

DEFEAT OF
REBELLION
COMPLETE

But Heroic Spirit Is Sinister
Warning to Autocracy.

ANOTHER SUCH VICTORY AND
THE GOVERNMENT IS LOST

To Inflamm Public Revolutionaries
Spread Rumor That General Mas-
sacre of Jews Is Planned.

St. Petersburg, Dec. 29.—The sup-
pression of the insurrection at Moscow
and the certainty that similar upris-
ings elsewhere will be crushed, marked
the collapse of the first attempt of the
government arms and administrators a defeat
from which it is not believed in govern-
ment circles the revolutionaries can
quickly recover.

Now that the smoke of battle is
clearing away, the utter hopelessness of
the conflict seems to be apparent.
The populace held aloof, and not a
single military unit actually joined the
revolutionaries. Even the general
strike crumbled under their feet by
their challenging and precipitating a
conflict before the proletariat organiza-
tions were prepared. The govern-
ment secured a comparatively easy
victory, and it is believed in high official
circles that the organizations have been so
demoralized and disrupted by the blow and
the arrest of their most able leaders
that it would be impossible for them to
attempt the coup planned for the anniver-
sary of "Bloody Sunday." In despera-
tion undoubtedly the revolutionaries
will again have recourse to acts of
terror which they will spring at the
most unexpected moment.

The country has quieted down, and
the cabinet now hopes that the selection
to the duma are assured and that
the government can devote its
time to the suppression of the revolt in
the Baltic provinces and more espe-
cially to the solution of the agrarian
question. It means cannot be
found in its name measure satisfy the
hard hunger of the peasants before
spring the universal opinion is that
the peasants everywhere will rise.
The land proprietors seem to be con-
vinced of this to such an extent that
the landlords in the neighborhood of
Minsk are calling their tenants to-
gether and are voluntarily arranging
the distribution of a portion of their
private holdings upon terms satisfac-
tory to the peasants.

DEFEAT OF REBELS IS
PRACTICALLY ACCOMPLISHED

St. Petersburg, Dec. 29.—Peter
Struve, editor of the Osvoboditel
(Emancipator), who has again shifted
his position, publishes a ringing ar-
ticle this afternoon in which he ad-
mits the defeat of the attempt aimed
at the overthrow of the government.
He says the attempt, of course, was
madness and was bound to be exting-
uished in blood. Nevertheless, he
alleges, there was a heroic spirit be-
hind it which should terrify the govern-
ment.

"Another such victory and the govern-
ment is lost," says Mr. Struve, who
in conclusion summons all the forces
of emancipation to bury their dissen-
sions and to unite in a final struggle.
The report that Lieutenant General
Mitschenko has been wounded is not
true.

With the evident object of inflaming
sentiment abroad the revolutionary
agents are putting out a story to the
effect that the government is delib-
erately plotting a general massacre of
Jews. These agents display what pur-
ports to be the text of an appeal by a
rabbi addressed to the Jews to fight
against the cross, which they declare
is being printed by the ministry of
marine for distribution among the ig-
norant classes, with the object of
producing a concerted attack. Investiga-
tion fails to substantiate the charge
that the government is favoring any
such document.

LONG ISLAND
DENTIST HELD
FOR MURDER

Sensational Developments at
Inquest.

WATCH CHAIN DRIVEN
THROUGH HORNER'S BODY

Widow's Testimony Shows Simpson
Killed Father-in-Law
for Spite.

Northport, L. I., Dec. 29.—At the in-
quest held here today over the body
of Bartley T. Horner, who was shot
and killed by his son-in-law, Dr. J. W.
Simpson, a New York dentist, Simpson
was held on a charge of murder by the
coroner and was taken at once to a
prison at Rivers Head. Sensational
developments came out at the inquest.
The autopsy disclosed that there were
two bullet wounds in the dead man's
body, about four to six inches apart.
One of the wounds was directly in line
with the watch pocket in the vest, and
a portion of the gold chain was carried
clear through the body by the force of
the bullet and imbedded in the mus-
cles of the back.

Mr. Horner was for years the south-
ern representative of the Lorillard
tobacco firm and was worth about
\$100,000.

At the inquest, Mrs. Horner, the
widow was the most important wit-
ness.

"Dr. Simpson," she declared, "saw
in my hearing at the supper table
Wednesday evening, the night of the
shooting that he wished the 'old man,'
meaning my husband, was dead."

