

IN SOCIAL CIRCLES

INTEREST in society circles this week is centered in the prospective leap year ball which was planned for New Year's night, but owing to the elaborate arrangements could not be hurriedly carried out, and was finally postponed indefinitely. Still the ladies expect to complete their plans and carry them out this week or next on a grand scale. A meeting for the purpose of considering the details of the ball will be held at the Montana hotel parlors on Tuesday afternoon at 3 o'clock.
