

AN OPEN LETTER

To Our Patrons and Friends

We have entered into a contract with Mr. Geo. W. Hickox agreeing to sell to him our Jewelry Business, including stock, fixtures and good will, Jan. 1, 1906. One strong feature of our agreement with Mr. Hickox is that we promise to reduce our very large and complete stock to the lowest possible point before that date and with this end in view, we will begin, Saturday, Nov. 4, a SPECIAL CLOSING OUT SALE to continue until Dec. 31, at which time we positively retire from the Jewelry business, having arranged to go into the manufacturing lumber business in British Columbia.

Our business in Albuquerque has increased steadily year by year, and grateful for this, we propose for the next two months, to cut out the big end of our profits and to give you such a genuine bargain sale of really fine, high-grade goods, as never has been offered in our city.

We invite you to make your selections now and avoid the rush of the December trade. We have ample vault-room and will gladly lay aside the goods you select, until you are ready for them. We have been in the Jewelry business 26 years, and have never yet advertised a fake sale. In this sale we will offer you rare bargains in Diamonds and Fine Watches. Every sale will be backed by my personal guarantee. Mail Orders solicited and satisfaction assured.

A NEW KINK IN "FRAT" INITIATION

High School Neophytes Elective Audience in Elks' Theater.

Meers, Horton, Smith and Donahy, of the High School, who are now undergoing the process of initiation into the High School fraternity, concluded the initiation in the Elks theater last night by going through one of their stunts during the performance of "Dr. Jekyll and Mr. Hyde."

Without warning one of the young hopefuls arose in his box and said in a voice clearly audible over the theater, "I don't like this show, I'm afraid of Mr. Hyde."

"Yes, and mother doesn't know we're out either," rejoined the man in the rear of the box in distinct tones.

"Well, let's go home," put in the man in the other box. Whereupon while the astonished audience got its breath the young neophytes arose in a dignified manner and left the house.

The Wilson Heater with the celebrated Hot Blast Down-Draft is the only heater which actually burns all of the fuel put into it. The Hot Blast Down-Draft creates perfect combustion and the fumes which rise from the fuel, ordinarily escaping unburned in other stoves, are all consumed and turned into heat in the Wilson. It has been ascertained that the fumes which arise from the fuel constitute 40 per cent of the entire heating power of the fuel. Buy a Wilson and get all the heat you are paying for.