"A few months ago, my husband
made up his mind to have his will
changed. He was worth about \$100,-
000, I should say. He wanted the will
fixed so that his fortune would not be
squandered by Dr. Simpson."
"The lawyer arranged to come to
our house yesterday. On Wednesday
my son-in-law arrived in New York,
and at the supper table declared that
the will could not be changed, that
such a thing was not possible. Then
he made the remark that he wished
Mr. Horner was dead."

Haven't Found Morals.

San Domingo, Republic of Santo Do-
mingo, Dec. 29.—The United States
gunboat Dubuque arrived here this
afternoon. The converted yacht
Scorpion will leave tomorrow for
Monte Cristi.

Wherabouts of President
Morales is yet unknown.

The city and vicinity are quiet. Telegraph commu-
nication has been restored. Business
is dull and a feeling of unrest prevails.
Several arrests have been made.

NORDICA PUTS
OUT FIRE

New York, Dec. 29.—Mme. Lillian
Nordica won the enthusiastic plaudits
of a large matinee audience at the
Metropolitan Opera House today when
she quite coolly stamped out a blaze
on the stage near the footlights caus-
ed by fire dropping from a torch car-
ried by a chorus girl in Gotterdam-
merung. The incident occurred dur-
ing the fire scene of the last act of
the opera.

Burning oil spilled from one of the
chorus torches and set fire to the stage
carpeting. Immediately there was an
easiness apparent in the audience,
and several persons started to leave
their seats. Mme. Nordica, who was
singing, walked over to the blaze and
without interrupting her song stamped
out the last spark of the fire.

GENERAL BINGHAM JUST
PLAIN "AMERICAN CITIZEN"

Officer Will Be Next Police Commis-
sioner of New York.

New York, Dec. 29.—Mayor Mc-
Clellan tonight announced the ap-
pointment of Brigadier General Theo-
dore A. Bingham, U. S. A., retired, as
police commissioner, succeeding Wil-
liam McCado, who had the office
through Mr. McClellan's first term.

Just a "Plain Citizen."

New York, Dec. 29.—General Theo-
dore Bingham, of the United States
regular army, called on Mayor Mc-
Clellan today. He said the mayor
has offered to appoint him police com-
missioner of New York City and that
he has the offer under consideration
and expects to give his answer to-
morrow. General Bingham said he is
neither a republican nor democrat, but
an American citizen.

War on the Quacks.

London, Dec. 29.—The British Med-
ical Journal announces that an anti-
quackery congress is to be held in
Paris next spring. The programme of
discussions includes every form of
quackery except, oddly enough, faith-
healing, says the Journal, unless that
be covered by the terms "sorcery" or
"magnetism."

Jerome Declares New
York Gambling Houses
Are All Wide Open

District Attorney Lashes Bookmakers.
Calls Them "Statesmen Criminals."

New York, Dec. 29.—That gambling
houses and pool rooms in this city are
as wide open today as ever and that
many of the employees in these places
are given positions by political leaders
as a part of their patronage, was
charged by District Attorney Jerome
in his court of general sessions today.
There were a large number of pool
rooms and gambling house cases on
the calendar, and Mr. Jerome appear-
ed in person as prosecutor. It was when
three men who had been indicted for
bookmaking in an Eighth avenue re-
sort pleaded guilty, that the district at-
torney addressed the court.

"These men pleaded guilty and told
me they are only employees," said he.
"They are what I term statesmen

criminals. They are put into these
pool rooms by political leaders as a
part of the patronage of their district,
and it is almost impossible to tell
whether they are politicians or crim-
inals. Pool rooms and gambling
houses are at present as numerous as
ever. The police organize a series of
false raids, start into houses, wreck
furniture, put a few gentlemen in dur-
ance vile, and call it an attempt to get
evidence. In this case I ask your hon-
ors to impose a fine of \$100 each, and
I say if they cannot pay, the books of
the game will. If he does not come
forward and pay, I will bring him here
in person in a manner that will surprise
him."
Fines of \$100 each were imposed in
several cases.

POPE PIUS IS BIG BROKERS
DISPLEASED IN CRASH

UNWORTHY AMERICANS HAVE
BEEN PRESENTED AT VATICAN

Rome, Dec. 29.—The Vatican au-
thorities have received remonstrances
from several American bishops against
the audience granted by the Pope to
Americans, who, in the opinion of the
bishops, were not worthy of the hon-
or, which, it is added, created dissat-
isfaction among the faithful.

