A SPLENDID MEETING

Largest Gathering of the Kind Ever Held Here.

AN AUSPICIOUS START.

Committee Selected to Push for Normal Location--The Committee Organizes.

The meeting held at the City Hall on Saturday evening for the purpose of organizing to push the work for the location of a state normal in Denison, was the largest gathering of the kind ever held in our city. The city hall was crowded with men upon whose faces could be seen the determination to make a winning fight for Denison. Mayor Kemming presided over the meeting and brief speeches were made by J. B. Romans, Judge J. P. Conner, F. W. Meyers, Geo. Richardson, Max Sime and P. E. C. Lally. It did not need any speechmaking however, to convince those present that something must be done, and speedily done, to place Denison in the race. The situation was carefully considered and on motion of Hon. P. E. C. Lally a committee of six was appointed to have entire charge of Denison's campaign, the raising of funds and all other matters connected with the prosecution of the work. The committee consists of the following: J. P. Conner, Carl F. Kuehnle, Chas. Tabor, Sears McHenry, J. B. Romans and F. W. Meyers. We believe with all due modesty that this is an excellent committee, and at least we know that every member is thoroughly in earnest and will put forth all in their power to win. The committee can do nothing without the united backing of the community, expressed not only by words of encouragement, but by good hard cash. That the amount necessary to carry on the work will be forthcoming is evidenced by the fact that many wished to contribute while at the meeting but that the committee thought best to proceed systematically. Within the next week every citizen will be called upon and every man should subscribe just as liberally as his means will permit.

The meeting adjourned with the best of feeling and we are sure that the results will be beneficial to Denison even if the project fails.

That the committee is thoroughly in earnest was shown by the fact that it was in session nearly all of Monday forenoon. Messrs. Conner, Tabor and Romans were appointed as a sub-committee on finance and to have charge of all expenditures. It was moved and carried that after making the contest any surplus funds should be paid back pro rata to the donors. A plan of action was resolved upon. Chas. Bullock was by unanimous vote added to the committee. A press committee consisting of Editors Cook, Caswell, Faul, Harthun and Meyers was appointed, as well as sub-committees to canvass each ward. Much other business was transacted as a result of which Mr. Romans left for Des Moines on Monday afternoon. Mr. Bullock left on Monday evening, Mr. Kuehnle after stopping at Carroll went on to Des Moines on Tuesday morning, and this article was written by the editor of the REVIEW while on his way to the seat of war. Mr. Chas. Tabor will be in Des Moines bright and early Wednesday morning.

We believe the people can rest assured that the committee is doing all it can. Let us all work together, and win or lose there can be no regrets.

Mr. Alfred Larson leaves today for a week's visit with relatives in Chicago. Leon Servos will take his place at the "phone" exchange nights.

Chas Underhill, of Arion, called at the REVIEW office yesterday. Chas. is "on the road" and is just finishing up his winter trip. He reports business as having been very good.

Mr. Isaac Patterson of West Side was in Denison yesterday. From here he went to Omaha and he tells us that he expects to spend the remainder of the winter in New Mexico.

"The time card that the Central was to put on the first of the week has been deferred one week on account of not having the semaphores all in place by which their trains are operated. Their block system being different from that of the C. & N. W., in that when a train comes to the station the engineer whistles four times for orders and if there are no orders for that train the blocks remain as it was with the danger signal showing, but if there are orders that signal is brought down and the train stops for orders, after whistling to show that the signal has been seen." --Logan Observer.

IOWA HAPPENINGS.

Man and Wife Going to Klondike.
VILLISCA, Ia., Jan. 19.—Charles Dunn and wife are preparing for an early start to the Klondike. Dunn has been there before. His wife says she is willing to go wherever he does.

Death of Edward Townsend.
CEDAR FALLS, Ia., Jan. 20.—Edward Townsend of this city, a former member of the legislature and a member of the board of directors of the Iowa State Normal school, died yesterday from lung fever.

