IS BACK FROM AFRICA

Cullom Made the Circuit of the Continent.

QUEER SIGHTS HE SAW

The Beautiful Island of Zanzibar-The Feast of Mohammed-Astounding Poverty of Naples-Mining in Transvaal.

Harvey H. Cullom, one of Butte's mining men of years standing, and a candidate for lieutenant governor of the state a few years ago, arrived back in Butte yesterday from South Africa, where he has lived since December of 1896.

"I left Johannesburg on June 27," said Mr. Cullom yesterday, "and came up the east coast. So that since I have gone I have seen most of the world and have made the complete circuit of Africa. I was at Delagoa Bay on July 4. The feeling was not friendly towards us there, but I wore the American flag ashore and had no trouble. But it was evident they had no love for us. I traveled on a Dutch East African liner named the Herzog and was 42 days on her. We went up the east coast and through the Red sea, the Mediterranean and the Suez canal. We stopped at Zanzibar and Aden and other places for a few days each. I called on the American consul at Zanzibar, John E. Bellheimer. He is very glad to have Americans drop in on him. The sultan swears to me that he is friendly towards us, but the consul got an order and we had a fine open barouche and rode 21 miles into the island. It is one of the most beautiful places I ever saw, filled with coconuts, bananas and clove plantations. I saw Tipoo Tib and the sultan. I saw the ruins of the sultan's palace, which was reduced to ruins in 35 minutes by the British men of war. I dug a cannon ball out of the ruins and have brought it back with me.

"It was very hot in the red sea, from 120 to 140 degrees above. At Port Said I saw one of the greatest sights. It was the commencement of the feast of Mohammed. There were 20,000 natives, all dancing at once, in white gowns and red fezes. I had a splendid seat right behind the high priest. There were four rows of the dancers extending for a quarter of a mile and making all sorts of contortions. Every few feet there would be chanters for the dancers.

"Our boat stopped a day at Naples and we saw the poverty of that city. It is astonishing how the people live. We had a good view of Vesuvius and went through Pompeii.

"The war has made a great difference in the feeling towards us in foreign countries. When I went to South Africa I couldn't see an American flag anywhere. But now you can see it displayed in almost every place. We saw it in the Portuguese possessions, in Italy and in Holland and in England it was displayed in nearly every shop window. I was 80 days getting here. Johannesburg is not nearly so good a place as it used to be. The mines now

WRIT OF HABEAS CORPUS

Filed in the District Court by Frank Kingsbury.

A CHARGE AGAINST CARR

He is Accused of Receiving Stolen Property—Judge Lindsay Listens to Proof in Two Divorce Cases. Decrees Granted.

Frank Kingsbury, the young man who was arrested on Sunday by Detective Murphy on a charge of embezzlement made against him in South Dakota, yesterday filed a petition in Judge Lindsay's court for a writ of habeas corpus.

He alleges that he is unlawfully restrained of his liberty in the city jail by Chief Mulholland. Judge Lindsay issued an order setting the matter for hearing at 10 o'clock this morning.

County Attorney Stapleton filed an information against Phil Carr, charging him with receiving stolen property. Carr was arraigned before Judge Lindsay and was granted until this morning to plead.

Judge Lindsay yesterday afternoon heard the proofs in two divorce cases and granted decrees in each. The first case heard was that of Emma Hopkins against Charles Hopkins. The plaintiff testified that she married the defendant on December 30, 1894, at Elkhorn, Jefferson county. Her husband is a butcher and she said he conspired her to do a man's work about the shop and made her go 30 miles on a cold winter's day to drive in a lot of cattle and he also made her herd cattle without providing her with sufficient clothing to keep warm.

He also threatened to kill her because she would not obey him with a friend, and then she left him. She worked as a dining room girl since and earned \$15 a month and her husband tried to collect her wages. A lady friend corroborated Mrs. Hopkins' testimony and she related incidents about Hopkins' meanness. He discovered that his wife had 10 cents and he demanded it. She had spent it, however, and he scolded her for it.

The other case heard was that of Mary A. Dunbar against James H. Dunbar. They were married at Newcastle, Dec. 5, 1896. The defendant never worked and did not support his wife, and in April, 1897, he left her.

