RUBBER GOODS.

Because of the Shrewdness of the senior member of our firm at Winterset we are enabled to sell Rubber Goods at lower prices than our competitors can buy them for. He foresaw that a trust was forming on Rubber Goods and bought at last year's prices which is 30 per cent lower than our competitors bought them this year.

Not In the Pool. Strictly One Price.
Your Money Back If Not Satisfied.
DENISON, - - IOWA.

GRAND OPENING AND FREE EXCURSION!

We inaugurate for the remainder of October a sale that will create a sensation. This sale means that no competition can follow us. We lead in prices, as we always have—others may follow, but we take the lead. Our store is newly arranged from top to bottom. We now have the leading stock of Dry Goods, Underwear, Cloaks, Capes, Clothing, Furs and Boots and Shoes in western Iowa, and every department is crowded with goods. We have the only exclusive Dry Goods and Shoe Store in the county and we make a study of these lines and therefore have the most complete assortment and quote the best prices in Crawford county. Don't be misled by our competitors because we are not in the pool. All we ask is a fair comparison of goods and prices, we are sure of your trade if you buy on your judgment. Last season we discovered we had no competition in our Cloak and Jacket Department, therefore we have given up two or three other departments, and filled their space with the largest line of these goods ever shown in the county. Our buyers from our several stores go direct to the manufacturers and have our garments made to our order and for our trade. Strictly one price on all these goods, any your money back if not satisfactory.

Out of town customers we place on a level with the city buyer by paying railroad fare of all who come not more than 20 miles and buy goods to the value of \$10 or over.
