PACKET SINKS AT LOCAL WHARF

The freight packet destined for the Hartford and Evansville trade, which had just been completed and was to have made its maiden trip this week, sank at its moorings, adjacent to Bean's Mill, city, Saturday night. Final preparations for the try-out had been made the afternoon before and it seems that the pump valves were inadvertently left open when the crew went ashore for the night. Fortunately the craft was not entirely submerged and it was raised Monday by means of emergency pumps driven by a tractor engine. The damage is not great and it is hoped by its owners, Messrs. Holbrook, Parks and King, that the freighter will be ready for service in a few days.

BEAVER DAM SCHOOL SHOWS PATRIOTISM

Armistice Day was observed by Beaver Dam High School by the planting of a tree dedicated to the A. E. F. The Senior class took charge of the exercises, the president, Clyde Taylor, introducing Mr. C. C. Pease, of the A. E. F., who was speaker of the occasion. Mr. Pease told in a simple but effective way of a doughboy's experience at the front and left a general realization that those same doughboys, to whom all honor is due, are now in our midst. After the address, the senior class planted the tree amid songs of cheerful, though freezing school children. A fitting and interesting program followed by the Zeta division of the literary society.

BURGLARS ARRESTED

Harvey Calloway, Will Calloway, "Kick" Rogers and a man by the name of Beck, all of McHenry, have been placed under arrest by Constable R. B. Canary, within the past few days. They are alleged to have stolen 12 shirts from an express package in the McHenry depot, several weeks ago, and the contents of a drummer's trunk, at the same depot, about ten days ago. The shirts were sold to various citizens of McHenry and have all been recovered. The contents of the trunk amounting to about \$500.00 worth of clothing, have been found under a haystack near that town.

Sad Disappointment.
"So you consider Jack misleading and disappointing. Why, dear?"
"Well, he had me on the tenterhooks last night in expectation that he was going to ask me to go to the theater."
"And didn't he?"
"No, he only asked me to marry him."
