Cambridge and Deputy Sheriff, took Godfred Petersen to Anamosa Wednesday night. It will be remembered that Petersen was sent up for horse stealing at Charter Oak.

Wm. MacLennan has been making a number of speeches throughout the county this week, and everywhere he has been he has made friends. Mac is a promising young man and well deserving recognition. The following in regard to this young man is from the pen of F. W. Bickel and appeared in the Friday Times Republican:

"John McLennan is the republican nominee for county attorney of Polk county and his brother, W. M. McLennan, is the republican nominee for county attorney of Crawford county. These boys came from Page county several years ago and studied law on their own hard-earned means. They were trained in a good county and have been successful. John McLennan secured the nomination in this county against the concentrated influence of the MacVicar gang, which had decreed that he should not have the nomination because he had not supported MacVicar and brought out a popular young lawyer in an effort to beat him. John is in Crawford county helping his brother, who labors under the difficulty of having a democratic majority against him but hopes to win."

Fred Benning, of Charter Oak, was a Denison visitor on Wednesday last.

This issue we print a fac simile of the ballot to be voted at the November election. Study the ballot well, and if you want to vote the Republican ticket make a cross in the circle opposite the word Republican.

Republican committeemen should see to it that every vote is gotten out. Don't wait until the last moment and then expect the voters will turn out. Let every republican voter take upon himself the responsibility of getting a vote to the polis.

Mr. Harvey Volkman, who has been attending college at Cedar Falls, has returned home and will teach the Nick LaFrantz school this winter. Harvey is fast making his mark in educational circles, and will no doubt reap a rich reward.

A new publication, the Onawa Republican, has been launched at Onawa, Mr. Joe A. Sanderson is editor and says the enterprise will be a success. This gives Onawa three papers which, considering the size of the town, is one too many.

Little Jessie Luney, daughter of Mrs. T. S. Luney, had a very severe fall last Tuesday afternoon while leaving the school house and injured her shoulder blade quite severely, no bones were broken though. We trust the little one may soon be able to attend school again.

Tickets for the John Watson entertainment are being rapidly sold. This entertainment is being given under the auspices of Camp No. 315, Modern Woodmen of America, and should be well attended. Anyone who enjoys music will be well paid by attending.

A. H. Brown is the possessor of a new cornet, manufactured by J. W. York & Son, which he thinks is about right, and no doubt in the near future our people will be favored with some very fine solos. Mr. Brown plays well on most any "old thing" and it is hard telling what he will do now.

On Tuesday evening Nov. 1, Mrs. De Vore will give a free lecture at the Presbyterian church on Alaska. Mrs. DeVore has been a missionary in Alaska for a number of years and is therefore amply able to give an interesting talk on that country. No doubt she will be greeted by a large audience.

Mr. Henry T. Bras and Miss Anna G. Eggers, both of Iowa township, were married on Thursday, October 20, Rev. F. Lothringer officiating. The happy couple are well and favorably known by a wide circle of friends who hasten to extend congratulations, in which the REVIEW wishes to join.

We are informed by T. B. Aikman, who came down from Wall Lake yesterday evening, that in a fight at that place between the railroad graders one man was shot, the ball taking effect in his neck. He also states that some three car loads of scrapers were unloaded there and work on the new road will commence.

Gov. Shaw will deliver three speeches in Crawford county on November 7th. Now lets get up a good crowd and escort him around to the different points. Take the band along, the expense will be light. We can get up a crowd of fifty who will drive across the country to Charter Oak, then to Hohenzollern and back to Denison. The meeting at Denison promises to be largely attended. Let everybody turn out.

The Crawford county school exhibit which takes place Nov. 11 and 12, promises to be very interesting. Preparations are being made to make the exhibit this fall superior to any ever yet given. The business men of Denison will be asked to occupy booths and make displays, the school directors throughout the county will probably allow the teachers and schools a holiday on Nov. 11 to enable all to attend and bring any work which they may have. Anyone having anything in the line of curiosities will be given an invitation to display same. The prizes offered for school work are of such nature as to pay any school to compete for them.

There is in Denison at present musical material enough to organize a brass band of 25 members, an organization which any town the size of Denison would take a great pride in. Why not get started? Winter is coming on and one or two evenings a week devoted to practice would be the means of turning out a first class band. We have just as good musicians in Denison as are to be found anywhere, and an organization run on business principles would be a success. Denison has a state wide reputation, the home of the governor, past National and State W. R. C. presidents and state officers, not to mention the world's prize herd of Aberdeen cattle. Why not have a musical organization of like reputation? Start the ball rolling.

