ARE ORDERED TO MANILA.

Five Regiments of Our Boys Now at San Francisco to Be Transported Without Delay.

AGUINALDO PROCLAIMS HIS FRIENDSHIP.

Issues a Note Denying the Floating Rumors of Strained Relations Between the Filipino and American Forces — Washington Officials Regard Document as Important.

Washington, Sept. 19.—Five regiments now at San Francisco have been ordered to Manila. Arrangements for their transportation will be made at once.

The regiments ordered to Manila are the Fifty-first Iowa, Twentieth Kansas, First Tennessee, First Washington and a detachment of the Second Oregon.

The Force Slightly Increased.

Washington, Sept. 19.—The war department Monday afternoon amended the orders relative to the dispatch of reinforcements to the Philippines so as to increase the number by 1,161 privates and 36 officers. These are made up of four companies of the Twenty-third infantry and recruits for the Tenth Pennsylvania, First Nebraska and First Colorado. These troops made up the expedition under Gen. King, which recently left San Francisco on the Arizona for the Philippines, but was stopped by the department's orders when two days out and returned to port.

A Garrison for the Philippines.

Washington, Sept. 19.—It was stated at the war department that no exigency had arisen which made it necessary to send the troops now at San Francisco to Manila, but the order issued Monday was in accordance with the general plan of the department regarding a garrison of the Philippines. That plan of garrison duty included 20,000 men for the Philippines, 12,500 for Puerto Rico and 60,000 for Cuba. The troops to be sent to Manila under Monday's order will fill the complement for that station. The troops would have been sent before, it is said, except that the department was awaiting the return of transports.

It is not expected that troops now at Honolulu will accompany these to be embarked at San Francisco, but that more troops will be sent to Honolulu in the near future.

The following is the order directing the movement of troops from San Francisco:

Gen. Miles' Order.

Adjutant General's Office, Washington, D. C., Sept. 19, 1898.—Commanding general, Department of California, San Francisco, Cal.: With the approval of the acting secretary of war, the Fifty-first Iowa, Twentieth Kansas, First Tennessee, First Washington and detachment of Second Oregon volunteers, infantry, now at San Francisco, are hereby relieved from duty in the department of California, and will proceed to Manila, Philippine islands, reporting upon arrival for duty to the commanding general, United States forces, at that point.

"The quartermaster's department will furnish the necessary transportation, special care being taken to provide sufficient space; and the subsistence and medical departments are charged with providing ample and suitable supplies furnished by their respective departments, to insure the comfort, well-being and health of the troops on route.

"By command of Maj. Gen. Miles,
H. H. CORBIN,
Adjutant General."

A Dispatch from Aguinaldo.

New York, Sept. 19.—The following dispatch has been received here: "Manila, Philippine Islands, Sept. 19.—The Filipino government desire to inform the American government and people that the many rumors circulated regarding the strained relations between the Filipino and American forces are base, malicious slanders of the enemy to both parties, are without any truth and are circulated for the purpose of prejudicing the appeal of the Philippines for their release from the oppression and cruelty of Spain.

"The relations of our people and yours have been and will continue to be of the most friendly nature and we have withdrawn our forces from the suburbs of Manila as an additional evidence of our confidence in the great American republic."
(Signed) AGUINALDO.

An Important Document.

Washington, Sept. 19.—The dispatch conveying Aguinaldo's message to the American people was regarded with much interest at the white house. The president read the statement with evident appreciation of its importance, but did not volunteer any information as to the attitude of this government. The officials very near him spoke of the message as "a very important document."

For the Canadian Commission.

Washington, Sept. 19.—Senator C. J. Faulkner, of West Virginia, was Monday appointed to the position on the Canadian commission made vacant by the retirement of Senator Gray when he was transferred to the Paris peace commission. The tender of the position was made by the president in a personal interview with Senator Faulkner and was accepted by the latter.

Died at Saratoga.

Saratoga, N. Y., Sept. 19.—Capt. Marshall C. Rice, ex-mayor of Jacksonville, Fla., who has been here three weeks, died Monday night of Bright's disease.

SHE HAS PASSED AWAY.

Miss Winnie Davis, the "Daughter of the Confederacy," Dies at Narragansett Pier, R. I.

