## WELL TESTED

CLEAR, PURE SOFT WATER  
IN ABUNDANCE FLOWS  
FROM FIRST CITY WELL

## FLOW INEXHAUSTIBLE

Test of 25,000 Gallons Per  
Minute Does Not Lower  
the Test Well Put Down

The first city well was completed Saturday and tested, and was the scene of a delighted gathering of citizens during a good part of the day. The water is splendid. The supply seems to be unlimited.

Dodge City with the new plant will have an unlimited supply of pure, soft water. From the sample of the test well it may be expected that this town will become famous for its excellent city water. It would take a long search to find anything equaling it in the way of hydrant water.

A centrifugal pump was used in making the test. The pump threw over four hundred gallons per minute, and the test was made at this rate for eight hours without lowering the water in the well. It is the purpose of the council to have five or six of these wells put down, and it is believed that this number will be equal to any test that will ever be made on the water supply.

The campaign started in Dodge City two years ago for soft water seems to be ended. It was practically settled at the start that the wells must be deep enough for pure soft water.

The test well completed Saturday is down in the coarse gravel, and is only 143 feet deep. The members of the council consider that this water will be one of the greatest improvements for the town that has been made in years.

There is every reason to believe that if such wells had been put down by the Water Company several years ago that the city would have granted a new franchise and that the present step toward city ownership would not have been taken for years perhaps.

Six wells like the first test well will furnish 150,000 gallons of water per hour.

## WELLS WAIVES HEARING.

Will Probably Plead Guilty at the June Term  
Of District Court—Bond Fixed at \$1500

The preliminary hearing of the case against John Wells, charged with robbing Fred Baeder of \$3800 in gold on the night of March 28, was called before Justice Hobbie on last Saturday morning. Judge Hobbie used the District Court room for the occasion and there was quite a crowd of spectators present.

Those who expected to hear something about the case were disappointed. W. Karl Miller, representing the defendant, stated that defendant desired to waive the preliminary hearing, so that there was nothing for the Justice court to do but to bind Wells over to the district court. Judge Hobbie fixed the bond at \$1500.

## JULY CHAUTAUQUA

Redpath Chautauqua Preparing For  
the Big Event at the Dodge City  
Park this Summer.

J. R. Tesgard, representing the Redpath Chautauqua Bureau, was in Dodge City this week arranging some of the details for the Chautauqua, which will be held here for one week, beginning on July 2.

The Chautauqua will be extensively advertised and it is expected to draw many from this and other counties. The program will be fully announced and it will be a very attractive one throughout the week.

Rev. A. M. Eells, of this city, will be placed in charge of the advance work.

It will be well for all who desire to attend to remember that it will be to their own interest to secure their tickets in advance. Citizens here have guaranteed the sale of 800 tickets, and these tickets will be sold at \$2.00 each, and will admit to all meetings during the week. The tickets sold at the door during the Chautauqua for the week, will be sold at \$2.50, so that all of the advance subscribers will get their tickets at a reduced rate. Counting the large number of meetings during the week, this will make the admission at a very low rate.

The program of entertainment features will include seven well known musical companies and various standard attractions which will appear from day to day. Be sure to secure your tickets next month while the advance subscription sale is on.

## MASONIC EVENT

Visitors From Various Towns Attended  
Masonic Banquet Here Monday Night

The Masons held an important meeting here on Monday night. Mr. Chandler, the State Architect, who is a prominent Mason and one of the Grand Lodge officers was a visitor in town and it had been arranged in advance to have him in charge of Second degree work at the Monday night meeting. Invitations had been sent out to various surrounding towns, and in the entertainment line a banquet was prepared. There were visitors present from Garden City, Cimarron, Fowler, Meade, Spearville and Jetmore.

The evening closed at a late hour with the banquet, which was attended by about 150. Rev. A. M. Eells served as toast master.

## TRAIL MEETING HERE.

Dodge City Will Be Meeting Place For New  
Santa Fe Trail, Officers and Com-  
mittees.

On the Sixteenth of May, there will be a meeting of the officers, and the Executive and Publicity committees of the New Santa Fe Trail organization. At that time it is expected that representatives from the various counties along the line will be here.

Our commercial club will doubtless have its Reception committee out on the morning of the sixteenth to welcome the visitors to the Best Town in Kansas. While the visitors are here it is desired to show them over the Soldier's Home road, which is to be put in fine shape between Dodge City and Ft. Dodge by the state. Also they should be shown the Eureka Canal where the force is working at present north of the college.

One question to be taken up by the Trail organization, is the placing of some kind of inexpensive markers along the route, and this is at present in the hands of a committee, to report on at the meeting here.

There is said to be a movement on to take Colorado into this organization, and the Globe Republican hopes that this movement will not get very far. Colorado will build her end of the road alright, but let us concentrate this movement on the roads of Western Kansas, and let us retain the name New Santa Fe Trail within this territory, and make it something which will continue to give us good advertising.

