

"IT SAVED MY LIFE"

PRaise FOR A FAMOUS MEDICINE

Mrs. Willadsen Tells How She Tried Lydia E. Pinkham's Vegetable Compound Just in Time.

Mrs. T. C. Willadsen, of Manning, Iowa, writes to Mrs. Pinkham: Dear Mrs. Pinkham:—

"I can truly say that you have saved my life, and I cannot express my gratitude to you in words."

"Before I wrote to you, telling you how I felt, I had doctored for over two years steady and spent lots of money on medicines besides, but it all failed to help me. My monthly periods had ceased and I suffered much pain, with fainting spells, headache, backache and bearing-down pains, and I was so weak I could hardly keep around. As a last resort I decided to write you and try Lydia E. Pinkham's Vegetable Compound, and I am so thankful that I did, for after following your instructions, which you sent me free of all charge, I became regular and in perfect health. Had it not been for you I would be in my grave to-day."

"I sincerely trust that this letter may lead every suffering woman in the country to write you for help as I did."

When women are troubled with irregular or painful periods, weakness, displacement or ulceration of an organ, bearing-down feeling, inflammation, backache, flatulence, general debility, indigestion or nervous prostration, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

No other female medicine in the world has received such widespread and unqualified endorsement. Refuse all substitutes.

For 25 years Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, has under her direction, and since her decease, been advising sick women free of charge. Address, Lynn, Mass.

CLEVER DOCTOR

Cured a 20 Years' Trouble Without Any Medicine.

A wise Indiana physician cured 20 years' stomach disease without any medicine as his patient tells:

"I had stomach trouble for 20 years, tried allopathic medicines, patent medicines and all the simple remedies suggested by my friends, but grew worse all the time."

"Finally a doctor who is the most prominent physician in this part of the state told me medicine would do me no good, only irritating my stomach and making it worse—that I must look to diet and quit drinking coffee."

"I cried out in alarm, 'Quit drinking coffee' why, 'What will I drink?'"

"Try Postum," said the doctor, 'I drink it and you will like it when it is made according to directions, with cream, for it is delicious and has none of the bad effects coffee has.'"

"Well, that was two years ago, and I am still drinking Postum. My stomach is right again and I know doctor hit the nail on the head when he decided coffee was the cause of all my trouble. I only wish I had quit it years ago and drank Postum in its place." Name given by Postum Co., Battle Creek, Mich.

Never too late to mend. Ten days trial of Postum in place of coffee works wonders. There's a reason.

DEAD IN ENGLISH WRECK

Twenty-Three Passengers, Mostly Americans, Killed in a Railroad Accident at Salisbury.

Salisbury, England. — Driving at a mad pace over the London South-western railway, the American line express carrying forty-three of the steamer New York's passengers from Plymouth to London, plunged from the track just after passing the station here at 1:57 o'clock Sunday morning and mangled to death in its wreckage twenty-three passengers who sailed from New York, June 23, and four of the trainmen. Besides those to whom death came speedily a dozen persons were injured, some of them seriously.

Nearly all of the passengers on the train were Americans who were en route to various points in Europe by way of London.

The train was just entering the railway yard at Salisbury, when the passengers noted that the coaches began swaying from side to side. Suddenly at the end of the long platform, when the track begins to curve toward the bridge spanning Fisherton street, the main avenue of the city, the engine seemed fairly to leap from the track. It swung across the adjoining track with terrific force and destroyed the guards' van of a milk train that was slowly steaming in the opposite direction, killing a guard. Lurching forward the locomotive plunged against the standards and the girders of the bridge. The bridge withstood the impact, and rebounding the engine crashed into another engine which was standing on a siding and overturned.

The wreckage of the two engines interlocked in a great broken mass of twisted steel and iron. Throughout the wild plunging of the engine, Driver Robins, whether alive or dead, remained in his cab. Hours afterward his charred body was found grilled over the firebox.

THE "PORK BARREL" BILL

The Omnibus Public Building Measure So Designated by Senator Scott in Reporting It.

Washington, D. C. — Senator Scott, chairman of the senate committee on public buildings and grounds, Thursday reported the omnibus public buildings bill, designating it as the "pork barrel bill." He asked for its immediate consideration and said in explanation that the committee had been engaged on the measure all night, and that there had been reductions of \$1,638,000 and increases of \$5,552,000, making a net increase of \$4,084,500 over the total amount reported by the bill as it passed the house. There was no objection to present consideration and the reading of the committee amendments was proceeded with.

Among the new items included in it was \$50,000 for Wichita, Kan. Reductions in appropriations made by the house bill, one of \$65,000 for Iowa, Kan., and from \$60,000 to \$50,000 at Newton, Kan. The senate report increases the Carrollton, Mo., appropriation from \$7,500 to \$10,000. The house provision which directed condemnation proceedings for a building in Oklahoma City, Ok., was stricken out.

