

Blood Humors

Commonly cause pimples, boils, blurs, eczema or salt rheum, or some other form of eruption; but sometimes they exist in the system, indicated by feelings of weakness, inactivity, loss of appetite, or general debility, without causing any breaking out.

Hood's Sarsaparilla expels them, renovates, strengthens and tones the whole system. This is the testimony of thousands annually.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The Watch-Dog in your Vest Pocket

YOU can buy Health Insurance now.

Several good "Accident" Companies sell it. Sixty dollars per year will bring you \$25.00 per week, for every week you are Sick.

But, your time alone may be worth far more than that. And \$200 per week might not pay for your suffering.

That's why "Cascaret" Insurance which prevents Sickness, is worth ten times as much money as other "Health" Insurance.

Yet "Cascaret Insurance" will cost you less than Ten Cents a week.

That gives you a "Vest Pocket" Box to carry constantly.

"Indigestion" means food eaten but only partially digested.

"Constipation" means food retained in the body undigested too long, till it decays. It then supplies the poisons of decay to the system. In place of the nourishment it might have supplied.

Isn't that a tremendous handicap worth insuring against?

What does it cost to Cure Constipation or Indigestion, with their train of small and great ills, and to insure against a return of them?

Not so very much. One 10 cent box of Cascarets per week, at most, perhaps half that.

One candy tablet night and morning, taken regularly for a short time, is warranted to cure the worst case of Constipation or indigestion that walks the earth.

One tablet taken whenever you suspect you need it will insure you against 90 per cent of all other ills likely to attack you. Because 90 per cent of these ills begin

in the Bowels, or exist through poor Nutrition. Cascarets don't purge, don't weaken, don't irritate, nor upset your stomach. No,—they act like Exercise on the Bowels, instead.

They stimulate the Bowel-Muscles to contract and propel the Food naturally past the little valves that mix Digestive Juices with Food.

They strengthen these Bowel-Muscles by exercising them.

The time to take a Cascaret is the very minute you suspect you need one.

—When your tongue is coated a little.

—When your breath is not above suspicion.

—When your head feels dull, dizzy, or achy.

—When you have eaten too heartily, or too rapidly.

—When you have drunk more than was good for your digestion.

—When you have a touch of Heartburn, Gas-belching, Acid-rising-in-throat, or a Coming-on-Cold.

Carry the "Vest Pocket" Box where it belongs, just as you would your Watch, Pocket-knife or Lead-pencil. It costs only 10 cents. At any drug-gist.

Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "CCC."

Railroad Figures on Number of Refugees.

According to official figures the Southern Pacific Company, during the exodus from San Francisco following the earthquake and the great fire, carried 300,000 free passengers. This total is for the nine days from April 18 up to and including April 26. Of these passengers, 67,000 were carried to interior California points, 7684 to other states, and 226,000 to suburban points around San Francisco bay.

This is only the movement from San Francisco, figures as yet not having been computed on the free transportation from Santa Rosa, Vallejo, Sacramento and Stockton.

Men and Women of Every Occupation Suffer Miserably From Kidney Complaint.

J. C. Lightner, 703 So. Cedar St., Abilene, Kansas, is one of the thousands who suffer from kidney troubles brought on by daily work.

"I first noticed it eight or ten years ago," said Mr. Lightner. "The dull pain in the back fairly made me sick. It was hard to get up or down, hard to straighten, hard to do any work that brought a strain on the back. I had frequent attacks of gravel and the urine was passed too often and with pain. When I used Doan's Kidney Pills, however, all traces of the trouble disappeared and have not returned. I am certainly grateful."

Dyspepsia is Often Caused by Catarrh of the Stomach—Peruna Relieves Catarrh of the Stomach and is Therefore a Remedy for Dyspepsia.

Hon. M. C. Butler, Ex-U. S. Senator from South Carolina for two terms, in a letter from Washington, D. C., writes to the Peruna Medicine Co., as follows:

"I can recommend Peruna for dyspepsia and stomach trouble. I have been using your medicine for a short period and I feel very much relieved. It is indeed a wonderful medicine, besides a good tonic."

CATARRH of the stomach is the correct name for most cases of dyspepsia. In order to cure catarrh of the stomach the catarrh must be eradicated. Only an internal catarrh remedy, such as Peruna, is available. Peruna exactly meets the indications.

MINING NOTES.

The leaching plant of the Snow-storm at Mullan, Idaho, will be ready in 30 days. This plant will treat the vast quantity of low grade copper ore.

A three drill Ingersoll compressor and a 60 horse power motor are being installed on the Great Western Mining company, two and a half miles northeast from Burke, Idaho. An electric power line is being built from there to connect it with the Washington Water Power line.

At the Kendall mine near Lewiston, Mont., on the 600 foot level an immense and entirely new body of ore assaying \$20 to the ton is reported. It proves to be of greater extent than was at first supposed. Competent mining men say that it will add 25 per cent to the value of the property.

