At the Dominion Fair in Calary, July 1 the airship led the procession from the heart of the city to the grounds, maintaining its position at less than four miles an hour. This feat shows that the airship is under absolute control. There are not to exceed

100 persons in Montana who have been a successful flight by an airship, and the State Fair management feel certain that in this feature they have a big drawing card. Attractions of this magnitude place the Montana State Fair on a level with the big annual shows by other States.
