OUTLOOK IS GLOOMY.

Buller Fails to Announce Victory From Advances Received.

SCANTY NEWS FROM SOUTH AFRICA

Feeling of Gloom Once More Settles Down Upon the Britishers—White Gains No Important Success—His Position at Ladysmith Dangerous If Not Critical.

LONDON, Nov. 10.—The scanty and conflicting news from the seat of war and the fact that General Buller has not yet said a word about the alleged fighting about Ladysmith are again producing a feeling of gloom. It may be that General Buller has sent news and that General Buller has thought best to keep it to himself. Indeed, this is the version that is beginning to be believed, that the news of fighting brought by natives can be wholly groundless. If this be so, it is ominous, for there could be no ground for concealing favorable news. It cannot be long, however, before a change occurs.

General Buller's forces will soon arrive at Durban, and will probably begin the advance to the relief of Ladysmith about Nov. 15.

The Boers, if they entertained the idea of a real invasion of Cape Colony, have probably now abandoned it and will devote their whole energies to reducing Ladysmith. They have only about a week in which to do this. The fact that they are rather inactive indicates that they are waiting for something which they feel sure will justify their delay. The latest Estcourt dispatches seem to hint that the garrison is about to retire further southward.

Orders have been received at Woolworth and Davenport for the mobilization of a siege train, which it is shown is intended for the purpose of shelling Pretoria. The force manning it will approximate to the strength of eight batteries. Its armament will consist of 30 howitzers, 14 six-inch guns, eight five-inch guns and eight four-inch guns, the whole train weighing more than 3,000 tons. This will be the first employment of a modernized siege train by any European army and the progress of the reduction of the forts by Lydite shell fire, and the army storming with infantry will be watched with interest and curiosity by all professional soldiers.

Lord Salisbury's Speech.

LONDON, Nov. 10.—As was anticipated, Lord Salisbury in his speech at the lord mayor's banquet last evening, said practically nothing that would throw light on the ultimate fate of the Boer republic. The Daily Chronicle rather hastily interprets his phrase: "We seek no gold, no territory," as meaning that the national rights of the republic will be respected in the final settlement. Lord Salisbury distinctly disclaimed any idea of defining the ultimate settlement. The important points in his speech which attract universal attention and gratification are his references to the friendship of the United States and Germany, and his plain statement that there will be no European interferences. Such statements coming from Lord Salisbury will do much to restore the confidence of the country.

Aguinaldo at Boombang.

WASHINGTON, Nov. 10.—The war department definitely located Aguinaldo yesterday as on his way to the town of Boombang, about 75 miles northwest of Tula. It is expected that the insurgent capital now will be shifted to Boombang and the efforts of the American military forces will be directed toward that point. It is in the mountainous country of the north and apparently out of the fertile and populous regions where Aguinaldo thus far has conducted his operations. It is said to be accessible from the south by only one route, along a river which is a branch of the Rio Grande. This leaves the rebel chief little or no opportunity of communicating with the coast or getting in supplies. He has also left the railroad behind.

Germany Keeps Out of Fight.

BERLIN, Nov. 10.—As the result of instructions from the emperor, a military order has been issued to the commanders of districts, in which his majesty expresses his wish that no Prussian officers be granted leave to go to South Africa. The order adds that everything is to be done to prevent former Prussian officers from taking part in the conflict in South Africa, his purpose being to avoid every appearance of violation on the part of Germany of the strict neutrality which the emperor says should be observed.

CARNEGIE DENOUNCES WAR.

English Attack on the Boers Classed as an Outrage on Humanity.

NEW YORK, Nov. 10.—Andrew Carnegie and Mrs. Carnegie were passengers on the White Star steamer Oceanic which arrived yesterday from Liverpool. Mr. Carnegie said to a reporter that the stories that he intended to become a subject of Great Britain were without foundation, for, he said, "where a man's treasure is, there his heart is also."

Speaking of the present war between England and the Boers, Mr. Carnegie said: "The war against the Boers is most infamous and unjust and it was brought about by England's lust for domain and is on a par with our attack on the poor Filipinos. These two attacks are a disgrace to both branches of our race. The people in the Transvaal and the Orange Free State have a right to rule themselves. One war is an attack on an existing and the other on an embryonic republic. It is worse for us to attack the Filipinos than for England to attack the Boers, for we fall from a greater height, as we believe in government by the consent of the governed."

TWO KILLED IN A RUNAWAY.

"Potato King" Welge and Herman Smith Meet Instant Death.

