

SOCIETY

The week which closed yesterday evening was a comparatively dull week in Albuquerque society, due in part to the phenomenally disagreeable weather which prevailed most of the time, giving everyone the blues and detracting in a great measure from the vivacity and spirit which prevail as a rule, in consequence of the exhilarating effect of our incomparable climate, when in its normal state—and in part to the fact that most ladies are as busily employed getting ready for the approaching Thanksgiving and Christmas holidays that they have but little time to spare for anything else. But there have been a few interesting events in a social way, the most notable of which was:

Mr. H. E. Fox was host at the last meeting of the Ten Dons, and entertained his countrymen at the house of Mr. Frank Strong. The paper of the evening was by Mr. Frank Moore, the subject being, "Railroads and Railroad Rebates," and it called out a highly interesting discussion. An interesting and unique feature of the dinner was the place card design, which consisted of the photograph of each Don, neatly mounted on a little paper picture holder, standing at the guest's plate.

Of the many afternoon affairs within the past few weeks, one of the largest was the card party held yesterday afternoon by Mrs. W. E. Dame, 410 West Gold avenue. Mrs. Dame was assisted by Miss Edith Easley of Santa Fe, who is her guest. The prizes were elegant, the fortunate winners being Mrs. J. F. Luthy and Mrs. H. E. Mitchell. Present were: Mrs. E. G. Cornish, Mrs. A. B. Harrison, Mrs. S. E. Newcomer, Mrs. D. A. Bittner, Mrs. F. J. Luthy, Mrs. W. H. Greer, Mrs. A. J. Maloy, Mrs. George Frost, Mrs. D. A. Macpherson, Mrs. J. E. Sain, Mrs. A. M. Millington, Miss Irene Saint, Mrs. H. R. Mitchell, Mrs. Harry Lee, Mrs. J. T. McLaughlin, Mrs. E. L. Medler, Mrs. E. W. Dobson, Miss Lou Haselodine, Miss Mary Haselodine, Mrs. Hazlett, Mrs. George Klock, Mrs. Jarrett, Mrs. Earl Stearn, Mrs. Joseph Bibb, Mrs. W. H. Hahn, Mrs. E. G. Wilson, Mrs. J. S. Easterday, Mrs. W. S. Strickler, Mrs. M. O. Chabourne, Mrs. A. A. Keston, Mrs. Frank Moore, Mrs. Albert Grunfeld, Mrs. Frank Hubbell, Mrs. S. Luna, Mrs. J. A. Wisner, Mrs. F. H. Mitchell, Miss Mary Spaulding, Mrs. Clark Carr, Mrs. J. E. Pearce, Mrs. P. Dowdy, Mrs. McDonald, Mrs. R. F. Asplund, Mrs. L. H. Chamberlain, Mrs. Alfred Frost, Mrs. Samuel Neustadt, Mrs. B. S. Rodey, Mrs. Thomas Hubbell, Mrs. G. L. Brooks, Mrs. F. H. Kent, Mrs. W. B. Childers, Miss Annie Lay, Mrs. W. S. Hopewell, Miss Anna Thomas, Miss Mabel Hunt, Miss Elizabeth Willey and Mrs. Harry Owen.

Miss Elsie Kempenich proved herself one of Albuquerque's future charming hostesses Wednesday afternoon when she entertained a party of her young friends at the home of her parents, Mr. and Mrs. L. Kempenich, 918 West Railroad avenue, the occasion being the celebration of Miss Kempenich's thirteenth birthday. Miss Marguerite Schuster assisted. Games were played and refreshments served. Those present were Misses Marguerite Schuster, Gladys Mandell, Constance Sellers, Ruth Ifield, Beatrice Ifield, Agnes Childers, Edith Childers, Hilda Grunfeld, Aline Stern, Helen Hope, Myrel Hope, Francine McNasser, Lena Ferguson, Lillian Kempenich, Masters Frank Spitz, James Bibb, Edgar Jaffa, David Weiler, Kennedy Strickler and Alfred Kempenich.

Rev. Robert McIntyre, pastor of the First Methodist church, of Los Angeles, delivered an interesting lecture Friday night at the First Methodist church of this city. His subject, which was "The Evolution of Abraham Lincoln," was beautifully handled. Mr. McIntyre has a national reputation as a descriptive orator and Friday night was at his best. He returned to Los Angeles on one of the delayed trains Friday night.