Narragansett Pier, R. I., Sept. 19.—Miss Winnie Davis, daughter of Mrs. Jefferson Davis, died at noon Sunday at the Rockingham hotel, to which place she came as a guest in the early part of the Pier's social season. She had been ill for several weeks and a fortnight ago her ailment was diagnosed as malarial gastritis.

[Miss Winnie Davis, the "Daughter of the Confederacy," was born in the Confederate executive mansion at Richmond, Va., in 1852. She was educated principally at home, owing to the trouble surrounding her father and the publicity which attended all movements of the Davis family. Miss Davis attained her maturity at Beauvoir, Miss. Here she assisted her mother in various ways, and took her place in the many social functions of the place. She was her father's constant companion. She assisted him in all his work, and much of the information which was re-

quired by Mr. Davis in his writings was secured for him by his daughter. Her strong character was marked from youth. She was engaged to Mr. Wilkerson, of Syracuse, N. Y., but shortly after her father's death, the engagement was broken off. While no public explanation of the rupture was given, it is well known that it was for the purpose of maintaining her father's name. She received the name "Daughter of the Confederacy" in 1888, when her father made his famous trip through the south. Mr. Davis being unable to appear, Miss Winnie was brought before the thousands at the different points along the route and introduced as the daughter of the confederacy.]

CRAZED BY DRINK.

A Drunken Wretch Fires Into a Crowd Killing One Man and Wounding a Woman.

Pendleton, Ore., Sept. 19.—C. C. Cunningham, of Milton, this county, shot and killed O. Young and seriously wounded Mrs. Julius J. Worcester at the O. R. & N. depot. Cunningham, with a cocked revolver chased Miss Effie Worcester for a block, firing three shots at her, but the young woman ran into a saloon and eluded the murderer. He ran through the saloon into the Great Eastern hotel, where he snapped his revolver twice at Mrs. Johnson, the proprietor's wife.

Young, who is an employe of the O. R. & N. company, was talking with Mrs. Worcester and her daughter, Effie, at the O. R. & N. depot, when Cunningham, crazed by drink, commenced firing at the group. Young was shot through the heart. Mrs. Worcester was shot in the small of the back.

She is the wife of a well-known mining man. Cunningham was arrested. He has been a troublesome character here for several years, having been frequently arrested for selling liquor without a license.

KILLED BY THE CARS.

Chevalier de Proskowetz, Austrian Consul in Chicago, Is Dead at Fort Wayne, Ind.

Chicago, Sept. 19.—All day long the consul residence of the consul-general of Austria-Hungary, at 620 Dearborn avenue, was filled with the many Chicago friends of Chevalier de Proskowetz, who Sunday night lost his life under a train at Fort Wayne, Ind. The consul general was popular in social organizations in Chicago, and the news of his death was a great blow to his many acquaintances. The body is still held at the morgue in Fort Wayne, awaiting instructions from the minister at Washington. Word has been sent to the dead man's parents near Vienna, Austria, and the disposition of the remains rests with them.

A Last Tribute.

Columbus, O., Sept. 19.—The last tribute to the memory of Brig Gen. J. T. Haskell was paid by Columbus Monday morning, and the body shipped to the National cemetery at Arlington for interment. The funeral was held at Trinity Episcopal church. The church was packed with citizens and the streets were lined. The escort consisted of local military and secret orders and the Seventeenth infantry.

Ordered to Return.

Madrid, Sept. 19.—The minister of war, Gen. Correa, has issued instructions for the return of the Spanish troops in the West Indies. The sick are to leave first, and the archives, especially those relating to the war, will be brought to Spain with the arms, ammunition, flags and material stored in Cuba and Puerto Rico.

HAD A PITCHED BATTLE.

Strike Trouble in Cleveland Culminates in Free Use of Clubs, Stones and Shots.

RIOTERS ARE DISPERSED BY THE POLICE.

Struggle Precipitated by Attempt of 22 Non-Union Men to Enter Works of American Wire Company — Negroes Are Still Working the Panama (Ill.) Mines.

Cleveland, O., Sept. 19.—As the result of an attempt of a party of 22 non-union men to enter the works of the American Wire company Monday, where a strike has been on for some time past, a pitched battle took place between the strikers and the non-union workmen. Clubs, stones and sling shots were freely used, and while no one was seriously injured a number of men were severely bruised or cut.