The Pope has also been informed
that among the persons presented to
him a few days ago was an American
woman who had been divorced. This
irritated the Pontiff, who declared that
such a presentation must not occur
again.

The officials of the Vatican are also
recalling that two Americans recently
refused to kneel when the Pope ap-
peared and the persons having author-
ity in these matters have been order-
ed to be more strict in arriving at de-
cisions upon applications from Amer-
icans for audiences of the Pope. Amer-
ican applicants in the future must be
recommended by their respective
bishops or have their applications sup-
ported by a recognized official here.

than eighty years old died in the same
district, and their ages totalled 825.

Manila, Dec. 29.—Filipinos who
spoke at the banquet given to W. J.
Bryan demanded the immediate inde-
pendence of the islands and said they
were looking to him to champion their
cause with the American people.

Mr. Bryan, in his response, made no
promises, and the natives were disap-

present.

Charged With Stabbing Friend.

St. Louis, Dec. 29.—William Mur-
phy, 21 years old, son of Jeremiah
Murphy, a wealthy pork packer, was
arrested and is being held on a charge
of stabbing his friend, David Leahy,
early today. Leahy, it is stated, is
probably mortally wounded. Murphy
asserts highwaymen attacked them
and stabbed Leahy when they re-
sisted. Leahy refuses to talk of the
matter.

eruption on Princess Royal island on
December 23. The whole side of the
mountain, which is over 1,000 feet
high, slid to the surf at Inlet lake,

a launch at the time and as enormous
waves had been created they had great
difficulty in saving their lives.

San Antonio, Texas, Dec. 29.—The
Sixth battery of the United States field
artillery is expected to march into
Fort San Houston tomorrow after a

Japanese plenipotentiary, who has just
concluded a treaty with China, relative
to Manchuria, left for Tokio at 1
o'clock this afternoon. He traveled by
special train to Tien Tsin, where he
will be entertained by Yuan Shih Kai,
viceroy of China. Prior to his depart-
ure he gave \$1,000 to be divided
between two Chinese girls' schools, a
boys' school, and the Japanese volun-
teer instructors; \$1,500 to the Pekin
Japanese club, and \$500 to the Ho Tay
Paoting club.

RAILROAD
FINANCER
VERKES DEAD

End Comes Before Greatest

HAD ALMOST COMPLETED
GREAT LONDON SUBWAY

Stubborn Wife Who Had Quarreled
With Millionaire Relents at
Last Moment.

New York, Dec. 29.—Charles T.
Verkes, the noted railway financier of
Chicago and London, died today in his
apartment at the Waldorf-Astoria
hotel, where he had been ill for more
than six weeks. Mr. Verkes suffered
from a complication of diseases, grow-
ing out of a severe cold which he con-
tracted in London early in the fall.
Since last night the patient had been
kept alive by strong stimulants.

Despite statements said to have
come earlier in the day from Mrs.
Charles T. Verkes, wife of the cap-
italist, that she would not go to the
Waldorf-Astoria, the following official
statement was made by Dr. Loomis,
who had attended Mr. Verkes
throughout his illness:

"At the death of Mrs. Charles T.
Verkes, his wife, Charles Edward
Verkes, a son, and his wife, Mrs.
Charles Rondaniller, a daughter, and
myself.

"At 11 o'clock Mrs. Verkes was tel-
ephoned that her husband was dying,
and she related and went to the ho-
tel and was present when he died.
This was the first time Mrs. Verkes
had been at the hotel during her
husband's illness. The death was
peaceful but unexpected at the time."
Speyer & Co., the New York bank-
ing firm which had much to do with
the local financing of Mr. Verkes' af-
fairs, today made the following state-
ment:

"The death of Mr. Verkes is par-
ticularly sad, coming at a time when
his great work in connection with the
London underground railway was rap-
idly approaching completion and im-
portant portions of it were being put
in operation.

"Mr. Verkes' failing health had
warned him and the bankers associ-
ated with the enterprise that arrange-
ments should be made for relieving
him of a portion of his work or for
completing and carrying it on in case
of his death. These arrangements
have been perfected and will be an-
nounced at the proper time."