Boy Accidentally Shot.
GLENWOOD, Ia., Jan. 23.—At Old Pacific City Sunday Thomas Lee was accidentally shot by a companion. The ball went through the right arm and into the chest cavity. The chance for his recovery is slight.

Court Stops Telephone Deal.
STOUC CITY, Jan. 19.—A proposed consolidation of the Iowa Telephone company and the Home Telephone company, the latter a local concern, was stopped by an order of the court, issued at the instance of a minority stockholder, who opposed the absorption of the smaller concern by the Bell corporation.

McCammon Will Case Settled.
GLENWOOD, Ia., Jan. 23.—The suit of James McCammon to have set aside the will of his father, urging undue influence and unsoundness of mind at the time the instrument was executed, has been settled. The mother secures about \$5,000 and property in Kansas, the son, the plaintiff, \$4,000, court costs to be paid by the mother.

Electric Road at Iowa City.
IOWA CITY, Jan. 22.—An electric railroad is being projected and will probably be built this year from Iowa City westward and passing through the villages of Fendale and Windham in Johnson county and Parnell and Holbrook in Iowa county. This will make the line 25 miles long. The road will be standard gauge and will do a passenger and freight business.

Lottery by Jury Illegal.
DES MOINES, Jan. 20.—Because the jurors reached a decision by lottery methods, the supreme court yesterday reversed the case of G. W. Sylvester against the town of Casey, a suit for damages. The verdict was reached by an agreement between the jurors that each should set down an amount between two sums which was fixed upon as maximum and minimum and the total of the amounts so given be divided by 12, this quotient to be the verdict. This was done. The affidavits of the jurors detailing this method were offered before the higher tribunal.

Graham Defeats Rowland.
DES MOINES, Jan. 23.—In a sparring match here last night Jimmy Graham of Des Moines, ex-champion of Iowa, defeated Dick Rowland of Davenport in the second round of what was to have been a twenty-five round bout for \$500. A left swing on the jaw and a right hook to the heart were the blows which won. About 1,100 people saw the fight. There were two preliminary bouts. In the first Charles Bell of Iowa City won the colored championship of Iowa in the seventh round. In the second bout Hayes Mills of Durant, Ia., fought a draw of ten rounds with Ostley Turney.

Sustains Iowa Inheritance Law.
DES MOINES, Jan. 23.—The supreme court handed down an opinion sustaining the constitutionality of the inheritance law, passed three years ago. It imposes a tax of 5 per cent on all inheritances which goes to collateral heirs. The heirs of the estate of Frank C. Stewart of Council Bluffs objected to paying and in the lower court, Judge Thorne held the law unconstitutional. On appeal the supreme court holds that the law as first passed unconstitutional, but as amended a year later, with a provision that notice must be given to administrators of action to collect the tax, it is constitutional and applies to estates not settled before the amendatory act passed.

INDICTS A DIVINE HEALER.

Iowa Grand Jury Also Accuses Mother of the Patient.
COUNCIL BLUFFS, Jan. 19.—The grand jury returned true bills against S. P. James of South Omaha, a divine healer, and Mrs. P. B. Yates of Tabor, Ia., on the charge of being criminally responsible for the death of the latter's daughter, Ethel Yates, which occurred in this city Jan. 5.

The post mortem examination held on the body of Miss Yates showed that death was the result of appendicitis. A physician who had been in attendance upon the case was discharged and the girl was treated by faith cure.

COUNTIES AND THE INSANE.

Board of Control Denounced by Association of County Supervisors.
AMES, Ia., Jan. 19.—The third biennial meeting of the Association of County Supervisors of Iowa began here yesterday. The afternoon session was devoted most entirely to discussion of county care of incurable insane. The question was introduced by F. E. Morris of Polk county, who denounced the recent order of the board of control, to the effect that hereafter such patients would be kept by the state at the expense of the county. The interference of the board of control in the matter was vigorously criticised on all sides and Judge Kinno of the board was especially taken to task for his reports regarding the condition of several county poor farms and insane hospitals which he visited for the purpose of inspection. A resolution was adopted to the effect that the counties can take as good care of harmless and incurable insane as the state; that they can do it cheaper and that the association advocated the maintenance of these unfortunates at home near their friends.

