

LATE NEWS FROM BUTTE

Democrats of Deer Lodge County Con- sider of a Rousing Victory.

The Last Cards of the Campaign are Being Played in Earnest and the Repub- lican Ticket is Being Copied.

Special Correspondence of the Standard. BUTTE, Sept. 28.—The closing days of the campaign find the democratic party in this city active, confident and wide-awake. The republicans are no less active, and express themselves as no less confident; but it is observable that their confidence is mainly expressed in regard to Carter, while the election of Toole is practically conceded here. Republicans are straining every energy to carry Silver Bow county, for as they say: "As Silver Bow county goes, so goes the territory."

There is no disguising the fact that the Democratic ticket has been greatly strengthened by the admirable selection of candidates for the county ticket. In every case the nominees have added an element of strength to the ticket as a whole, making the whole what is acknowledged to be the strongest political ticket ever presented to the voters of Silver Bow county. The candidate for state senator, Mr. D. J. Hennessy, is widely known as one of the most enterprising and successful business men, not only in Butte but in the state of Montana. The list of candidates for representatives in the legislature is particularly excellent. J. W. Gilligan is one of the most popular and able young men in the county; Henry L. Frank is known to everyone, and has wide experience in a city affairs, having been twice mayor of Butte. He will know well what the county wants. W. J. Penrose is the able editor of the Mining Journal, and will be elected by a rousing majority, for all the laboring people are for him. His course in the treatment of all labor questions has been fair, honest and consistent. John O'Mara is one of the best known and most popular Irish-Americans in Butte, a resident of this camp for over nine years and a member of the Miners' union, the Young Men's institute and the Emmet guards. He is actively engaged in the mercantile business in Upper Main street, being a member of the firm of Kelly & Courtney. He is a strong friend of the workingmen. Leopold F. Schmidt is one of the oldest citizens of Butte, having come here early in the '70s, and is one of the largest owners in the Centennial brewery. A. M. Dussault, A. M. Day, Joseph Hogan and Joseph K. Clark, the other candidates for representatives, are no less fitted for the places, and their canvases have been successful.

J. J. McHarrison, the candidate for district judge, will dignify the place, for he is a man whose eminent quality is a desire to see strict justice for everyone. Eugene D. Sullivan has already held the office of sheriff and his course in relation to everyone. George H. Casey will have a rousing majority for county treasurer. He is conceded to be the man for the place, on account of his industry in conducting his own business. Charles F. Booth's majority should, and it is believed will be a rousing one. He has shown himself to be eminently the man for the place and has been uniformly so obliging, at the same time that he has been accurate and reliable in the duties of the clerk and recorder's office, that the best people in the county are of the opinion there should be no change. He was one of the two men on the democratic ticket who was elected last fall.

Harry Hyndman, the candidate for assessor, is the choice of the workingmen, and the candidate of all good citizens. John T. Baldwin, for county attorney, is known to be able, diligent and just in the discharge of his duties. Will L. Clark, for clerk of the district court, has lived in Montana since four years old, and is a young man well known and highly thought of in Butte, and his election is generally conceded. Miss Carrie Cox is the wise choice of the democracy for candidate for superintendent of schools; Dr. G. W. Beal is the fortunate choice for coroner; J. H. Harper for surveyor; J. W. Murphy for public administrator; John Caplice, John H. McQueeney and Charles H. Palmer for county commissioners; Joseph J. Conroy and C. E. Irvine for justices of Silver Bow; John Walsh and Elias Lytle for constables; J. H. Mitchell and M. Arnold for justices of Walkerville; William McKenna and John Toole for constables of Walkerville.

With the above county ticket to strengthen the state and congressional candidates, it is not surprising that the republicans are well nigh desperate and are resorting to desperate means of influencing voters. To-day the Italian quarter of Butte was flooded with dodgers calling upon the Italian voters of Butte to stand by the republican party candidates; that the party is and has always been their friend, and their principles are just such as the Italians approve of. Another reported plan of the republicans is to have speakers Sheridan and McGinley ride through the streets on election day and deliver speeches at every polling place.