If we build a road through Kansas to the Colorado line, so that our people may make a quick trip to Colorado when they go out to spend their summer vacation and their money, we need have no fear about Colorado building roads to all places of interest within the state. Colorado people are there for the purpose of looking after the tourists. So we need not concern ourselves about Colorado.

What we need to do here is to concentrate our energies on building the New Santa Fe Trail, from Hutchinson to the Colorado line, as first advocated by the Hutchinson News, and generally boosted by the newspapers and live citizens in all of the counties and towns from Hutchinson to Coolidge.

It is still a big undertaking, as big as we can get through with. We talked much in the starting of this movement about it being a big advertisement for Western Kansas. The first endurance run made over the trail, from which we expected to get some 'pretty good advertising was used mainly in advertising Colorado, and everybody in any way connected with the run knows that this is true. We can hurray for the Colorado fellows when they build good roads, and we will, but let us keep the New Santa Fe Trail Movement within the state. When the New Santa Fe Trail is mentioned we want it to refer to Western Kansas directly.

What is needed now along the New Santa Fe Trail is to finish the work started, and finish it right. Good roads may then be attached to it from the east end to the Atlantic, and from the west as far as possible, but the New Santa Fe Trail should always remain a division of our great highways that refers directly to Western Kansas.

## SPEARVILLE ROBBERY

Nichols & Edwards Store At Spear-  
ville Robbed Last Night. Sheriff  
Notified This Morning.

The sheriff's office here was notified this morning of a robbery which occurred at Spearville last night. The large general store of Nichols & Edwards was broken into, and quite a collection of clothing, revolvers and other articles taken. It is said that a similar robbery was committed at Kinsley the night before.

It is a pretty hard matter for

## YOUNG MEN— Its Your Turn

We've been selling clothes, day after day, to your fathers. We've been selling them to your young brothers. We want to see more of you young chaps of college age and those beginning business and professional life. This is the store for you young men. We like to see every customer that comes in; but we feel worse to miss you than any one else. And besides, we have made special preparations for you.

These  
Sincerity  
Suits

we are showing for young men are worthy of you. Lots of clothing isn't up to your standard. This make we have is. You miss the best clothes from the leading makers if you miss getting your spring suit here.

These clothes are tailored by hand. They are modeled and shaped so that when you put on

the coat it sets as if it had always been a part of you. Its a comfort to wear such clothing. Its satisfactory when you can count on them looking right, being right, staying right.

There is style in these clothes that you don't often find. Coats are form fitting, full-chested Trousers are peg top; every line contributes something to the good looks and the good value.

## R. L. McDONALD'S RED SEAL OVERALLS

We have just received another large shipment of this famous make of overalls and have any size that you will want. They are made of the best grade blue denim and have high back; the regular dollar grade. You can buy them here any time you want them for 85c per pair. Why pay someone else \$1.00 for the same overall!

## WAGON UMBRELLAS

You will want a wagon umbrella for this summer and you will be able to get the very best one made here for 50c complete with all the fasteners. Made of the best heavy grade drill. The same kind others will ask you \$1.25 for. We have only a limited number and we would advise you to come early as at the price we are making on them they will go fast. But everyone is welcome to them as long as they last.

## List Your Property with L. L. Taylor & Co.

We desire to list for sale or exchange any legitimate proposition you have to make, without making any charge whatever; and only ask that you furnish a complete, accurate description of the property, priced at actual value, and answer our correspondence regarding it promptly. We do not ask an exclusive agency, but ask that you inform us if you dispose of your property.

We are well prepared to dispose of your property being in communication with hundreds of property owners who desire to buy or trade, and have hundreds of co-operating agents. But we want you to be honest in the description of your property, telling us about your property just what you would want to know if you were the buyer, both good points and bad. We can verify your descriptions by personal inspection and must rely upon you. False descriptions can do you no good; but often times disappoints a prospective buyer or trader so that he would not do as well as he would have done had he known the actual facts. Give us your cash price only; it saves time and trouble and much useless correspondence.

Yours truly,

## CLUB ORGANIZED

Young Republicans in Dodge City Formed  
Wagstaff Club Last Week

On Thursday evening, May 13th a number of enthusiastic young republicans of Dodge City, Kansas, met at the office of Scates & Watkins and formed a young men's Wagstaff club and after a general discussion of the principles of republicanism elected R. W. Evans, Jr., President, and Carl Turner, Secretary.

A committee composed of H. L. Carey, Bert Pettijohn, Karl Miller, Wayne Slocum and Harry Eash was appointed for the purpose of making proper arrangements for the Wagstaff meeting to be held Tuesday evening May 17th. The next meeting of the club will be held at the office of Scates & Watkins at eight o'clock Monday evening, May 16th, at which time they will make complete arrangements for the reception of Hon. Thomas E. Wagstaff.

The club has extended an invitation to all young republicans of Ford county to be present at this meeting.
