Hon. J. B. Bass,
Helena, Mont.

Dear Sir:
I occasionally pick from our exchange library a rather new little sheet edited and published in the wilds of Montana. And after perusing on one or more of its articles the style of the same thoroughly convinced me that an old friend and colleague was evidently somewhere in evidence where this journal was being published.

Your fight on that County Attorney is a good one, and feeling that you are getting along O. K., would beg suggest that you continue. I presume you see my paper. The National Mirror. While business is not alarming, we are making a living. Let us hear from you.

I remain Respectfully yours,
A. W. Harris

Tacknell for Commissioner

Talk about a man who stands for a square deal for all. James Tacknell has shown time and again that he is the friend of all, regardless of race, color, or previous condition of servitude, and we do not believe that is a colored voter in Butte who will fail to work and vote for him for County Commissioner for the two year term. There is no question as to his fitness for this important position; the interests of all the people will be well cared for. Jimmy Tacknell will receive a hearty support from all classes.

NERVOUSNESS DISAPPEARS

After a Few Doses of This New
Elixir of Life

Professor Munyon says he believes there is a cure for every disease; certainly he seems to have found one for dyspepsia and most stomach troubles. The strong endorsements received and the wonderful cures that are being made prove beyond doubt that at last nature has revealed the secret which she has kept so long from man. Thousands and thousands of years this Paw Paw fruit has grown in latitude all over India and South America. Generations have come and generations have gone without man discovering the value of this fruit. Thousands and thousands of lives could have been saved had man known its medicinal qualities. Like electricity it has always been with us, but it took an Edison to harness electricity and make it light the world. So it took a Munyon to discover the virtues of Paw Paw and give to the world a positive cure for most stomach and nerve troubles.

Professor Munyon says people should not overeat or overdrink just because Paw Paw enables them to digest everything that is put into the stomach. He says you must not overwork the stomach, but give it a rest the same as you do any other part of the body, and it will make you good, rich blood, strengthen and feed your nerves and prolong your life. On sale at all druggists (Gazette bottle), \$1.00. Paw Paw laxative pills, 25c. a bottle.

SILVER BOW COUNTY REPUBLICANS

PUTTING UP A SOLID FRONT

And with a Pull Altogether Will Win
The Enemy is Disorganized

Over in Silver Bow County conditions never looked more favorable for Republican success; at the polls next Tuesday, conceded to be the Gibraltar of Democracy of the State, it is a foregone conclusion that Pray and Smith will reduce that great majority, something as the peerless Roosevelt, two years ago, when Parker only got a measly majority of a few hundred.

It is conceded on all sides that the Republican Legislative Ticket will win out, and a part, at least, of the County Ticket has an excellent show to win the light registration coupled with disaffection in the Democratic ranks, and a multiplicity of tickets is responsible for other conditions, and the Republican workers are taking advantage thereof.

OUR PEOPLE IN LINE

The colored voters to a man are in line for Pray and Smith, also for the Legislative Ticket. They have no notion of voting for a congressman, and indirectly for a United States Senator who will go to Washington to assist old Vardaman and Ben Tillman to repeal the 15th Amendment.

GOOD MEN TO SUPPORT

The Legislative Ticket is headed by that aggressive and progressive citizen, Malcolm Gillis, who is favorably known by every resident of Silver Bow County. He is receiving the loyal support of all Republicans, and all of those who stand for the endorsement of the record of Theodore Roosevelt.

He is a friend of labor and a friend of the colored people and their enterprises, and will without question receive their united support for State Senator, and as such, will vote to send a Republican United States Senator to Washington who will not aid and assist the nefarious Vardaman and Tillman in their efforts to hamper the progress and uplift of a struggling race.

WILLIAM SCALLON FOR REPRESENTATIVE

For Representative the Hon. Wm. Scallon is one of the Republican nominees who should receive the united support of all those who stand for law and order, and justice, and if there is a people on earth who should stand for those things, it is our race. If the things that Mr. Scallon stands for in civic affairs should prevail, we verily believe that it would result in a better feeling and a higher regard for our race. It is the lawbreaker and lawless class that have made it so hard for the race at large. Aside from these matters, voting for members of the Legislature involves a principle which cannot be overlooked, and regardless of all other considerations if we are not traitors to ourselves, we must of necessity vote for the Republican nominees, not only for Congress but for members of the Legislature as well.