The campaign on the democratic side will close with a crowning demonstration on Monday night at 8 o'clock. Maginnis and Joseph K. Toole will be the speakers. The Silver Bow Tammany Club will draw the candidates through the streets in a carriage from the McDermott house to the opera house, where the meeting will be held. There will also be a grand torchlight procession. All democratic clubs and democrats generally are requested to meet at 7 o'clock in the evening in the yard of the central school. The procession will move at 7:30 o'clock. It is the intention to make it the grandest torchlight procession ever seen in Montana. A merchants' club has been formed, composed of 170 of the best business men of Butte. They will turn out in force with transparencies, flags, etc. Hon. Lars W. Reed, the Scandinavian speaker from Minneapolis, said today that he feared there would be trouble arising from the Australian system of voting. He thought trouble would be caused through ignorance of the correct method of preparing the ballot. He also thought it doubtful if all voters could be got in. He said from his experience in Minnesota not more than 300 men could be voted in a day. There are to be, however, 12 booths at each polling place in Butte, while there were only eight in Minneapolis.

Butte Mining Notes. R. C. Whitney and John Thompson have given notice of location of the Adelaide lode mining claim in the Summit Valley district. The West Granite has passed the \$1 mark and is at \$1.10. The reason of the advance of the Cleveland and Anchor is a telegram that the main vein shows five feet high grade ore with streaks of rich ore through the rest of the ledge. Looce & Maxwell are agents for the celebrated Red School House shoes. Every pair warranted.

TOWN TOPICS IN BUTTE.

Interesting News Gathered by "Standard" Reporters in the Smoky City.

Special Correspondence of the Standard. BUTTE, Sept. 28.—Last morning Peter Monihan was asleep in Sheridan's saloon, on Main street, sitting in a chair. In his right hand vest pocket was a silver watch, which he valued at \$30, and on which was inscribed his name. It was attached to a common cord chain. When he awoke he tried to pull out his watch to see what time it was, but the watch was gone. This afternoon Monihan was walking past E. Jacobs' pawnshop, on South Main street, where he saw his watch in the show window. To make sure he went in, asked to see it and found his name on it. He demanded the watch, but the pawnbroker said he had let a man have \$5 on it, and would let the owner have it for the same amount and not less. Monihan appealed to Officer Carroll about the matter. The policeman befriended him and forced the pawnbroker to give up the watch. The pawnbroker, for revenge, said the man who pawned the watch was Patrick Maher. Monihan knew Maher, and with the officer started in search of him. After most of the saloons and gambling places in town were visited, Maher was found in the California brewery saloon on East Broadway. He was arrested on a charge of robbery and taken before Judge Newkirk. He will be tried next Thursday.

The county commissioners today raised the assessment of the Butte City railway company \$2,500; of James H. Lynch \$1,000; of M. Fisher & Brother \$1,000. The assessment of the Utah & Northern railroad company was fixed at \$5,000 per mile for its road bed, right of way, etc., and rolling stock was fixed at \$600 per mile. The amount of the Montana Union company was fixed at \$5,000 per mile for 15.5 miles of road bed. The raise previously made on the assessment of the Western Union telegraph company was adhered to. Messrs. Daly & Dixon appeared before the board in relation to making the purchase of the Anaconda company, and agreed to furnish a statement from August 1, 1888, to July 31, 1889. The board adjourned until next Thursday.

The Pacific Express company has filed its annual statement, showing the capital stock to be \$4,800,000; the assets are its franchises, contracts, equipments, etc., worth \$500,000; and cash and cash on hand \$300,000. There are no liabilities. A dodger was circulated about the streets today, announcing the opening of a new saloon on the corner of 15th and 17th new lady waiters, fresh from the east.

Among the guests registered at the McDermott today were: R. J. Kilpatrick, of Minneapolis; P. J. Conklin, of Helena; B. S. Schomerhorn and wife, of Des Moines; E. C. Kinney, of Anaconda; and James M. Glass, of Boston. An old decrepit man, a cripple, was discovered by Officers M. Leggan and Carroll this morning in an alley back of T. M. Carr's livery stable, monkeying with a revolver. As the barrel was turned toward his head it looked like a case of attempted suicide and the officers promptly seized him and took the revolver from him. The people were notified that the man had cartridges into a thirty-two revolver. He was arrested charged with carrying concealed weapons. He gave no name when arraigned today, but paid no guilty. Harry Shanton, who was arrested a few days ago on a charge of drunkenness and sleeping in the street, was not arraigned in police court this morning. At an early hour this morning the jailer and Chief of Police Smith knocked on the door of his cell, but they could not waken him. He had answered a summons to be arraigned at 10 o'clock, but he had not been wakened. He was supposed to be heart disease. He was a well known character in the city for many years ago he was at the Black Hills, while there married a pretty Cornish girl. He was considered far above the average in intelligence, and a smart man until he fell into drink. He ran a restaurant and billiard hall in the Black Hills. Later he worked on a newspaper in Deadwood and afterward worked on the paper in Butte. Whether he was the better of him, and during the past few years he has been a confirmed sot. He was about 35 years of age.

