Important to Dispose of Waste from the Stomach With Regularity. People frequently attribute to failures of the digestive organs conditions that are actually due to inactive bowels, and apply remedies that from their very nature are more apt to aggravate than to relieve the disorder. When the bowels act regularly the stomach is in better shape to perform its allotted tasks and can usually be depended upon. To keep the bowels in condition there is no more effective remedy than the combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin which is sold in drug stores for fifty cents a bottle.
