

ASSEMBLY CALL HEARD BY AMERICAN LEGION

New Orleans in Gala Attire As Ex-Soldiers Gather to Go to Mat With Problems.

New Orleans, Oct. 15.—Soldiers, sailors and marines of four years ago, members of the American Legion, were gathered here tonight for their fourth annual national convention, which begins tomorrow and continues for five days.

It is a convention which is scheduled to achieve much business, and shape policies for the future course of the Legion.

Last year's American Legion Convention in Kansas City, with Marshal Foch, Admiral Earl Beatty of England, General Diaz of Italy and General Jacques of Belgium as distinguished guests was a combination of pageant and reunion on a gigantic scale.

What the legion's future policy will be on the bonus; what, if any, criticism will be leveled at the Administration because of the defeat of the compensation measure in Congress when President Harding's veto was sustained, were outstanding questions. Discussion of the programme made in caring for the disabled, the work of the United States Veterans Bureau and the part played by Brig. Gen. C. E. Sawyer in connection with hospitalization were also scheduled for sharp discussion.

It was noticeable that there were many less men wearing their uniforms than has been the case at previous conventions. Perhaps a good many of the uniforms are worn out—after all, it has been nearly four years since the fighting in the Argonne and along the Meuse.

Another noticeable feature of the convention was the large number of women who came with their soldier relatives to participate in the festivities which will accompany the convention and to attend the convention of the American Legion Auxiliary, the women's organization, which meets at the same time.

Summer weather greeted the convention visitors today, and under a bright sun, palm trees, oleanders and roses gave a tropical touch to the setting.

MRS. CHARLOTTE TAYLOR ANSWERS FINAL SUMMONS

Mrs. Charlotte Taylor, widow of the late John A. Taylor, of Liberty, died at the home of her niece, Miss Mamie Bennett, of this city, with whom she had made her home for several years, yesterday morning at 10 o'clock, after a several months' illness of an affection of the heart complicated by her advanced age. Mrs. Taylor was born in the Bethel neighborhood, in this county, on May 31, 1835, the daughter of Ignatius P. and Senie (Stevens) Stetler. She was a granddaughter of Stephen Stetler, one of the leading pioneers of Ohio County, and a grandniece of Rev. L. P. Stetler, of Montana, the famous early missionary to the Indians. She and Mr. Taylor were united in marriage shortly after the Civil War and lived in the Liberty neighborhood in most devoted companionship until the latter's death about twenty-five years ago. "Aunt Charlotte," as she was affectionately known by a large circle of relatives and friends, had been a member of the Methodist Church since girlhood and had led a self-sacrificing and consistent Christian life. The circle in which she moved will be immeasurably poorer for her going.

Mrs. Taylor is survived by one brother, V. P. Stetler, of Livermore; and the following nieces and nephews: Miss Mamie Bennett, Hartford; Mrs. Ed Johnson, Livermore; Mrs. D. H. Kinchele, Washington, D. C.; Mrs. Charles Gilmour, Calhoun; Mrs. Clarence McCarroll, Owensboro; Messrs. Guy Stetler, Nashville, Tenn.; W. S. Stetler, Evansville, Ind.; and Perry Maddox, Owensboro.

Funeral services will be conducted from the home this afternoon at 2:30 o'clock, by Rev. T. T. Frazier, pastor of the Hartford Methodist Church. Interment will be in Oakwood Cemetery. The pallbearers will be Judge J. S. Glenn, Messrs. R. E. Duke, Joe T. Miller, Tony Johnson, L. G. Barrett and McDowell A. Fogle, neighbors of the deceased.

The bereaved relatives have our most sincere sympathy in their hour of desolation.

YOUR LAST OPPORTUNITY TO SIGN THE PLEDGE

Because of the fact that some of the counties of Western Kentucky and Tennessee had not been properly organized, the time for signing pledges has been extended to midnight, Oct. 28th. This will be absolutely the last day you will have the opportunity of signing.

As there are a few sections of Ohio County which were not properly worked and there are many who desire to sign, these may do so by signing pledges and sending to me within the extended time.

There is no doubt about the success of the pool, but you should sign and help make the organization 100 per cent perfect as well as show the world you are not a slacker.

WAY MEN GET RAISE OF TWO CENTS AN HOUR

Increase Approved By Board Adds \$22,125,000 to Roads' Wage Bill.

Chicago, Oct. 14.—The Railroad Labor Board granted 2 cents an hour increase to 451,911 members of the United Brotherhood of Maintenance of Way Employees and Railroad Shop Workers. The increase affects four of the nine classes of maintenance employes, as classified in its previous decision July 1.

The increase would amount to an addition of \$22,125,000 increase in the wage bill of the nation's railroads. The average minimum wage under the new decision will range from 23 to 37 cents an hour.

The decision came after ten days of deadlock among the board members, in which Ben W. Hooper, chairman of the board, and a member of the public group, succeeded today in obtaining a majority in favor of the increase. The 2-cent increase was opposed by the public group, but not until the accession of W. H. McMenimen of the labor group and Samuel Higgins of the railroad representation was decision for an increase made possible.

Track laborers and all common laborers constitute the largest single class benefiting by the wage increase.

A. O. Wharton of the labor group declined to vote on the proposition.

The classes of employes who will receive the increased wages are the following:

Section, track and maintenance foremen and assistants; track laborers and all common laborers in the maintenance of way departments and in and around shops and roundhouses; drawbridge tenders and assistants, pile drivers, derrick and hoisting foremen, pump engineers and pumpers, crossing watchmen or flagmen and lamp lighters and tenders; engine watchmen and wipers, fire builders, ash-pit men, fuel hoists, coal passers, and miscellaneous classes of foremen and other employes.