TO BE ILLUSTRATED

The Review to Present a Series of Denison Views.

A VALUABLE COLLECTION

Series Will Begin Next Week With View of the New High School Building.

Just at this time every citizen of Denison is stirred with loyal enthusiasm for the beautiful city which we are proud to call our home. The REVIEW has caught the inspiration of this, of love and loyalty and purposes to publish to the world the beauties of Denison. This will not be done in the ordinary write-up style, but beginning next week we shall publish in each issue, views of Denison's prominent, public and private buildings. We have a number of old plates in the office but we have decided upon an absolutely new and complete series of uniform size and finish. The series will begin next week with a picture of Denison's new High School, and the floor plans on which it is built. This will be followed with pictures of the new depots, the Illinois Central and Northwestern, the College buildings, churches, business blocks and a number of the residences of the city. These pictures will appear in the regular issues of the REVIEW and every subscriber will thus get the complete set. In order to place these pictures in a still more durable and convenient form we have decided to print a number of proofs on fine enameled paper, using half-tone ink and thus giving a fine artistic effect. These pictures will sell at a penny a piece. The REVIEW's Penny pictures ought to make a hit. Every one should have a set of them at his home and should send some of them to his friends to advertise our beautiful city. Subscribers living out of town can get the complete set of twelve pictures for 15 cents, the three cents being added for postage and wrapping.

The REVIEW enters upon this little venture not only for the benefit of its readers but in order if possible to aid in the object upon which all Denison has set its heart at present. We hope for a sufficiently generous response to pay the cost of engraving. That is all we ask or expect and surely the beautiful pictures finely printed will be worth a Penny a Piece.

Church Notes.

BAPTIST NEWS.

The pastors subject for Sunday morning was "Christian Omnipotence". The evening subject was "Will not the Judge of All the Earth Do Right?" After the evening services the ordinance of baptism was administered to a number.

The B. Y. P. U. had an excellent meeting on Sunday evening under the leadership of Miss Edna Stephens.

The Christian Culture Course class will meet on next Thursday night immediately after the prayer meeting. The ninth and tenth lessons are to be considered. It is especially requested that all those interested in this work be present.

PRESBYTERIAN.

The special revival services in progress the past two weeks under the charge of Evangelists Tuller and Roth closed with a farewell service on Monday evening. The meetings were largely attended and much good has been accomplished in strengthening spiritual life and in leading to decision for Christ. The manifestation of Christian unity and fellowship was very marked. The best wishes of our people go with the Evangelists in their future work.

Next Sabbath morning Communion services will be held at 10:30. At 10 o'clock the elders meet in the chapel to receive members into church fellowship.

The Ladies' Aid Society meet with Mrs. Hope on Wednesday afternoon.

The Christian Endeavor Society will give a reception to new members at the parsonage on Friday evening of this week.

The REVIEW kite and banner visited Dow City last Saturday. The event was a great one for the small boys and quite a number of our subscribers took advantage of the offer as well.

YAQUIS MAKE A LAST STAND.

Defeated in Great Battle, They Break Up Into Small Bands.

NOGALES, A. T., Jan. 23.—A message from Ortiz, a station on the Sonora railroad, reports that carriers from Maccoyte confirm the account of the last stand of the Yaqui Indians against the Mexican general, Lorenzo Torres.

Official telegrams received in Nogales place the Mexican loss in killed and wounded at 80, and a message sent over the government wires last night confirms the report of the killing of the Yaqui chief, Totabiate, along with 200 of his best fighters.

The 500 Indians taken prisoners will be brought to Ortiz and also Father Beltran and the Josephine sisters, who were rescued.

Governor Torral, at Hermosillo, has wired all points in Sonora to be on guard and to look out for small bands of Indians.