Mrs. S. E. Newcomer entertained a number of friends at six-handed euchre on Wednesday afternoon at her home, 205 North Walter street. Mrs. E. G. Cornish won the first prize, a beautiful painting and Mrs. George Frost the consolation, a cut glass bonbon dish. Refreshments were served and all voted Mrs. Newcomer a most charming hostess.

Miss Ida Ashurst Bremen, of New York, pianist of rare ability will arrive in the city within a few days to be the guest of Mrs. John Borradaile, 500 West Gold avenue. Miss Bremen is a graduate of the Chicago Conservatory of Music and for many years a pupil of MacDowell, of New York, one of the greatest living composers.

Mr. Walter Thomas Mills, the noted socialist, lectured to a record-breaking audience last evening in Library Hall, his subject being "Railroad Notes and Socialism." Tonight he will lecture on "The City, the Brother and the Fireside."

Mrs. T. J. Robinson and daughter, Miss Edna Robinson, have returned to the city and are at the Alvarado after spending the summer months in their Chicago home. Their many friends will be pleased to learn that they will remain during the winter.

The "Daughters of the Revolution" held their regular meeting with Mrs. Wroth, at her residence, corner of Fifth and Copper yesterday afternoon, but no business of a public character was transacted.

A number of Albuquerque people have gone east during the past week to visit the old homestead, and take part in the Thanksgiving festivities around the ancestral hearthstone.

There is a promise of more good entertainments of a public character during the season just opening than there ever were before in the history of Albuquerque.

Mrs. Maynard Gansel left last night for San Francisco, Cal., where she will spend the next three months visiting Mrs. Ira B. Bennett, formerly of this city.

Mrs. Harry Lee, of Marquette avenue and Twelfth street, has cards out for the fourth of a series of parties to be given on Tuesday afternoon of this week.

Mr. Ira D. Cassidy will open his exhibition of water colors and oil paintings at the Indian store, corner Railroad avenue and First street. Mr. Cassidy is well known in New York and some of our western cities as an

artist of ability. The works are in a great variety of mediums, oils, pastel, water colors and crayons. He varies his methods according to his material. Some of his most successful work in the past has been water color portraits on stone. They have been exhibited at most of the important art societies and galleries of the metropolis and at Denver in the Boutwell gallery. They gained for him a well earned reputation. His technical ability, exquisite coloring and sympathy with his subjects will easily be perceived in his exhibition. In December he will give an exhibition in Denver by request.

Mrs. A. P. Hillerman who has been visiting her aunt, Mrs. H. B. Stewart, of West Marble avenue, returned to her home in Stillwater, Oklahoma.

Mr. and Mrs. Noa Ifield, who have been in Europe for the past six months, will return to the city tonight.

Miss Phoebe Roberts, the noted elocutionist, who spent some time here last winter, passed through the city last week en route to California.

Mrs. J. N. Reese and son, Mr. Roy R. Reese, of Springfield, Illinois, are visiting Mrs. H. Brand Hening, 419 South Fifth street.

Mr. and Mrs. Frank Boyer, 615 North Sixth street, are entertaining Mr. Boyer's mother, Mrs. Mary Boyer, of Lattv, Ohio.

Mrs. Lawrence Delaney, 502 Kehler avenue, has as her guest her sister, Miss A. E. Boyles, of Trinidad, Colorado.

Mrs. James McGuire and Miss Mamie Tierney left for Oswego, New York, for a two months' visit with relatives.

Miss Flora O'Brien left for St. Louis, Missouri, where she will be married to Mr. J. McNamara, in the near future.

Dr. and Mrs. Reldy, of Pittsburg, Pa., have come to Albuquerque and will remain during the winter.

Miss Lee Fleet of New Franklin, Missouri, is visiting Mrs. W. L. Hawkins, 710 North First street.

Mr. Ben Shupe returned to the city after an absence of six months in Quincy, Illinois.

Miss Ethel Easley, of Santa Fe, is visiting Mrs. W. E. Dame, 410 West Gold ave.

Miss Bessie Thomas, of Santa Fe, spent a few days visiting Albuquerque friends.

Miss Bessie Balbridge and her brother have returned from California.

Mrs. J. E. Moore, of Las Vegas, is in the city.

University Notes

Thanksgiving holidays, Thursday and Friday of this week.

The football team goes to Las Cruces this week to play the Agricultural college team on Thursday.

