We would call attention of our readers to what Messrs. Judd & Petersen have to say in another column. This new firm, as has been announced, will open up a new clothing store in Denison, and they solicit the patronage of our citizens.

The family of Rev. E. E. Igenfritz is happy over the return this morning of Misses Gertrude and Edith from a summer's visit in York, Penn. Miss Olive Sechrist, a sister of Mrs. Igenfritz, accompanied them home and will visit in Denison for a short time.

There is talk of a tennis tournament to be held soon either at this place, or in Sioux City, between our home team and Sioux City. Our team is composed of Rev. Bateson and Prof. Faylor. These gentlemen are expert tennis men and will no doubt win the honors for Denison.

We received a pleasant call from Mr. Wm. Morton, of Adams, Mass., on Thursday. He and his wife have been visiting old friends in the county. Mr. Morton owns a fine farm in Union township. He came up in company with Mr. Thos. Rae and attended the picnic.

John Griffen fell from a load of hay Tuesday and broke his arm. He has been visiting relatives in Denison for some time, coming from Memphis, Tenn. He had been visiting at the home of T. C. McCarty until recently, and was at Fitzpatrick's, south of town, when the accident occurred.

American engineers have just performed a feat at Bismarck, N. D., which has never before been equaled. It took them an entire year to make their preparations, and when all was ready they moved a pier of the Northern Pacific railway bridge, weighing 9,000,000 pounds, about four feet in a few minutes.

Shall We Have a Re-Union.

There will be a meeting at the City Hall, Saturday evening of this week, at 7:30 p. m., to determine whether we are to have a Re-Union in Denison this fall. It is thought by many that owing to the Omaha Exposition, the Re-Union should be deferred until some time next season. All interested are requested to come out and express your views.

Denison will have a genuine railroad circus on Friday, September 16. Our store windows are being decked with glaring posters, which attract considerable attention. John Robinson's Railroad show is well known by reputation and is giving good entertainments.

In the show window at Miller & Co.'s can be seen three Japanese spinning mice, which are proving quite attractive. The little fellows are black and white, and will flatten down and spin around like a top. The cage is divided off in compartments, and the mice get to chasing one another through the compartments at a rate that is astonishing.

Mrs. J. G. Wygant entertained on Tuesday afternoon complimentary to Mrs. Judge Aylesworth, of Council Bluffs. The event was of an informal nature and the guests spent the too short hours with fancy work and social chat. The afternoon closed with dainty refreshments served by Miss Edith Wygant and Miss Florence Faulkner.

Revs. Franscke, of Benton county, and Marworth, of Lyons county, have been attending the Synod of Iowa held in Ilanover township last week. While in our midst they have been stopping with Mrs. Christine Kemming in Hanover. The Synod ended Tuesday, when these gentlemen returned to their respective homes. About 175 ministers were in attendance, and all report a most interesting session.

Mr. Gable has returned from Hot Springs, S. D., and reports a large crowd as going on his excursion, something like ninety-four. He says he will have a much larger excursion on September 10, when a number of sporting men are going out to take in the shooting tournament given by the Hot Springs Gun Club at that place from September 12 to 15. Anyone desiring program will do well to write Mr. Gable who will gladly furnish one.

Mr. E. E. Nichols, of Manilla, is in town this week looking after business matters. He has recently leased the Register to Mr. Morgan, who will hereafter run that paper, having suspended the publication of the Advocate. Mr. Nichols will devote his entire attention to the collection of his accounts and will still make Manilla his home. This is something which should have been done long ago, that is one paper is enough for a town the size of Manilla.

This office is just completing the Journal for the W. R. C. Ia. Dept., a book making some 170 pages printed on good book paper and substantially bound. It contains last year's proceedings of the W. R. C.—all reports and general orders of the different officers and is very complete. Dept. Pres. Mrs. McClellan was very anxious to have the Journal completed by September 1, as she was desirous of breaking all past records, the Journal's heretofore being published the last of October.

On last Thursday evening the beautiful home of Miss Maggie Michaelson, near Arion, was the scene of a very pretty reception. The parlor and dining rooms were fragrant with flowers, and Miss Maggie was assisted in receiving by Miss Kate Owens. The greater part of the evening was spent in playing games, after which dainty refreshments were served. The delightful attention of the hostess made the evening one long to be remembered. Miss Michaelson's many young friends were indeed pleased to spend an evening with her.

Mrs. Chris. Kemming entertained a party of young ladies Wednesday evening in honor of her guests Miss Beryl Coles and Miss Maud Teas, of Chariton. The table was prettily decorated with pansies and asters and at six o'clock an elaborate tea was served in three courses. The evening was spent very pleasantly, music and social chat being the order of the hour. Besides the guests of honor the Misses Olive Gilmore, Bertha Knaut, Anna Schumaker, Alice Stevens, Abbie McHenry, Jessica Morgan, Florence Faulkner, Agnes and Margaret King, were present.

School begins Monday.

Miss Kittie Kountz, of Nedsville, Wisconsin, is visiting at the home of C. J. Kemming. Miss Kountz will be remembered by the people of Denison, especially by the young people, as she made a three months visit here in 1896.

Died, On Thursday, Sept. 1, 1898, of malarial trouble, Mazie, daughter of Mr. and Mrs. F. E. Sperry, aged 8 years. The funeral will be held at the house on Saturday, at 9 o'clock a. m. The bereaved parents have the sympathy of the community.

L. J. Courtright has just moved here from Lincoln, Neb., and expects to make Denison his home for the near future. He intends to go into the employment of Hagenow & Kott as a paper hanger and painter.

When the REVIEW is impartial it will be impartial. It is not the fact that the Bulletin has its favorites that the REVIEW criticizes, but the fact of its hypocritical pretensions of neutrality. Truth has been a stranger to the Bulletin ever since it has been a newspaper.

Mrs. Simmons and daughter, Bessie, had a narrow escape yesterday morning while driving. In making a very sharp turn, one of the wheels of the buggy gave away and was reduced to splinters. The horse became frightened but was gotten under control before any damage was done.

We understand a man by the name of Peter Clausen, who is in jail, attempted suicide on Wednesday evening by hanging himself by his suspenders, attached to one of the bars in the cell. The unfortunate man is from Soldier township, where he lives on Knauts' farm. It is reported he had been drinking quite heavily of late and had become despondent.

Henry Meeves informs us that arrangements are being made to hold a shooting tournament at Denison in the near future, and the prospects are that a big time will be had. Some good prizes will be offered as an inducement to get some of the best shots in attendance. Our local sportsmen are Henry Meeves, Lou Baer, John Tamum, Fred and Alex Aebisher.

While passing through Clinton the Denison delegation stopped at the Windsor Hotel which is run by Mr. J. F. Pethybridge. This is the same hostelry where the Denison boys stopped last year during the Pythian convalesce and there is always a warm welcome awaiting people from this place. The hotel is first class and we would advise you to try it when next in Clinton.

Miss Addie Wright gave a lawn party last Wednesday evening, in honor of Miss Jessie Leslie, of Clinton, Ia. The large lawn was strewn with chairs and settees, and hammocks were stretched among the trees. Chinese lantern were hung in different parts of the grounds, which furnished light. Games were played as is customary at these gatherings and different members of the party rendered music. Refreshments were served in the house, consisting of ice cream, lemonade and cake, salted pecans and fruit. Miss Leslie expects to return to her home Saturday evening, after having spent a very enjoyable time in Denison. The many acquaintances she has made during her stay here will be always ready to welcome her back, if she should return here.
