AFTER THE PACKERS

PRESIDENT ROOSEVELT SEEKS TO HAVE INDIVIDUALS PUNISHED.

Chicago, April 11.—President Roosevelt has once more taken a personal hand in the prosecution of the packers, according to the Chicago Chronicle, and the result is apparent in a resumption of activity on the part of the local federal officials. It has been announced that the effort to punish the packers as individuals is to be renewed with promptitude and vigor.

This is under direct instructions to District Attorney Morrison from the president and Attorney General Moody. Attorney Morrison has been directed to proceed against the packers under the injunction of Judge Grosscup of the United States circuit court and also to seek new indictments before the next federal grand jury. The government agents are now at work securing information which is to be used as a basis of complaint before the grand jury next month. This evidence, it is said, will sustain a charge by the government that the packers as individuals have violated the injunction of Judge Grosscup. Several railroad officials have responded to questions put to them by government agents and the information secured from the railroad men together with information volunteered by former and present employees of the packers, was declared by one of the federal officers sufficient against the packers.

TRY TO LYNCH A NEGRO.

New Yorkers Enraged at His Attack Upon a Woman.

New York, April 11.—Infuriated by a brutal assault by a negro at night on Miss Isabel Oliver, a resident of Alabama, passengers on a Ninth avenue elevated train made a desperate attempt to lynch the negro, who was only rescued when a policeman fought his way into the car and held the crowd at bay with his revolver. Miss Oliver was holding to a strap when the negro lurched against her. She requested him to be more careful and he struck her in the face, splitting her nose, blackening both her eyes and knocking her down.

Men rushed on the negro, raining blows on him and shouting "lynch him." The negro managed to defend himself until a station was reached, when a policeman boarded the car and after a hard fight dragged his prisoner out. In the stationhouse Miss Oliver sprang at the prisoner and attempted to stab him with a hat pin.

ELECTIONS IN NEBRASKA.

Local Issues Involved and Results Are Very Much Mixed.

Omaha, April 4.—Elections were held in all the cities and towns of Nebraska during the day except Omaha and Lincoln, which operate under special charters. In this city primary elections to choose tickets to be voted for next month were held by the Republican, Democratic and Socialist parties. The only straight partisan contest in the state was in South Omaha, where Thomas Hoctor, for mayor, and the whole Democratic ticket was elected. The present city administration is Republican.

Local issues only were involved in most of the towns, the license question being most common. The results are very much mixed.

E. A. Benson has won the Republican nomination for mayor of Omaha by large pluralities over his three opponents. The Democratic nominee is J. C. Dahlman and the Socialist candidate is C. F. F. Michelsen.

SCHANDEIN WILL CASE.

Three Contesting Heirs Receive Half a Million Dollars Apiece.

Milwaukee, April 11.—The Milwaukee Journal says the settlement of the Schandeln will contest consists of the payment by Mrs. Clara S. Heyl (the principal legatee under the will attacked) of \$500,000 each to Emil Schandeln, Mrs. Ella Schandeln Frank and Erik Heyl, the three contesting heirs.

These payments are to be made in trust and represent roughly one-third of the estate which was left to Mrs. Heyl by her mother's will. The contesting heirs are to receive these amounts in addition to the portions awarded them under the will. The provision made by the will for Emil and his sister, Mrs. Frank, was a life income on certain real estate estimated in value at \$600,000.

The property included in the new trust agreement is to go to Mrs. Schandeln and children, if any, in case of the demise of the husband, Emil.

Big Brick Building at Pittsburg Collapses.

Pittsburg, Pa., April 11.—One person was killed and two others were slightly injured in the collapse of a five-story brick building here during the day. The victims were laborers. The upper two stories had been dismantled, when the remaining three floors fell with a crash.

The ruins were completely overhauled during the afternoon without further bodies being found and at night the contractors announced that all the men had been accounted for.