The clerk of the court has in his office a large number of naturalization papers and copies of declarations of intention, which have been sent for from different places at the request of various persons. The papers have never been called for. The persons who are entitled to them are: Mark Anderson, John Barzika, James Connors, Frank Combs, Thomas Coughlin, Joseph Devitt, H. J. Hinricks, Anti Hanson, James Hoolahan, Robert Howatson, Albert King, John Kontelko, Sven Larson, Patrick Mullin, Daniel Money, John McKenna, Alexander McPhail, Thomas McLaughlin, James McManus, John O'Neil, William Old, Francis Perrett, Robert Robinson, Thomas G. Roberts, John S. Schmidt, John Schneider, Michael Sullivan, George Fallon, William J. Walsh and Henry Wood.

William H. Albright has commenced an action in the district court against Maggie E. Albright for divorce on the ground of desertion. He says in his complaint that they were married at Chicago, Ill., Sept. 10, 1873, and have neither property nor children. Some time during 1897, the defendant, without cause, deserted the plaintiff. Albright is a resident of Dillon.

The petition of F. Aug. Heinze to be appointed administrator of the estate of James Larkin, deceased, was to have been heard by Judge Lindsay yesterday, but the matter went over until this morning because Clara Larkin, daughter of the deceased, filed a request for leave to withdraw her consent to the appointment of Mr. Heinze. J. J. McHilton, Heinze's attorney, objected to the withdrawal, and the matter was continued until to-day for hearing.

PAPERS GRANTED.

Many Applications for Naturalization Before Judge Lindsay.

Judge Lindsay yesterday held a session of court, but the day was devoted mostly for hearing applications for naturalization papers and he will hold court again for that purpose. Those who were granted papers yesterday were: E. Rainville, Charles B. Day, Martin Jaysiak, Joseph Styer, John Krasovic, Frank Bajok, James O'Rourke, Michael Roddy, Pat Leehan, Patrick O'Donnell, William H. Tredrea, John Crawford, Patrick Fladey, Mitchell Catich, Mike O'Leary, Timothy Fogarty, Denis Walsh, Dennis J. Casey, Phil Crowley, Michael O'Neil, Andrew Hogan, Pat Kohane, Peter Harrington, John Wall, James M. Brennan, Mike Riley, Pat Shea, John Owens, Hugh McKenna and Richard Mackay.

Several laughable incidents occurred during the examinations of applicants. "Hold up your hand and be sworn," said Clerk Leonard to one. The man didn't seem to understand and the clerk repeated "hands up." The applicant thrust his hand into his pocket and brought forth two bits, which he handed to Mr. Leonard. The man afterwards explained that he thought the clerk wanted him to hand up a fee, and he only had 25 cents with him.

COUNTY COMMISSIONERS.

Teamsters' Union Ask for a New Scale of Wages.

The county commissioners yesterday received a communication from the teamsters' union, making the request that the county adopt the schedule of wages now alleged to be the custom in the city and county, which is \$6 a day for a team and driver. The union's communication says \$6 a day is no more than just, owing to the fact that feed and blacksmithing bills come high. "We figure that at this rate a teamster earns barely \$3 a day, the same as a common laborer, and has but a short season and little work." The county has been paying \$5 a day and the commissioners say they are not allowed to pay more under the law as set forth in section 2,666 of the political code, which reads as follows:

"The supervisor may procure from any resident of his district a team of horses, mules or oxen, and wagon, cart, scraper or plow to be employed or used on the roads under his direction, and must allow such person a reasonable compensation therefor, not to exceed \$5 a day for the use of such team, wagon, cart, scraper or plow and driver."

The commissioners, however, referred

the teamsters' communication to the county supervisor.

A citizen of Meaderville called on the board yesterday and made a plea for Mrs. Joseph Lanyon, a widow with four children, who, he said, were in destitute circumstances and were suffering for the common necessities of life. Mrs. Lanyon's husband died several months ago and was buried by the Miners' union. Since then Mrs. Lanyon and her children have been receiving aid from the county, but recently some officious person went to the auditor and told him that Mrs. Lanyon was not a worthy object of charity and that she had lots of money. On that information, it was represented to the commissioners the auditor cut off her allowance, and put for the assistance of the auditor and neighbor the family would have suffered from hunger. Mrs. Lanyon says she hasn't got a cent to her name. The commissioners referred the complaint to Auditor Davies.

The commissioners instructed the county treasurer to accept from W. H. Blodgett \$50 as payment in full for taxes and penalties on seven lots in the city of Butte addition for the years 1893 to 1897, inclusive.

J. W. Miller, a Meaderville justice of the peace, petitioned the commissioners for a 30 days' leave of absence from the county. The request was granted.