G. H. HES

Everybody can well afford to support for Representative Gus H. Hess, who is a workingman, and knows the needs of the common people. He is a veteran of the Spanish-American War, is prominent in organized labor circles, and is entitled to your support and confidence.

CHAS. S. HENDERSON FOR SHERIFF

A better selection could not be made for Sheriff than the Republican candidate Chas. S. Henderson. He is one of Butte's solid business men, and is a friend to all classes, having come up in the ranks of the toiler. He is broad-gauged and progressive; his friendship and good-will toward our people is unquestioned, and there is no question that he will get their solid support. His popularity extends to all classes, and party lines are thrown aside, especially so in the contest for this important office, and it is freely predicted that Chas. Henderson will be elected the next sheriff.

Thomas J. Bennetts has for 29 years been a merchant in Centerville. He is well known and popular. He has always been a leader in matters of public concern, and has been conservative and just. His business in Centerville has been largely with the miners of the hill, and he counts them his friends. He will give them a good accounting of his stewardship, if he is elected to the Legislature.

Alex Macaulay is a Scotchman, but has long lived in Montana. He has not been active in politics, but has always taken a lively interest in matters of public moment. For many years he was engaged in business in Helena, and in recent years has been engaged in business in this city.

Dr. Donald Campbell is one of Butte's most highly respected physicians. He is public spirited and has always identified himself with every movement which signified anything for the improvement or betterment of Butte and Montana.

Joseph Corby is a union man and a veteran of the War with Spain. He stands high in the counsels of unionism, and has the interests of labor always at heart. Mr. Corby has been a member of National Labor Committees, and has served on the Executive Board of the Western Federation of Miners. Mr. Corby is a member of the Engineers' Union, of which he was several times elected president. Mr. Corby is a conservative, hard-thinking man. Labor may well repose confidence in him, while others need not fear radical socialistic tendencies.

James H. Hall is one of Butte's real old-timers. He has lived for many, many years in Walkerville, where he served several terms as Justice of the Peace. He gave good satisfaction to his townsmen, and he is well liked in the Hill City. Mr. Hall has been seriously ill during the campaign, but his friends are many. He is a brother of the famous Captain Billy Hall, who was one of the early managers of the Alice Mine, and a well-known mining man of the camp.

Chas. J. Cutler is an insurance man. He is identified with the upbuilding of Butte and has grown with the city. He has always been eager for the advancement of the community, and no man could be selected as a lawmaker who would give greater weight or consideration to the welfare of all interests before casting his ballot on any measure.

George C. McDonald is a miner. He knows the underground avenues of Butte as well perhaps as he does her streets. He has a wide acquaintance in this city, and will fill efficiently the office to which he asks election.

P. H. Manchester is a Civil War veteran and an old resident of Montana. He has seen public office as a member of the City Council. His record is of the best, and his work was such as to bring the confidence of the citizens of Butte to him.

Louis A. Walker is manager of the Finlen Hotel. He has for years been counted as one of Montana's most successful business men. His acquaintance is broad, and his popularity, as becomes a hotel man, is without dispute. His service for the people in the Legislature will be of the highest efficiency.

James F. McManis is a miner. Like Mr. McDonald, he has been entrusted by his union with many an important task which required ability and judgment. He has the full confidence of the miners and a wide circle of other acquaintances, and his service at the Capitol will give those who vote for him full satisfaction.

The next event is the organization of an up-to-date Literary at St. James Church.

Mr. Francis, representing the Chicago Woolen Mills has on hand a large line of samples. Be sure and see him for your new suit or overcoat, also ladies' wraps.

And who issued the bad, bad man an invitation to the Halloween Ball?

The Autumn Leaf was asleep at the switch; and now what?

Thursday evening was ladies' evening at the Manhattan Club.

