustain it. Purify, enrich and vitalize the blood by taking "Golden Medical Discovery" and all these nervous troubles vanish. The "Golden Medical Discovery" is far better for this purpose than the much advertised nervines and other compounds, so loudly recommended for nervous prostration, as they "put the nerves to sleep," but do not invigorate, brace up and so strengthen the nervous system as does the "Discovery," this giving permanent benefit and a radical cure. Buy of reliable dealers. With any others something else that pays them better will probably be urged as "just as good." Perhaps it is, for them; but it can't be, for you. A Book (128 pages) treating of the foregoing diseases and pointing out successful means of home cure, also containing vast numbers of testimonials (with phototype portraits of writers), references and other valuable information, will be sent on receipt of 25 cents, to pay postage. Address, World's Dispensary Medical Association, Invalids' Hotel and Surgical Institute, 663 Main Street, Buffalo, N. Y.
