PUBLIC SALE.

We are compelled to retire from the Clothing Business for the lack of space, consequently our Immense Stock of Clothing must go. We make a sacrifice in this line, but our customers get the benefit. This stock must be closed, and dealers as well as customers are invited to participate in this destructive reduction of profits. Any merchant can get the stock at a ruinous discount to close it out in a lump. The stock is all perfectly new, coming direct from the manufacturers within the past sixty days. As already stated, this stock must be closed as soon as possible.

We have just purchased 800 pairs of Shoes of the American Hand Sewed Shoe Co. of Omaha who are going out of the ladies' shoe business. These shoes we bought at a great sacrifice and will give our customers the benefit by announcing some unheard of prices. We have also bought a sample line of Fine Cloaks and Capes for Ladies, Misses and Children at 66²/₃ cents on the dollar, which we will put on sale.