DEADWOOD, S. D., Nov. 10.—George Welge and Herman Smith were instantly killed last night in a runaway three miles from this city on the road to Spearfish. Welge is an old timer and was known to the northern Hills people as the "Potato King," being the largest potato raiser in the Hills. Smith resided in this city and owned a ranch near Chadron, Neb. Welge's neck was broken and Smith's spine was fractured.

Pastor Sheldon's New Creed.

TOPEKA, Nov. 10.—The Rev. Charles M. Sheldon, author of "In His Steps," who is a bold and original thinker along religious lines, has abolished the apostles' creed in his church, the Central Congregational of this city, and has decided to adopt one in its stead, which is simpler in form and language and stripped of what he terms "obsolete" features. The essential features of the new creed were agreed on at a church meeting last night and a committee appointed to draft the new document. Pastor Sheldon's creed as adopted has not sacrificed the religious essential of the old apostles' creed, but, as stated, it is revised in language so simple that the most unlettered may understand it.

Canadians Kidnap an American.

SEATTLE, Nov. 10.—The attention of the state department at Washington has been called to the case of Mark Everett, an American miner confined in the provincial jail at Kamloops, B. C., awaiting trial on a charge of stage robbery. It is alleged that Everett was kidnaped across the line from Republic, Wash., by Canadian officers. When within four miles of the boundary, it is alleged, American officers overtook the party with the prisoner and attempted to serve a writ of habeas corpus, but were driven back by the Canadians at the point of revolvers and Everett was spirited to the other side during the hours of darkness.

Moore Guilty of Murder.

KANSAS CITY, Nov. 10.—Levy P. Moore, who last May murdered Jennie Campbell, Emma Landis and Annie Mish, was found guilty and his penalty fixed at life imprisonment at hard labor.

Elevator Boy Crushed to Death.

DES MOINES, Nov. 10.—Sam Russell, an elevator boy, aged 19, employed in the Observatory building, was killed by his elevator this morning at 7 o'clock. He had just taken a man to the ninth floor and was leaning out of the cage with his hand on the starting lever talking, when he accidentally pulled the lever and the cage shot up to the tenth floor, crushing his body.

British Troopship Disabled.

ST. VINCENT, Cape Verde Islands, Nov. 10.—The British transport Persia, with a squadron of the Inniskillin dragoons, a hospital detachment and munitions of war on board, has been towed here with its thrust shaft broken and other damage done. It was picked up by a tug close to some rocks and was towed 22 miles.

Hobart Has a Restful Night.

PATERSON, N. J., Nov. 10.—The condition of Vice President Hobart is unchanged today. Dr. Newton said Mr. Hobart passed a fairly restful night. Mr. Hobart took a large amount of nourishment in the form of beef broth, milk punches and other liquid nourishment, as well as partaking of a light lunch.

ADMIRAL DEWEY WEDS

Hero of Manila Bay Quietly Married to Mrs. Hazen.

CHURCH GIVES DISPENSATION.

Ceremony Is Performed at Washington, Rev. James F. Mackin, Pastor of St. Paul's Catholic Church, Officiating—Admiral and Bride Arrive in New York.

WASHINGTON, Nov. 10.—Admiral George Dewey and Mrs. Mildred M. Hazen were married quietly at the rectory of St. Paul's Catholic church in this city yesterday morning. The ceremony was performed by Rev. Joseph H. Foley, assistant pastor, and Rev. Sidney Hurlbut. The ceremony was of the simplest character, according to the rites of the Catholic church, and the only witnesses besides the officiating clergymen were Mrs. Washington McLean and Mrs. Ludlow, wife of Admiral Ludlow, mother and sister respectively of the bride, and Lieutenant Caldwell, Admiral Dewey's secretary.

The arrangements for the wedding were made with all the secrecy which has attended the whole affair. After procuring the license for the wedding Wednesday Lieutenant Caldwell called on Father Mackin of St. Paul's, of which Mrs. Hazen is a communicant, and arranged for the wedding. As Admiral Dewey is not a Catholic, a special dispensation was required, and this was procured by Father Mackin from Bishop Curtis, vicar general of the diocese of Baltimore, who granted it in the absence of Cardinal Gibbons, who is at present in New Orleans.

NEW YORK, Nov. 10.—Admiral and Mrs. Dewey arrived here last evening and were driven direct to the Waldorf where they spent the evening. They did not leave the hotel during the evening. The Admiral and Mrs. Dewey got away from Washington without attracting any attention.

BOTH PARTIES CRY FRAUD.

Each Side Claims Election of Its Ticket in Kentucky.

