### "SMOKER"

At the regular meeting of the Trades and Labor Assembly Tuesday

night a part of the bills against the assembly in connection with the Labor Day celebration were presented and allowed warrants being drawn on the treasurer for the payment of same. The meeting then adjourned and the delegates proceeded to enjoy a "smoker," which was, to say the least, a decided success. Cigars and "wet goods," winnings of the participants in the tug of war and climbing the greasy pole, were donated to the occasion and those present proceeded to thoroughly enjoy themselves. The delegates repaired to their homes feeling that the evening had been enjoyably spent, and perfectly satisfied with the finale of our Labor Day celebration.

### Notice.

All persons holding bills against the Trades and Labor Assembly for material used on Labor Day are hereby notified to present said bills for payment to the financial secretary on or before Tuesday, Sept. 20.

ADAM HADALIN,

Financial Sec'y.

By order of the Trades and Labor Assembly of Havre.