The railway commission of Canada, has granted a concession for the first railroad to be built in the Klondike region. The road will start at Dawson City and will run into the regions that are now only reached by dog sleds. It is proposed to have 30 miles of the road in operation within six months.

The late discoverers of the old Lost Cabin mine, near Roselake, Idaho, B. W. Dixon and William Mettler, are enthusiastic over the showing made by their claim and are confident that they possess a great future wealth producer.

Judge Lynn of the Thurston county, Washington, superior court has appointed George P. Cragin as receiver for the Great Western Coal company, operating at Tenino. The appointment was made on petition of Willard P. Hindman of Happy & Hindman, Spokane, who claim the company is more than \$50,000 in debt, \$30,000 of which is unsecured. The Great Western Coal company is financed by Spokane men.

The Center Star, War Eagle, Le Roi and Le Roi No. 2, at Roseland, B. C., have been successful in locating ore bodies by means of diamond drills. The Jumbo and the Whitebear are now arranging for some extended exploratory work with diamond drills. In the latter operations begun with the drills Monday and in the former a few days later.

MEN IN PARIS WEAR CORSETS.

Are Called a "Shaped Belt" and Are Quite Popular.

Men's Wear declares that the demand for shaped belts by the men of Paris is increasing, and that many doctors are now recommending these supports for the manly figure. The belts, which are akin to corsets, are being taken up by hosters, and in one case a well known firm of specialists in underwear supplies a shaped belt scientifically cut and applied. Corpulency and the lapse of the chest, it is claimed, can be avoided by the use of these belts, while men who have to stand long derive great benefits from them, finding that they support the body just where support is naturally needed.

RHEUMATISM

ALMOST AS COMMON IN SUMMER AS IN WINTER.

While the damp, cold, changing weather of Winter intensifies the pains and other disagreeable symptoms of Rheumatism, it is by no means a winter disease exclusively. Through the long months of Summer its wandering pains and twitching nerves are felt by those in whose blood the uric acid, which produces the disease, has accumulated.

Rheumatism is a disease that involves the entire system. Its primary cause results from the failure of the eliminative organs, the Liver, Kidneys and Bowels, to carry out of the system the urea, or natural refuse matter. This coming in contact with the different acids of the body forms uric acid which is taken up and absorbed by the blood. This acid causes fermentation of the blood, making it sour and unfit for properly nourishing the body, and as this vital stream goes to every nook and corner of the body, the poison is distributed to all parts. The nervous system weakens from lack of rich, pure blood, the skin becomes feverish and swollen, the stomach and digestion are affected, the appetite fails and a general diseased condition of the entire system is the result.

Not only is Rheumatism the most painful of all diseases, with its swollen, stiff joints, throbbing muscles and stinging nerves, but it is a formidable and dangerous trouble. If the uric acid is allowed to remain in the blood, and the disease becomes chronic, chalky deposits form at the joints, and they are rendered immovable and stiff, and the patient left a helpless cripple for life. Every day the poison remains in the system the disease gets a firmer hold. The best time to get rid of Rheumatism is in warm weather; because then the blood takes on new life and the skin is more active and can better assist in the elimination of the poisons. With the proper remedy to force the acid out of the blood, and at the same time build up and strengthen the Liver, Kidneys and other organs of the body, Rheumatism can be permanently cured. External applications relieve the pain and temporarily reduce the inflammation, and for this reason are desirable, but they cannot have any effect on the disease. The blood is poisoned and the blood must be treated before a cure can be effected.

S. S. S., a remedy made from roots, herbs and barks, is the best treatment for Rheumatism. It goes into the blood and attacks the disease at its head, and by neutralizing the acid and driving it out, and building up the sour blood so it can supply nourishment and strength to every part of the body, it cures Rheumatism permanently. S. S. S. is the only safe cure for the disease; being purely vegetable, it will not injure the system in the least, as do those medicines which contain Potash or some other mineral ingredient. S. S. S. tones up every part of the body by its fine tonic properties. While cleansing the blood of all poisons it builds up the appetite and digestion, soothes the excited nerves, reduces all inflammation, relieves pain and completely cures Rheumatism in every form—Muscular, Inflammatory, Articular or Sciatic. If you are worried with the nagging pains of Rheumatism, do not wait for it to become chronic, but begin the use of S. S. S. and purge the blood of every particle of the poison. Write for our book on Rheumatism, and ask our physicians for any advice you wish. We make no charge for either.

RHEUMATISM

ALMOST AS COMMON IN SUMMER AS IN WINTER.

Last Summer I had a severe attack of Inflammatory Rheumatism in the knees, from which I was unable to leave my room for several months. I was treated by two doctors and also tried different kinds of liniments and medicines which seemed to relieve me from pain for awhile, but at the same time I was not any nearer getting well. One day while reading a paper I saw an advertisement of S. S. S. for Rheumatism. I decided to give it a trial, which I did at once. After I had taken three bottles I felt a great deal better, and I continued to take it regularly until I was entirely cured. I now feel better than I have for years. CHAS. E.