LOUISVILLE, Nov. 10.—The Courier Journal's returns received up to 3 a. m. cover all but 35 precincts in the state. They give Goebel a net plurality of 941. Ten of the missing precincts are in Democratic counties and 25 are in Republican. Returns received by the Commercial (Rep.), up to the same hour give Taylor a net plurality of 3,438 in the state.

LOUISVILLE, Nov. 10.—A confusion of claims and counter-claims, to quiet which the official count or perhaps a contest before the legislature, is all that is left of Tuesday's election. Above it all vehement cries of fraud, committed or contemplated, are heard. Each side claims the election of its ticket by a plurality of about 4,000 and presents figures to back up the claim. These figures in some counties vary widely and it is impossible to tell which side, if either, has accurate returns.

Chairman Long of the Republican campaign committee, when asked for an estimate of the vote on the gubernatorial race, said: "I have no estimate to give, but I can furnish the actual figures. On the face of the returns, Taylor's plurality is 4,198. All of the precincts have been heard from. Twelve counties are not official, including the returns from Kenton and Breathitt."

General Taylor said he was sure of his election by a majority that will not be less than 4,000. Mr. Taylor said that official and semi-official returns from nearly every precinct in the state showed that he had been elected.

A special from Frankfort quotes Governor Bradley as saying: "Taylor has been elected by at least 10,000 majority and he will be the next governor of Kentucky."

On the other hand returns from Democratic sources show a plurality on the face of the returns of about 2,000 for Goebel. This they claim is to be affected by returns from some missing precincts where they can hardly do worse than break even. Mr. Goebel and Mr. Blackburn in an interview at Frankfort, openly charged the Republicans with fraud in the Eleventh district, from which the returns are coming in very slowly.

The returns indicate a contest before the legislature which, beyond reasonable doubt, will be controlled by the Democrats. Whether or not the members belonging to that party will stand together on questions affecting the governorship cannot be foretold.

Close Fight for Second Place.

COLUMBUS, O., Nov. 10.—A flurry was created in political circles yesterday by the claims of the Democratic state committee that Patrick (Dem.) had been elected lieutenant governor over Caldwell (Rep.). The returns show that Caldwell has been cut heavily, as the result of the fight made against him by the antisaloon league. Returns received from 70 counties give Caldwell a plurality of 8,278. The remaining counties gave Nash a plurality of 13,106, and as they are all strongly Republican, Chairman Dick claims the election of Caldwell with the greatest confidence. It is claimed Caldwell's plurality over Patrick will not be less than 5,000. Revised figures on the head of the ticket show that Nash's plurality is 50,513.

FORT DODGE, Ia., Nov. 7.—The west-bound passenger train on the Illinois Central, which is due to arrive at Fort Dodge at 2:45 a. m., was delayed by running into a drove of 65 high grade cattle at the Dunlap crossing. Meek Is Near His End. DES MOINES, Nov. 6.—Thomas Meek,

who is now in the county jail awaiting trial on the charge of assault preferred against him by the parents of several little girls who had been his scholars, cannot live long. In the opinion of several physicians who made an examination of him in confinement, he can only survive three or four months. His crime was the most monstrous in the state's history.

Book Talks by Librarians.

CEDAR RAPIDS, Ia., Nov. 9.—The tenth annual convention of the Iowa Library association began here yesterday with about 60 delegates in attendance. President Johnston, in his annual address, showed that the growth of library advantages in Iowa in the last ten years had been exceptional. The papers were full of interest. Mrs. Allan Dawson of Des Moines read one on "The Making of Books." "Classification and Cataloguing" was discussed by Miss Edna Bullock of Des Moines.

They were given a royal welcome by at least 50,000 people on the streets and any amount of noise from whistles, bells, cheering and fireworks. The Oskaloosa and Knoxville companies went on to their respective homes and the Des Moines boys were given a reception at the Auditorium.

There is great rejoicing that the boys return in such good condition, but few falling by war or disease and few others being detained in hospitals.

Men of the Fifty-First Regiment Given a Royal Welcome.

COUNCIL BLUFFS, Nov. 7.—Never before in the history of the city did Council Bluffs witness such a demonstration as the reception given by the state of Iowa to the returning Fifty-first Iowa volunteers yesterday.

Almost on the hour of 8 the first section pulled slowly to the depot amid a deafening chorus of whistles from all the engines in the neighboring yards. From all the windows of the long train leaved blue-coated forms, waving hats and handkerchiefs. And the crowds about the depot responded with a similar demonstration. The soldiers were given an official welcome by Governor Snaw and were feted by citizens, dainty hands serving them a royal spread.