"Alkali Dust" is the name of a story written by our fellow student, Charles M. Horton. This story, illustrated by Cassidy, has been received by the Metropolitan Magazine, at a fair compensation.

President Ticht returned Friday morning from a trip to Washington, where he attended the meeting of the State University presidents. He reports a good meeting.

The following persons took part in the rhetorical on Thursday: Lawrence Selva, "The Animals;" Herbert Howison, "The Suicidal Cat;" Clarence Worth, essay, "The Religious Ideas of the Greeks;" Mr. Emmons, essay, "The Creek Indians;" Gertrude Espinosa, essay, "Michael Angelo."

A celebration of Saturday's football victory over the Santa Fe Indian team occupied the assembly period Monday morning. An impromptu program was arranged. Speeches were made by Manager Tischer, Captain Smith, Coach Ansell, Professor Asplund, Messrs. Heald, K. Bryan, Albright, and Roak. Miss Huggett spoke for the ladies. The boys' glee club rendered a selection and a number of appropriate college songs were sung by the school, and the wells were given. The fellows responded well and a good celebration resulted.

On Friday morning Miss Parsons gave a very interesting talk on the early history and conditions of New Mexico. She gave vivid descriptions of the burro trains and the prairie schooners, the means of transportation in the early day. The first journey of a schooner train across the plains to Santa Fe was made in 1828, when the danger from Indians and scarcity of water was great. The governor of New Mexico at one time levied a duty of \$500 a load for goods brought in as well as a duty on money taken out. The traders were shrewd, as they would put three loads of goods in one wagon a little ways out from Santa Fe and thus save duty on two. In the early days, stage coach riding was expensive. It cost \$250 for a trip by stage from St. Louis to Albuquerque, but that included meals, such as they were.

Herpicide Produces Marvelous Results

The lady whose photograph is here reproduced—writes the following letter about

Newbro's Herpicide

"the original remedy that kills the dandruff germ."

The Herpicide Company, Detroit, Michigan.
I am sending you my photograph to show what Newbro's Herpicide has done for me. Since I first tested it thoroughly on my own hair, I have used it exclusively in giving scalp treatments and with wonderful success. I would not think of trying to get along without it.
Yours sincerely,
MRS. ANNA CONNOR,
Hair and Scalp Specialist,
2807 Archer Avenue, Chicago, Illinois.

The natural beauty and abundance of this lady's hair is a striking illustration of what Herpicide will accomplish, and this is only one of the thousands of letters that the Herpicide Company have on file from people all over the world who are pleased to tell of the marvelous results obtained by the use of Herpicide.

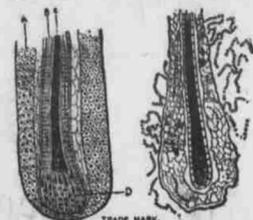

The Only Positive Safeguard Against Baldness is in the Use of

NEWBRO'S HERPICIDE

known throughout the world as "the original remedy that kills the dandruff germ." Herpicide is a new, scientific nonirritant germicide and prophylactic for the scalp—and positively cures dandruff, stops falling hair and prevents baldness. No one wants to lose their hair and it is a mighty serious matter to contemplate. Well, why trifle with unknown or so-called Hair-Growers, when you are absolutely guaranteed that Herpicide will not only save what hair you have, but will restore it to its natural luxuriance. It is the dandruff germ, which infests the scalp, that causes the hair to fall out. Herpicide will eradicate this microbic disease of the scalp and protect it against re-infection, and your hair will then grow as nature intended. NEWBRO'S HERPICIDE has reached the pinnacle of fame as a hair preparation and enjoys a distinction strictly its own. As a Hair-Dressing—Herpicide is truly exquisite on account of its dainty and refreshing odor which is characteristic—it beautifies the hair and leaves it soft, glossy, light and fluffy—it contains no oil, grease or sedimentary substance neither does it stain nor dye the hair.

Stops Itching of the Scalp Almost Instantly.

See the Dandruff Germ.

DANDRUFF IS AN ACTUAL DISEASE and a very serious one, for it leads sooner or later to chronic baldness, which is incurable—the disease must be treated in thoughtful, persistent and scientific manner. The dandruff germ must be destroyed and kept out of the scalp with NEWBRO'S HERPICIDE, because it is the only remedy that will actually kill the dandruff germ.