It is alleged the trouble was started by a non-union man throwing pepper into the eyes of a striker who was endeavoring to prevent the former from entering the works. The strikers closed in and for a few minutes there was a mass of struggling and fighting men. Upon the appearance of the police the rioters dispersed. Only one arrest was made. The non-union men did not get in the works.

Organizing in the Fourth Pool.

Monongahela City, Pa., Sept. 19.—The arrest of over 40 of their number last week did not deter the striking miners of the third pool from marching to the mines early Monday morning. About 75 men were in line, headed by National Organizer McKay and a brass band. The marchers were divided up and a squad stationed at the entrance to each pit. Twenty-five men went to work and no more trouble occurred. The work of organizing the fourth pool miners is now in progress. They have promised that no coal will be loaded to fill contracts for the third pool, and as long as this is done no effort will be made to close these mines.

The Panama Situation.

Pana, Ill., Sept. 19.—The usual quota of negroes went to work in the various mines Monday morning. State President John N. Hunter arrived, as did also State Mine Examiners Walter Rutledge, of Alton district, and John Williams, of Danville district, and John McDonald, president of the national brotherhood of hoisting engineers. The latter is here to try to induce the hoisting engineers of the several mines to refuse to hoist non-union coal. The mine examiners are here to re-examine the negroes at work. President Hunter says matters will be arranged without trouble. Secretary Ryan is not so hopeful, and thinks there is a limit to the endurance of the Panama miners.

Negro Chases a Union Miner.

One of the negro miners leveled a Winchester upon Solon Craddock, a union miner, at McCarty's store Sunday night and followed Craddock, who had retreated, for two blocks with his gun at full cock.

Sunday night near the Penwell mine three negroes attempted an assault upon a French lddy, but her cries brought help and the negroes disappeared. Native negro barbers took their chairs to Springside Sunday and did a landoffice business among the black miners. Services were held at that mine Sunday and many townspeople attended. Armed negroes still paraded the streets and assume a threatening attitude.

Lay It to Incendiarism.

McConnellsville, O., Sept. 19.—A terrible fire broke out in the business part of this city Sunday in warehouses owned by C. L. Barker. The warehouse was destroyed and much property damaged in adjoining buildings, but by great efforts the courthouse and adjoining buildings were saved. As McConnellsville voted on waterworks Monday and Barker was a leader of the opposition, the fire has caused quite a sensation, and some claim that incendiaries are to blame.

Minister Zorruta Comes Home.

New York, Sept. 19.—Hon. F. B. Loomis, United States minister to Venezuela, was a passenger on board the steamer *Aydes*, which arrived from Venezuelan ports Monday.

Depositors Will Get Dividends.

Washington, Sept. 19.—The comptroller of the currency has declared dividends in favor of the creditors of insolvent national banks as follows: Twenty-five per cent, the Hampshire county national bank, of Northampton, Mass.; 10 per cent, the Sioux national bank, of Sioux City, Ia.

Appointed by the President.

Washington, Sept. 19.—The following appointments were announced by the president Monday: George H. Pickereil, of Ohio, to be consul at St. Nicholas; Fred Page Justin, of Oregon, to be commissioner for the district of Alaska to reside at Wrangell; Thomas Ling, interpreter to the United States consulate at Fachan, China.

A FEARFUL JOURNEY.

Hamlin Garland Reaches Pine Creek, Alaska, After Nearly Starving on the Spokane Route.

San Francisco, Sept. 19.—A Chronicle special from Seattle says: Hamlin Garland has reached Pine Creek, the newest gold camp in Alaska, after a narrow escape from death by starvation on the terrible Spokane route. He has been months on a 1,000-mile journey, taken up at the instance of prominent Canadians, and owes his life to good luck rather than anything else. He started for Dawson from Ashcroft, expecting to make a hurried trip into the interior. With every mile that he put behind himself and Ashcroft the trail grew worse until at last it was impassable. At last the trail faded suddenly from view. For days Garland's party wandered on through swamps and timber lands, none of them knowing where the end would be. After being on short rations for several days they stumbled into a Hudson bay post. They replenished their outfits and started again for the Stickeen. The distance was misrepresented and their grub began to run short, while the end of the journey seemed no nearer. Garland put his men on short rations and kept moving on. At last they reached the Glenora, very much exhausted. From there Garland took a steamer to the Pine Creek country.

WARLIKE PREPARATIONS.

In Spite of Peaceful Declarations Both Chili and Argentine Are Getting Ready for Trouble.