**AN ELEGANT AFTERNOON.**

About Sixty Ladies Attend the At Home Given at the H. C. Laub Residence.

Last Wednesday afternoon Mesdames W. H. and H. C. Laub entertained about sixty ladies at the latter's spacious residence on east Broadway. The large rooms were gaily decorated with pink and red roses and carnations, giving to them a magnificent appearance. The out-of-town guests were Mrs. Differbaker of Los Angeles, Cal., who has been visiting in town for a short time, and Mrs. Welsh of West Side.

Dainty refreshments were served and an hour spent in social conversation. The afternoon will be remembered by those present as one of the pleasant events of the season.

Tonight Mr. and Mrs. W. H. Laub and Mr. and Mrs. H. C. Laub will give a reception at the home of the latter.

The Andrews Opera Company played to a full house last evening and gave universal satisfaction. The opera "Martha" was presented, and was handled in a manner which showed careful training. The solo work of Miss Catharine Lee, as Lady Harriet, was well received and she was loudly applauded. This lady is a singer of marked ability. Miss Nellie Andrews as "Nancy," was better as an actress than as a singer. Mr. Taylor in the role of "Lionel" was a favorite with the audience. His rich tenor voice seemed an inspiration to the others. Mr. Lea Vell also sang some difficult solos. Ed Andrews as Sir Mickleford, proved himself equal to the occasion, as he always does. When he appeared on the stage he was greeted with a round of applause. However he is better in comic opera. The chorus work was fair, and under the direction of Chas. Hazelrigg showed good training. This company on former visits to Denison carried an orchestra, this time they were without one, which in a way had a tendency to damper the performance.

The way Mr. A. F. Kadoch is making friends is a caution. Everywhere he goes he is greeted most cordially. He was up at Vail this week, shaking hands with friends, and all were loud in praise of him. Here is what the Vail Observer says: "A. F. Kadoch, republican candidate for county auditor was in Vail, Friday, making many new friends. He is a very pleasant man to meet and speaks well of his prospects and the treatment at the hands of all he meets. He called at this office while here and enrolled his name on our books just to keep posted on this busy city and surroundings."

**HIGH SCHOOL NOTES.**

Miss Raine is again teaching school. Miss McAhren taught in her place on Friday and Monday last.

The foot ball team is practicing every day. A game with Dow City is scheduled for November 11th. Probably a game with the college team will be played before that time.

Preparations for the exhibit are constantly being made. There will be two programs given, one by the high school pupils and one by the grades. A high school chorus is rehearsing, and it is probable that the college will be represented.

There were 418 half days absences last week in the schools, probably the worst record in years. While the weather was extremely disagreeable, and many no doubt remained out for good reasons, it still appears that the importance of regular attendance is not recognized as it should be. Serious indeed should be the cause necessitating an absence or tardiness. In pleasing contrast to some bad records was Miss Smith's room, which had the remarkably good record for such a week of but 5 half days absences thus entitling her room to the banner.

The football game between our team and the Dow City team will be played on the home grounds on Nov 11th. Let everybody get out and root.

Howard Cole and family went to Omaha today, where they will visit the exposition.

W. V. Whaley, of Dow City, was in Denison yesterday.

Richard McGuire, of Vail, held the lucky number, being No. 49, which drew the chain that was raffled by Ollie Barden.

Mr. W. W. Coon, of Arion, was in Denison on Thursday, and favored us with a call. Mr. Coon is one of the best informed men in our county and when he opens an argument knows just what he is talking about. He informs us that L. M. is doing nicely at Hot Springs. Aside from regaining his health he is practicing his profession and meeting with success.

**A WELL DRESSED FOOT**

Is not alone a thing of neatness, but is characteristic of the wearer. Therefore one can not pay too much attention to their foot ware. We aim to dress the foot with good substantial Shoes in the most up-to-date fashions. We especially pride ourselves in fitting the foot and fitting it properly. The only way this can be done is to have the widths from A to EE, all the Styles, all the Toes, and all the different kinds of stocks. We have them, and we are the only firm in Crawford county so prepared. That's the reason people who wear neatly fitting Shoes always come to us.
