SANTA FE PERSONALS.

Santa Fe, March 8.—Eugenio Romero of Mora county, in Santa Fe to work against the proposition to remove the county seat of the county from Mora to Wagon Mound. Many of the legislative visitors this forenoon attended the meeting of the class in Archaeology of the Santa Fe Woman's club, held in the reception hall of the Palace of the Governors, with Mrs. H. L. Wilson presiding. Creation myths and deluge stories formed the interesting topic of the discussion. Game Warden Trinidad C. deBach is receiving many compliments upon the beauty of his last annual report, but none that pleased him any more.

Supple at Sixty. Age and ripe experience mean happiness and usefulness when mental and bodily powers are preserved by keeping rich blood in the veins. Nature's rare nourishment in Scott's Emulsion creates rich blood, mends the body and alleviates rheumatic tendencies. Its oil-food imparts strength to both body and brain. It is nourishment—not Alcohol.

Don't Merely "Stop" a Cough. Stop the Thing that Causes It and the Cough will Stop Itself.

Put 2 1/2 ounces of Pinex (50 cents) in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you a full pint of the most pleasant and effective cough remedy ever used, at a cost of only 54 cents. No bother to prepare. Full directions with Pinex. It heals the inflamed membranes so gently and promptly that you wonder how it does it. Also loosens a dry, hoarse or tight cough and stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent lough cough.

A. B. C. NO MEAN ANTAGONIST FOR VARSITY TOSSERS

Manager Goodell Will Have a Better Team to Oppose Hillmen This Time Than He Did Early in Season.

When the Business college and University of New Mexico basketball teams meet Friday night at the armory the tynewriter institution will have a far stronger opponent than that defeated by the varsity early in the season.

The team that upheld the honor and dignity of the Business college Vegas normals showed by trimming the formidable opponents that it is the strongest A. B. C. squad to trot onto a court this year. The normals had beaten a business college team in their home town by rather a one-sided score. They came here expecting to repeat the trick. A change or two in the Business college's lineup, however, made an entirely different team as far as playing ability went and one that the Las Vegas found unbeatable.

When the bowels are clogged with an accumulation of refuse from the stomach the child naturally becomes cross and fretful from the discomfort, and is often punished for temper when medical attention is finally what is needed.