Leased to Campbell. H. L. Frank has leased his string of race horses to Trainer John Campbell, who so successfully handled the runners this season at the Montana and Idaho City handicaps at Anaconda. Mr. Campbell left Saturday with the horses and the first start will be at Harlem, where the phenomenal colt Mallakwa will start in the \$25,000 steeplechase. At a later date the string will be sent to the Copeland City handicap at Anaconda, will contest the rich Brewster's stake at Linton. The string is composed of Mallakwa, Senator Bland, Owyhee, El Dorado, Imp, Missioner, El Imp, J. B. Root and a 2-year-old colt from the Ebleberg farm, a half brother of Marletta, not yet named. Mr. Campbell will not extensively race his string this winter.

Will Send a Delegate. Madrid, Sept. 19.—The queen regent has replied to the circular of Count Muraviev, the Russian foreign minister, proposing a reduction of the excessive armament of the czar's army. Her majesty praises the czar's project and promises to send a delegate to the proposed disarmament conference.

It is stated that Senor Ojeda, Spanish minister to Morocco, will be appointed secretary of the peace commission. Senor Montero Rios, president of the senate and president of the peace commission, was been in conference to-day with the queen regent.

Changes of Station. Washington, Sept. 19.—The war department received orders this afternoon for a number of changes of station among the cavalry regiments of the regular army. The changes made are as follows: Seventh cavalry from department of Colorado to Huntsville, Ala.; 8th cavalry is ordered from Montana to the department of Colorado. The 2nd cavalry is ordered from Montana to the department of Dakota. The 5th cavalry, now in the department of Dakota, is ordered to Huntsville for service under Major General Wheeler.

Boundaries Changed. Washington, Sept. 19.—The president today signed an order altering the boundaries and area of the Black Hills forest reserve in South Dakota. A portion of the reserve was unsuited for timber growing and this has been excluded and a large tract, extending into Wyoming, 45,000 acres, has been added to the reserve. This action was taken at the solicitation of the people living in the vicinity of the reserve.

Rough Riders Tournaments. New York, Sept. 19.—It was decided today at a meeting at the Hoffman house between three women representatives of the National Relief league and about 20 Rough Riders, that the Rough Riders should hold a tournament in New York or Brooklyn in lieu of the recently proposed parade, which fell through. The proceeds will go to the sick soldiers in all parts of the country and in Cuba.

Death of Sir George Gray. London, Sept. 19.—The death is announced of the Rt. Hon. Sir George Gray, aged 68 years.

A woman's attractiveness in the eyes of man depends largely on her physical appearance. Nature, in order to give the guides, guided by the instinctive preference for a mate who is physically sound and wholesome.

If intellect alone were chiefly sought, the offspring might be a generation of Solomon for wisdom, but they would perish in infancy for want of physical stamina. A weak or unhealthy woman is unfitted to fulfil her part in perpetuating the race; it is unequal to the demands of motherhood she is robbed of her natural womanly attractiveness.

Many a woman is cheated of life's choicest gifts by a dyspeptic, life-poisoned condition of the system, which shows itself in a sallow skin, sallow complexion, tainted breath, or thin, ungraceful form.

The most perfect remedy for all the morbid symptoms of mal-nutrition and impure blood is Dr. Pierce's Golden Medical Discovery. Through its remarkable effect upon the liver and digestive organs it sweeps all impurities out of the system and creates a fresh supply of new, rich, life-giving blood.

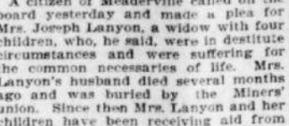

It gives clearness and bloom to the complexion; sweetens the breath; rounds out the face and form, and invigorates the entire constitution with vital energy. It restores the invincible beauty of wholesomeness and womanly capacity.

"I was a complete wreck; appetite gone, nervous system impaired, could not stand on my feet ten minutes," writes Miss Ella Bartley, of No. 2136 South Grant Avenue, Columbus, Ohio, who weighed 85 pounds when I commenced taking Dr. Pierce's Golden Medical Discovery. After I had taken a half bottle I began to improve; could eat sensibly the whole night, and would awaken with an appetite for breakfast, which was a rare thing as I never had for two years.

"I now have an excellent appetite, and my friends say they never saw me looking better or in better spirits since Pierce's Discovery."

In all cases of obstinate constipation, the "Discovery" should be supplemented with Dr. Pierce's Pleasant Pellets.
