Our three stores, Winterset, Denison and Carroll, are increasing their business daily and gaining the confidence of the people, which fact proves that we DO sell better goods for the same money or the same goods for less money than others. That is why we look so confidently for your support; that is we expect you to go a block or two out of your way--if necessary-- to do trading with us. Labor once more is well employed at better wages; grains bring reasonable prices and everything points to a good season. This fall we look forward with confidence to the largest business our three stores ever had. Dray loads of new merchandise keep coming in daily.
