LOST ONLY ONE GAME

The Coast Campaign of the Butte Team Comes to an End.

SEATTLE DEFEATED, 6 TO 2

In Another Field of Thin Mud—A Few Rounds of Slugging Enhance the Interest—The Boys Coming Home.

Special Dispatch to the Standard.

Seattle, Wash., Jan. 4.—Butte's football team finished its schedule of games on the coast this afternoon by defeating the crack Seattle team by a score of 6 to 2, in a game that was full of mud and excitement. The grounds were from four to eight inches deep in thin mud and the game was played in a heavy rain storm. Nearly a thousand people braved the elements, however, and watched the struggle from underneath an undulating sea of umbrellas. The conditions could not have been more unfavorable for Butte and it was only by the hardest kind of playing that they escaped defeat. The Seattle Athletic club has by far the strongest team in the Sound country and their being accustomed to a wet ground and a slippery ball had Butte at a great disadvantage. The conditions were such that end runs were out of the question and the game was nothing more than a succession of line bucking. Butte's line was equalized by the ease with which the Seattles accustomed themselves to the sloppy grounds, and it was anybody's game up to the last minute. Everything considered, the Buttes put up a good game and they played well together. Hartzell did most of the line bucking and McMillan and Slater bucked the line successfully. Hartzell was not so successful as usual on account of being unable to secure a footing and on account of being crippled, but he made good short gains nearly every time he had the line and once nearly got away to a touch-down. Butte scored her first touch-down a moment before the end of the first half. They bucked the ball 65 yards and Hartzell carried it over and then kicked a goal in fine style. The Seattles went into the second half determined to at least tie the score and they came very near doing so. They carried the pigskin to Butte's 10-yard line where the visitors got it on downs. They were unable to make any gains and the ball was passed back to Lasswell for a punt. He fumbled it and the Seattles were almost on it when Hartzell snapped it up and made a safety, which gave Seattle two points. Butte then rushed the sphere to Seattle's 10-yard line, but were unable to get it behind the posts. The Seattles then took it back down the field and Abrams carried it through the line and started for Butte's goal from near the center. Lasswell alone was in front of him and he redeemed himself and saved the game by bringing the runner down. The Seattles continued to make short gains until they reached Butte's five-yard line, where they struck a stone wall and lost the ball on downs. Butte carried it back rapidly and it was in Seattle's territory when the whistle blew. The Seattles were extremely well satisfied to score against the Buttes and keep the score down and the Montanans were well satisfied to win such a hard game against big odds. King was ruled off for slugging "Spot" Donnelly and a moment later Donnelly was ruled off for the same offense.

The Port Townsend game has been cancelled as the team would lose \$300 or \$400 by going there and the Buttes will leave for home to-morrow afternoon, arriving there Monday night.

By Associated Press.
Seattle, Wash., Jan. 4.—In a sea of mud and water, the Butte football team defeated the Seattle eleven today by a score of 6 to 2, after one of the most stubbornly fought battles ever witnessed in the Northwest. It was a game of sensations in which Seattle players took the leading part, with the exception of McMillan, ex-captain of the celebrated team, who bore the brunt of battle for the mountaineers. Owing to an injury received in the Portland game on New Year's day, Gillis, the swift half-back, was unable to take part. However, whatever loss this may have been to Butte, the ruling off of Donnelly after five minutes of play was a far greater loss to Seattle. Carl, the Stanford guard, who played left half-back for Seattle, was the hero of the game, but McMillan, who seemed to be the only Butte man capable of making gains through Seattle's strong line, came in for a large amount of praise.

The board of school trustees held an adjourned meeting last night for the purpose of considering some matters that were passed over from the last meeting, but owing to the absence of Chairman Calderhead nothing was done and the matter will be taken up at the next meeting of the board. The diphtheria question was further discussed, and arrangements were made for the grade graduating exercises which will take place shortly. A number of bills were allowed and the board adjourned to meet again next Saturday evening.

A Week of Prayers.
The evangelical churches of Butte will observe the week of prayer this week by holding union meetings every evening at the Church of the Disciples, corner Washington and Mercury streets. The services will begin promptly at 7:30 o'clock with a half hour's song service. The leaders for the different evenings will be as follows: Monday, Rev. J. H. Spencer; Tuesday, Rev. I. N. Roberts; Wednesday, Rev. William H. Hicks; Thursday, Rev. William Rollins; Friday, Rev. C. W. Poole; Saturday, Rev. S. B. Taber; E. J. Groeneveld, chairman.

Jim Lums, the Swiper.
Jim Burns last evening swiped two bundles of laundered shirts from the C. O. D. steam laundry wagon while the driver was making a delivery in East Park street. Some boys saw the act and told Officer Baldiero, who caught him and placed him behind the bars.

Card of Thanks.
Mr. and Mrs. Richard Trembath extend their heartfelt thanks to their many friends, who assisted them in the last illness of their daughter, Lizzie. Mr. and Mrs. R. Trembath.

"SNOWSHOE" IS CLEAR.

He Killed His Own Elk and That is All Right, According to the Statutes.

O. E. Johnson, known as "Snowshoe" Johnson, was tried before Judge Turner yesterday on the charge of killing elk. Johnson admitted killing the animal, but proved by a number of witnesses that the elk were his own property, raised by him. Johnson said he used to catch the young elk by putting on snow shoes and running them down. The court concluded that the law does not cover a man killing elk raised and owned by himself and discharged the prisoner.