A BIG BARGAIN.—In a surveyed and platted addition to Butte, patented quartz claim title, within the city limits. Evans, Nichols & Co., 62 East Broadway, Butte. The body of Shanton was taken to the morgue, and coroner's inquest was held this morning, and the verdict was that he came to his death from drink and dissipation. His brother in Deadwood has been telegraphed to in order to ascertain what shall be done with his body. Something new turned up in the case of John Sands, who is in jail awaiting trial for obtaining \$30 on a certificate of deposit which is in the name of John Danter. The certificate was issued by the First National Bank, of Pocatello. Today Chief of Police Smith received a telegram from Danter, saying that he would be in Butte to-night or early in the morning to appear against Sands.

Thomas Stewart, arrested last night on a charge of rape, was arraigned at 2 o'clock this afternoon. He asked time in which to make his plea and was given until next Thursday afternoon at 2 o'clock. His bonds were fixed at \$250. George Blinn, president of the Society of Stationary Engineers of Butte, was married in Helena on Friday by Judge Howey to Miss Annie Breen of Minneapolis. Miss Birdie Shaw, one of the brightest students in Deer Lodge college, is visiting her parents in this city. Geoff Lavallee has a valuable St. Bernard dog 22 months old which weighs 157 pounds. The dog was imported from Germany by Mr. Lavallee at a cost of about \$5,000. It is a magnificent specimen of that noble breed of animals. The men who quit work upon the sewers a few days ago because they were notified by the contractors that their wages were only \$2.50 per day, have gone back to work, the contractors agreeing to pay \$3.00 hereafter. The fine new block of brick stores built by Messrs. Lavalle Bros., on east Park street, is nearly completed. Mr. Campbell has moved into the store on the west end of the block and is busy arranging his large stock of drugs, books, stationery, etc.

A NEW ADDITION.—A chance to double money in a short time by purchasing a well situated addition to Butte within city limits at a bargain. Evans, Nichols & Co., 62 East Broadway, Butte.

Police Court Pickings. BUTTE, Sept. 28.—At police court this afternoon David Hogan, charged by Maggie Doyle with assault and battery on West Park street, plead not guilty and examination was set for 5 p. m. on Thursday; James Marel, for threatening to draw a gun and disturbing the peace on Wyoming street, trial set for same time; Walter Peckery, for disturbing the peace, same disposal; John McDonough, malicious mischief same same disposal; John Connee, fighting, plead guilty and was fined \$5 and committed; John Doe, the Chinaman arrested for using indecent language and insulting Annie White and Bella Jackson, was discharged; John Whalen, arrested for fighting, case dismissed; Dennis Lynch, arrested for fighting, fine of \$5, paid.

NO FAITH IN THE CREED

Republicans of Butte Loth to Back the State or County Ticket.

The Democrats Have Them on the Hip and They are Willing to Admit it—Other Political Gossip.

Special to the Standard. BUTTE, Sept. 28.—Bets on an election are usually considered as an indication of the result. Thus far in the present election but comparatively few bets of any importance have been made by the sporting fraternity of Butte. A reporter of the STANDARD today obtained a partial list of bets that have been made or offered in this city. It would appear as if but few republicans care to back their candidates as a body, if they bet at all. They single out some particular candidate and back him against his opponent without reference to the balance of the ticket. Joseph K. Toole is a great favorite and no bets can be obtained against him unless enormous odds are given, or he is backed in conjunction with some other democrat who is considered a much weaker candidate. Maginnis is also a favorite, and scores of moneyed men here are looking for a chance to put up money upon his election. There are few takers, however, as Mr. Carter is not regarded as being as strong a candidate now as he was even two weeks ago.

