FUNERAL OF MONARD McELROY.

MONARD, Oct. 4 (Sunday night, Sept. 26), the community was deeply shocked and grieved when it became known that Monard McElroy, the young son of Mr. and Mrs. John McElroy of this city, had died from hemorrhage of the brain, caused by a gunshot wound inflicted that afternoon when the young lad and a playmate were playing at the Dyer home in this city. The accident occurred at about 4:30 in the afternoon and the lad was rushed to the hospital in Lewistown, where an operation was performed at 6:15. Nothing could be done for the unfortunate lad, however, and he passed away at 8:00 that evening. According to Mr. and Mrs. Dever, the 22 calibre rifle which caused the accident, was unloaded and it is surmised that the boys found a bullet in an old box of refuse in the wood shed and then loaded the weapon. The bullet entered Monard's forehead and came out about an inch above, the skull fracturing the skull. Monard Burman McElroy was born in Moors, Mont., on Nov. 26, 1905, and died on Sunday, Sept. 26, at the age of 9 years, 10 months and 6 days. The funeral was held from the Christian church in this city on Tuesday afternoon, Sept. 28, an enormous number of sorrowing friends being there to pay tribute to the unfortunate lad. Interest was made in the Moore cemetery. The entire community extends sincere sympathy to the bereaved parents. COMMUNICATED.

MRS. WHITING ON A TRAIN BOARDED BY MASKED ROBBERS

A telegram from Mrs. C. L. Whiting, who left Saturday for Lake City, Minn., states that she was among the passengers in the observation car of the Olympian, who were held up by two masked men that boarded the train as it left Glencoe, Sunday night. Mrs. Whiting's message goes on to say that the robbers confined their attention entirely to the men, leaving the women unharmed. An uncle of Mr. Whiting, who was traveling with her on his way home after a visit in Lewistown, seemed very little disturbed by the adventure, she states, although he is a man of 85 years of age. It is reported that the robbers made off with about \$250.

THE LIBRARY BOARD.

At a recent meeting of the library board, preparations were made for assuming new obligations given to that body by a recent act of the state legislature. An act was passed and approved on March 8 of the present year providing that "the trustees of any public library in a city or town must be appointed by the mayor or by the council with the consent of the board." The act further states that number of trustees and their duties shall be prescribed by ordinance and given them the "exclusive power to make contracts and expenditures for the support and maintenance of the library and the purchase of books and other things for the library." All previous acts that conflict with this one are repealed by same. The library funds are to be deposited with the city treasurer, who will use them as directed by the board. It appears that the passage of this act was not generally known until recently, but now the board is prepared to assume full charge. Besides preparing for this work, the board appointed committees and monthly reports, which were rendered showed the affairs of the local library to be in a flourishing condition.