New York, Sept. 19.—A dispatch to the Herald from Valparaiso says: Argentina's circular note instructing her representatives abroad to deny the alarming rumors in connection with her differences with Chili and to state that she is not hostile to the general plan of arbitration proposed by Chili, has not caused a cessation of preparations of Chili to meet any emergency.

The note is regarded as a trick, designed to allure the bankers to place a new loan in Europe for war purposes. As evidence of this it is pointed out that Argentina is pushing her war preparations harder than ever, in spite of such peaceful declarations.

Charged with Abduction.

St. Louis, Sept. 19.—Mrs. C. H. Beard, a show woman, whose stage name is Madam Rosita, and her two children, Leta and Grace Beard, aged respectively 17 and 12 years, who are known on the stage as the Franklin sisters, are under arrest at the Four Courts. The woman is charged with abducting the girl known as Grace Franklin from her parents, Mr. and Mrs. James Nation, in Elwood, Kan., over two years ago. Mrs. Beard is a typical gypsy. She said that at various times officers had tried to get Grace from her, but she had fooled them every time. She claims the child is her own.

Hurt's New Orleans' Business.

New Orleans, Sept. 19.—At the board of health Monday it was stated that there was no information of any other cases of yellow fever than that of Malory Kennedy, announced on Saturday. The United States barracks is quarantined against the city. None of the troops there will be allowed to come into the city. New Orleans is badly tied up as a result of the outside quarantines. The railroads and business community especially are suffering.

Killed by a Falling Derrick.

New York, Sept. 19.—While a gang of laborers were at work Monday morning on the new athletic field adjacent to the Franciscan sisters' convent at Peckskill, N. Y., a large derrick fell and crushed several of the workmen. Patrick Moran was instantly killed, Joseph Nolan will probably die, and Michael McCabe was badly injured.

El Coney Fighters in St. Louis.

St. Louis, Sept. 19.—The Twelfth infantry, United States army, 670 officers and men, arrived here Monday in sections, under the command of Maj. W. H. Humphreys. This regiment, which took a gallant part in the battle at El Carey, came from Montauk Point, and will be stationed at Jefferson barracks, near this city.

A Serious Charge.

London, Sept. 19.—Edward Havens, lord of the manor of East Denyland, near Colechester, was remanded at Harwich Monday on the charge of attempting to drown his 12-year-old daughter from a quay Sunday night.

All Quiet at Candia.

Candia, Island of Crete, Sept. 19.—Edham Pasha, the Turkish governor, has just had a proclamation publicly read, saying that by order of the sultan all arms must be surrendered to the committee formed for that purpose. The surrender has already begun. There is no disorder.

Captain Died of Yellow Fever.

New York, Sept. 19.—A dispatch to the World from Havana says: Capt. Brown, of the American schooner *Maryland*, died on his ship in the harbor here of yellow fever. Four of the crew are down with the malady.

THE TICKET NAMED.

Republican County Convention Nominates a Splendid Ticket.

KADOCH FOR AUDITOR.

Fisher, Ainsworth, Mac Lennan, Phillips and Hink are the Other Nominees—Convention an Earnest One.

The republican county convention met in Denison on Saturday and placed in the field a ticket, which, we believe will commend itself to every voter in Crawford county. It is composed throughout of good men, men who would fill the offices economically and well and who can command the confidence of all the people.

The convention was called to order at 11 a. m. by chairman Nicholson, who presented Mr. C. F. Rothe, as temporary chairman. Mr. F. W. Meyers was then elected a temporary secretary. On motion the chairman was authorized to appoint committees of three each, on Permanent Organization, on Credentials and on Resolutions.

The committees were appointed as follows:

On Permanent Organization—John Huie, Boyer; A. P. Fellingham, West Side; Chas. McHenry, Union.

On Credentials—Chas. Robertson, Charter Oak; D. W. Shaw, Nishabotny; John Way, Willow.

On Resolutions—J. P. Conner, Denison; Dr. Darling, Vail; Taylor Nixon, Stockholm.

After the appointment of the committees the convention listened to an eloquent and enthusiastic speech by Hon. C. F. Kuehne. Others were called on, but as it was approaching the noon hour they declined and the convention adjourned until 1:30 p. m.