But little is heard of the balance of the state ticket, though the friends of Toole and Maginnis are, of course, willing to wager that the democrats will win all down the line. A few small bets have been made upon the result of the county ticket, the democrats in most cases giving odds. In the early part of the week a few wagers were laid that the democrats would elect a majority of the county ticket in Silver Bow. But during the last few days even by offering big odds the democrats are unable to secure any more such bargains. Almost every person one meets now concedes a victory for the democracy in Silver Bow. Mr. W. J. Penrose immediately offered that in addition to carrying Silver Bow for the county offices the democrats will also obtain a good majority in this county for the state offices.

In fact if the betting has been light thus far in this campaign it is because the democrats are unable to obtain takers. A STANDARD reporter today heard Mr. J. W. Barker of Anaconda, a staunch republican, offer to bet that Butte would go republican and that Carter would beat Maginnis. Mr. W. J. Penrose immediately took up Mr. Barker's challenge and offered him an even thing on both propositions as high as \$200, but Mr. Barker flunked. He wouldn't bet on Carter if given heavy odds, and he wouldn't bet on Butte, that he first asserted would go republican by several hundred. Sol. Levy of the Sibley saloon has bet \$500 that the democrats will elect more men on the Silver Bow county ticket than will the republicans. The bet was even up and Sol. thinks he has a cinch.

W. J. Penrose bet \$100 even with L. H. Herschfield of Helena that Maginnis would have a majority in Deer Lodge and Silver Bow counties. Dennis Breen bet \$250 with various republicans in Walkerville that Eugene Sullivan will be elected sheriff. John O'Hearne bet \$250 against \$500 of Mike O'Farrell's money that he would be elected. A prominent democrat put up \$20 even with Wm. Gallick that Maginnis will win. The same man also bet \$20 with Wm. Gallick that Toole will be the first governor of the state of Montana. A prominent democrat of Helena has wagered \$800 against a republican syndicate's \$300 that Maginnis will defeat Carter.

Larry Manning has backed Eugene Sullivan for sheriff for \$100. Pat Conlon took the bet. Joe LaChapelle, barber, bet \$7.50 to \$5 that Maginnis will be elected. Rod Leggan offers to bet \$250 that the majority of the democratic candidates on the Silver Bow county ticket will be elected.

The proprietor of the barber shop on the corner of Park and Wyoming streets has backed Toole and Maginnis for \$50. Joe J. Whalley, a republican, has wagered \$20 even on Maginnis and another \$20 on Toole. Perrin Irvin covered one twenty and Hathaway the other, each bet on the democrats. Irvin refused to bet on Butte, that he first asserted would go republican by several hundred. Sol. Levy of the Sibley saloon has bet \$500 that the democrats will elect more men on the Silver Bow county ticket than will the republicans. The bet was even up and Sol. thinks he has a cinch.

It is said that a number of Walkerville republicans have put up a lot of money on John E. Lloyd for sheriff. "Yank," a well-known man in this place, has frequently offered odds to put up \$100 even on Maginnis, but can find no taker. Judge Herbert, of Walkerville, told a STANDARD reporter that he had bet \$100 on Carter with Mr. Harrington of Walkerville. The judge says he has \$150 more which he will put up on John Lloyd for sheriff, or Carter for congressman. James H. Lynch bet \$200 even up against a like amount put up by a tailor named McConville. Lynch bets that Toole beats Power.

A democrat bet a republican \$30 to \$20 that said republican couldn't pick out six winners on the whole republican ticket. The money was put up. The republican sat down to pick out his six men. He studied three-quarters of an hour and he begged off and was allowed to draw his bet. Two clerks in the Bonner Mercantile Co.'s store bet \$25 each on the state ticket should elect the most of its candidates, from the governor to county commissioners.

John H. Curtis, of Curtis & May, was coming in on the train from Deer Lodge yesterday when a gentleman of the republican persuasion was loudly offering to back the republican state ticket for any reasonable amount. Mr. Curtis took the matter up and offered to bet \$1,000 to \$500 that the democratic candidate for governor would win. The republican would not bet.

In the California Brewery saloon bets can be obtained on the majority of the whole democratic ticket at odds of \$100 to \$75. About a dozen wagers are being offered in various other saloons and gambling places in favor of the democracy. It is likely that betting will be more lively from now till the day of election than it has been thus far in the campaign.
