

15-DAY REDUCTION SALE

Beginning Dec. 15 and Closing Dec 30.

THE LEWISTOWN FURNITURE COMPANY has been recently reorganized and is now being conducted under a new management. It is our desire to also reorganize the stock in many particulars. Some departments are overstocked, and these we are going to cut down by putting the goods down to prices which all must recognize as the lowest ever paid for the same quality of goods in this city. We have several car loads of goods coming, and in order to make room for them we must "clean out" some parts of our warehouse and store. This "cleaning out" process means a great reduction in prices on a lot of first-class, highly serviceable furniture
