PHOTOGRAPH AT THE FAIR.

Picture of Gov. Shaw, By Brown, Goes to the Iowa Building.

Many of our people have noticed the magnificent portrait of Governor Shaw, which Mr. A. H. Brown, the Photographer, has had on exhibition here. The picture will be sent to the Iowa building and will be a handsome addition to the exhibit. Denison people can be proud not only of the subject of the picture, but of the artist.

The following letter to Mr. Brown was written by Sec. Chase in accepting the picture.

A. H. Brown, Esq.,
Photographer, Denison, Iowa.

My dear Sir:—I have your letter of recent date referring to photograph of Governor Shaw. In reply I beg to say that we shall be glad to place the photograph in our general reception room, at the Iowa Building.

Thanking you for your interest in the matter, I have the honor to remain,
Very respectfully yours,
F. N. CHASE,
Supt. & Sec., Iowa T. M. & I. Com.

THE LECTURE COURSE.

The lecture bureau has completed its contracts with the attractions for next winter's lecture course, and it is safe to say that the entertainments will be satisfactory to all lecture going people.

Dr. Thomas Dixon, Jr., of New York City, will open the lecture season on October 6th, and the next entertainment will be the Sherwood Mixed Quartette on November 25. Other announcements will be made in due course of time. The name and fame of Dr. Dixon stands pre-eminently at the head of the list of platform orators, and he is certainly one of the strongest attractions which can be secured. The New York Tribune says of him: "He is a perfect master of the art of oratory."

THE LINCOLN CONCERT.

The concert given by Miss Elsie Lincoln and her sister, Mrs. Grace Lincoln Burnham, was one of the best ever given in this city. Miss Lincoln has a marvelous voice, rich, mellow, strong and of great range. Her faultless execution showed that she has made music her life work. She was enthusiastically encored, and the program was all too short for her auditors. Mrs. Burnham sang very prettily and was also greeted with applause. The "Lincoln sisters" are among the notable people of Fort Dodge, and their sweet voices have delighted thousands of Iowa people. They are stalwart republicans and their lively songs have been highly appreciated features in a number of Iowa campaigns. While in Denison they were the guests of Mr. and Mrs. D. L. Boynton.

THE FAIR FREE TO ALL

Denison Business Men Subscribe to Entertain the People.

EVERYBODY IS INVITED

No Admission Will be Charged to the County Fair—All the Great Attractions Will be Free.

The Fair next week will be a new departure in many ways. In the first place the premiums will be large enough to make it pay the farmers to bring in their produce and their cattle. In the second place the races will be excellent, on account of the fact that the fair takes place during an "open date" so that a large number of fast horses will compete. In the third place the management has spent several hundred dollars to secure the Great Talbot Combination, with their unexcelled performances. These consist of thrilling open air races, reviving the ancient Roman sports, the Chariot race, the standing race and many other exciting feats of daring. In the fourth place, and last of all the

FAIR WILL BE FREE TO ALL.

This idea has been in the minds of the management for some time but it was feared that the money could not be raised. It was not until yesterday that a canvass was made and the business men of Denison, to their credit be it said, responded liberally to the call. Denison asks the people of the county to trade here all the year round and now the merchants and the business men want to invite the people of the entire county to come and enjoy themselves without money and without price. All that is asked is that the people come in and enjoy themselves. Remember the Great REVIEW's contests will be decided on the second day of the fair. Come and witness the final counting of the votes and see how your favorite comes out in the race. Denison bids you welcome.

A LACK OF COURTESY.

Those using city water are customers of the city. It is their money which to a great extent pays the expense of the water system, and they should be treated with the same courtesy that the merchant or business man shows to his patrons. How many of our good housewives have gone to the hydrants this week only to find the water shut off. No notice was given, no time allowed to prepare themselves. It would cost but little to notify people, and common courtesy demands that it should be done.

Hans Fuhr, of West Side, was a Denison visitor Wednesday.
