The Holiness tent meeting closed on Tuesday night. Their meetings were fairly well attended, especially on Sundays they had large audiences. We will not attempt to enumerate the many who attended from other localities. Charter Oak, Danison, Manilla and Deloit were represented at these meetings.

A petition is circulated asking for the moving of the Kiron postoffice to the new town located west of Kiron by the Railroad Co., when that town gets open for business. Not until the business gets started and conducted in the new town will the office be moved. The majority of the patrons are in favor of having it moved, as where they do their business they want their mail also.