Another Oklahoma Tornado. Guthrie, Okla. — A special to the State Capital from Tittzweh, Ok., states that the town was practically demolished by a tornado Wednesday night. Nearly every building in the place was torn from its foundations and in most instances carried a considerable distance. None of the citizens was seriously hurt. Many remarkable escapes were experienced. That some were not killed outright is due to the fact that the whole town took refuge in cyclone caves. There was a heavy loss of live stock. Crops were ruined.

Another Devil Discovery. Topeka, Kansas. — The appraisers of the C. J. Devlin estate claim that they have discovered 80 acres of farm land in Illinois of which no record exists. Nothing was known of this land until the county records were gone over. This will go to enrich the First National bank since Mr. Devlin made a blanket deed of all his Illinois property to the bank. The hearing of Mrs. C. J. Devlin's \$620,000 life insurance claim against the Devlin estate came up before Referee N. H. Loomis for hearing Friday.

Oldest Kansas Lawsuit. Topeka, Kan. — The "oldest lawsuit in Kansas" is now in the supreme court. This suit was brought by John D. Caldwell in Reno county to recover an interest in property valued at more than \$100,000. The property is now in the heart of Hutchinson. The case has been through all the United States courts once and is now started on the second round. It has been in the courts for 20 years.

President Roosevelt went to the capitol Saturday forenoon in order to sign the bills that were passed during the last hours of congress.

Agree on Public Building Bill. Washington, D. C. — Conferees on the omnibus public building bill Saturday reported a complete agreement. Among the disputed amendments settled by an all-night conference were appropriations as follows: For Cedar Rapids, Ia., \$200,000; Des Moines, Ia., \$500,000; Moscow, Id., \$100,000; Denver, Col., \$500,000.

Quiet Election at Colon. Colon, Panama. — The election for deputies passed off very quietly at Colon Sunday. The government candidates won by a majority of 300 votes.

FACTS GUARANTEED

Neuralgia and Anemia are Cured by Dr. Williams' Pink Pills.

For nearly a generation the people of this country have known Dr. Williams' Pink Pills, during which time proof of thousands of cures by this remedy has been published and confirmed and not one person has been harmed in the slightest degree by their use. The pills contain no opiate, narcotic or stimulant, nor any drug which could injure the most delicate constitution.

"For over a year," says Miss Charlotte Van Salisbury, of Castleton, N. Y., "I suffered from neuralgia and palpitation of the heart. My skin was pale and sallow and I was troubled with dizziness, fainting spells and fits of indigestion. I was very nervous and would start at the slightest sound. At times a great weakness would come over me and on one occasion my limbs gave way under me and I fell to the sidewalk."

"Of course I was treated by our local physicians and also consulted a noted doctor at Albany, but nothing they gave me seemed to benefit me. One day I read in a newspaper about Dr. Williams' Pink Pills for Pale People and I immediately gave them a trial. I soon felt much better and my color had begun to return. I continued using the pills and by the time I had taken eight boxes I was entirely cured."

"My sister, Sarah Van Salisbury, suffered terribly from anemia. She was pale and thin and we feared that she would become a victim of consumption. She tried Dr. Williams' Pink Pills for Pale People and in a short time she began to gain in strength and weight. She is now strong and well and we both heartily recommend Dr. Williams' Pink Pills to all who are in ill health."

Dr. Williams' Pink Pills are sold by all druggists or sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y. Descriptive pamphlets free on request.

TORTURED WITH GRAVEL

Since Using Doan's Kidney Pills, Not a Stone Has Formed.

Capt. S. L. Crute, Adj. Watts Camp, U. C. V., Roanoke, Va., says: "I suffered a long, long time with my back, and felt draggy and listless and all the time. I lost from my usual weight, 225, to 170. Urinary passages were too frequent and I had to get up often at night. I had headaches and dizzy spells also, but my worst suffering was from renal colic. After I began using Doan's Kidney Pills I passed a gravel stone as big as a bean. Since then I have never had an attack of gravel, and have picked up to my former health and weight. I am a well man, and give Doan's Kidney Pills credit for it."

Allen S. Olmsted Wins in Court—The Foot-Ease Trade-Mark Sustained.

Buffalo, N. Y.—The Supreme Court has granted a permanent injunction with costs against Paul B. Hudson and others of New York City, restraining them from making or selling a foot powder which the court declares is an imitation and infringement on "Foot-Ease," now so largely advertised and sold over the country. The owner of the trade-mark "Foot-Ease," is Allen S. Olmsted, of Le Roy, N. Y., and the decision of this suit upholds his trade-mark and renders all parties liable who fraudulently attempt to profit by the extensive "Foot-Ease" advertising, in placing on the market the spurious and similar appearing preparation involved in the case. This the court declares was designed in imitation and infringement of the genuine "Foot-Ease" trade-mark rights. Each package of the genuine Allen's Foot-Ease has the facsimile signature of Allen S. Olmsted on its yellow label.