This has been a strenuous week for the candidates.

Several of our citizens speak of visiting Butte for the holidays.

There is talk of organizing a Helena Dramatic Club.

THE PLAINDEALER leads a strenuous existence this week in getting out our 8-page paper.

The Rarebacks and Strutters will be out Thanksgiving.

Republican nominees for Congress, and the Legislature is an arch traitor to his race.

With a strong pull all together let's pull and vote for Pray and Smith.

Vote early but not often.

Look out, and be sure and get in our Christmas Number.

THE PLAINDEALER is planning to get out a Special Christmas Number—something like sixteen pages, half tones and sketches. Be sure and get in.

The Election will soon be an issue of the past, and all will get down to business.

Mrs. James CrumP returned to Helena Monday after an extended visit to Portland and the coast.

Candidate for Treasurer

P. M. Collins, better known as "Pete Collins," candidate for County Treasurer, entered the telegraph service just thirty years ago. He has been a train dispatcher on the Denver and Rio Grande at several points in Colorado; was train dispatcher at Omaha with the Union Pacific, and at Pocatello, Eagle Rock, and Silver Bow, with the old U. S. N. when it was narrow gauge; was the first chief dispatcher of the Montana Union at Butte, and was the first chief dispatcher on the Montana and Central at Helena, which latter position he held until headquarters were removed to Great Falls, when he elected to cast his fortunes with the Capital City. He is honest, capable and efficient, and if elected we believe he will make a splendid officer. He is not a man of wealth, but what little he has is invested in Lewis and Clark County.

Organize a Literary

The announcement of Rev. Osborne that he would take steps to organize a Literary is one in the right direction, and we hope to predict for it a great success; we would suggest, however, that the same be Independent from any other organization, if it would attain the success that it deserves.

The Helena Hotel has put on a crew of colored waiters, having discharged the ones that have for a long time in that hotel served the guests. Ed Johnson is among the capacity of head waiter.

THE HALLOWEEN PARTY.

The good ladies of Helena gave a very enjoyable and successful Halloween party at Germania Hall Wednesday evening, as a masked carnival. The costumes were elaborate, and extended from the grotesque to the ridiculous, and many were the prizes when at ten o'clock at the conclusion of the Grand March, the order was given to unmask. The ladies vied with each other in making the evening a pleasant one for the Helena gentlemen. The party was in an innovation, as on the invitation in the type was "Gentlemen Admission Free," not only this, they served refreshments and with a lavish hand—gingerbread, sweet cider, fruits, etc.

In their mode of serving their guests, the give the far-famed Autumn Leaf Club valuable lessons, which will no doubt be taken advantage of at their future entertainments.

George L. Moss, a young man who has been found fleeing in and around Helena society for some time back has taken a sudden departure, leaving many behind to mourn his sudden exit, after having contracted numerous debts. He will be missed by the telephone girls, also around several of the houses who are no doubt glad to get rid of a nuisance.

Services at St. James Sunday as usual.

The Smoker given at the Manhattan Club last Friday evening was in every way a success; the rooms were packed, and the candidates were listened attentively to, other speakers, also the splendid music rendered by Messrs. Anderson and McAfee.

There will be a Smoker at this Office at the Manhattan Club rooms Monday evening on account of speaking at the Auditorium. The Exercises will not commence until 10:30. Everybody is invited; these Exercises will be held under the auspices of the Lincoln Day Club.

A. Palmer and James Howard should have masked in bearskin Wednesday evening.

Mrs. Ingram, Anderson, Johnson and others are to be congratulated on the success of Wednesday evening's entertainment.

And now what will the Autumn Leaf Club do?

Mrs. Hill has removed to Butte, where she will make her future home.

Serg. Geo. H. Anderson of the 24th has returned from the Philippines with an attack of rheumatism; he is now at Big Springs, Ark.

Do not fail to attend the Lincoln Club Smoker Monday evening.

Ward Cole had them all guessing at the Mask Party Wednesday evening; his disguise was perfect.

Our old friend G. I. Dinwiddie is laying up for his old days in the city of Mexico.
