"I was very poorly and could hardly get about the house. I was tired out all the time. Then I tried Ayer's Sarsaparilla, and it only took two bottles to make me feel perfectly well."  
Mrs. N. S. Swinney, Princeton, Mo.

Tired when you go to bed, tired when you get up, tired all the time. Why? Your blood is impure. You are living on the border line of nerve exhaustion. You need Ayer's Sarsaparilla.

Ask your doctor what he thinks of this grand old family medicine. Follow his advice and you will be satisfied.

Take Ayer's Pills with the Sarsaparilla. They act on the liver, cure biliousness, headache, constipation.

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctor's prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McElev's Wine of Cardui and Theodor's Black Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.