The afternoon session was well attended, not only by republicans but by a number of interested democrats. A feeling of earnestness pervaded the convention, and the deliberations were marked less by the desire for personal honors than the deep desire to do that which was for the best of the republican party.

Mr. John Huie presented the report of the committee on permanent organization, recommending that the temporary officers be made permanent. The report was adopted. Mr. Robertson of the credentials committee reported that all townships except Morgan and Soldier, were represented. The report of the committee was adopted and Chas. and Edward Vogt, of Morgan township, were seated in the convention to represent that township.

Judge Conner presented the report of the committee on resolutions. The resolutions are brief and to the point. They seemed to have been prepared less with the idea of rhetorical effect than were the resolutions of the democratic party. They do not attempt to regulate the affairs of both hemispheres, but deal with questions of importance to Crawford county people. The resolutions were as follows:

The republicans of Crawford county, in convention assembled, hereby adopt the following resolutions:

1st. RESOLVED, That we affirm and endorse the principles adopted by the last republican state convention.

2nd. RESOLVED, That we favor the two term rule, fully believing that there are many men in Crawford county capable of filling any one of the county offices, and that it is for the best interest of the public that a change be made at least once in four years.

3d. RESOLVED, That we favor rigid economy in the affairs of the county in order that the taxes paid by the people should be reduced as low as possible.

After the adoption of the resolutions the convention proceeded to the nomination of candidates for the various county offices. On behalf of Charter Oak township, Mr. L. E. Goodwin presented the name of A. F. Kadoch as a candidate for auditor. Mr. Goodwin said that it gave him great pleasure on behalf of the republicans of Charter Oak to present to the republicans of the county the name of a young man who had dwelt long in the county; who had made his own way by unswerving honesty and integrity, by industry and perseverance. A young man who had made friends wherever he was known and who had so won the respect of the community that it was not republicans alone but democrats as well who urged his nomination at this time. He said that Charter Oak was well nigh a unit in asking his nomination, and that they would fight for him from now until November. The nomination of Mr. Kadoch was seconded enthusiastically by delegations from all over the county and he was made the unanimous choice of the convention.

For clerk of the courts, Union township presented the name of Mr. Wm. E. Fishel of that township, and his

selection was also made without a dissenting voice. Mr. Fishel was not present at the convention, but his friends were enthusiastic in his support.

For the office of county attorney Judge Conner presented the name of W. M. MacLennan of Denison. In placing him in nomination Judge Conner said that while the candidate was a young man and had not been long a resident of the county, he knew him to be a close student of the law, a young man who was thoroughly posted on the law as it is to-day, and a man who would see that the county department of justice was economically managed. The nomination of Mr. MacLennan was made by acclamation.

Mr. J. L. Ainsworth was placed in nomination for county recorder. He was well known to all the delegates present, and he said in his speech of acceptance that he intended to make a house to house canvass of the county and called upon his friends to rally to the support of not only himself but of the whole republican ticket.

A. C. Phillips, of Vail, was nominated for coroner without opposition. He made a splendid run against odds last year and it was felt the nomination was due him. The republican contention in regard to this is that the coroner should be a man who understands something of his business and not one who would allow a jury to bring in a verdict when a man was accidentally drowned "that he came to his death by his own neglect" presumably by neglecting to breathe while under water.

The nomination for supervisor developed a good natured contest between Mr. Otto Hink, of Washington township, and Mr. Chas. Saul, of Paradise township. Mr. Saul's candidacy was not generally known throughout the county, but his friends made a good showing for him. The result of the ballot was Hink 894; Saul 467. On motion of Mr. Saul the nomination of Mr. Hink was made unanimous. Mr. Hink has served one term on the board and for the past year has been the only republican member. For this reason on all questions of party he has been out voted and on many other questions he has not had as good an opportunity to carry out his own ideas on the board on account of his party affiliations. In spite of these adverse circumstances Mr. Hink has done good work and has been faithful to the best interests of the whole county and of all parties. He deserves a second term and we believe the people of the county will unite in giving this just recognition of his faithful service.

On account of the extra work incident to fair week, we defer further comment on the ticket until next week when we hope to give to our readers brief accounts of the life-work of the various candidates so that all may know just what kind of men the ticket is composed of. Suffice it for the present to say that the ticket is one which every republican in the county should support not only with his vote but with his earnest effort. In fact we believe its superiority will commend it to the voters of all parties. This is a year of republican victories and Crawford should be in line.
