

We Thank You.

We want to extend to our friends and patrons our deepest appreciation for their very liberal patronage through the year 1922. We have tried our utmost to give you the very best merchandise that the market affords, and to keep prices down to the lowest possible margin, as well as to be kind and courteous to every one. These efforts, we are sure, you will appreciate. We extend to you a very cordial invitation to make our store your shopping headquarters for 1923. Wishing you all a merry Xmas and a happy, prosperous New Year.

If it were possible we would like the pleasure of personally greeting each one of our many friends, who, through their loyal co-operation, have contributed to the success of this business.

Please accept our Best Wishes for a Bountiful Christmas and a New Year filled with Happiness and Prosperity.

And throughout the coming years it will be our aim to perpetuate the cordial relations which have marked our dealings with you.

A Glimpse of Cooper's Land of Toys

WE have given over to display of playtime playthings a good portion of our floor space, and there are hundreds of joy producers for the little folks. This department is for them, so bring them in and let them enjoy it. Everything in the shape of a toy is there.

Our stock is being looked over every day, and picked from. Not until you have actually visited our store and seen its wonderful array of gifts—the most sensible you can buy, will you appreciate it. Take advantage of this offer, and do so early, because the stock is decreasing every day.

Come At The Morning Hour And Avoid the Afternoon Rush.

Don't forget our big line of Furniture for Christmas. There is nothing more useful and pleasing than a nice piece of Furniture in the home.

Also, we have a big line of Ladies' Hats, that are remarkable in style, quality and price. Nothing like these have ever been shown here before.

Our Ladies' Ready-to-Wear and Gent's Furnishing Departments are complete in every respect.
