Attorney J. F. Lavender of Rockwell City was in Denison last evening, but returned at once upon learning that Judge Elwood had not arrived. Mr. Lavender is attorney for the plaintiff in the case of Rose Moore vs. McHenry. A good many people are allowing February to pass with out accepting our generous offer of the REVIEW, one year for \$1.50 and 10 per cent discount on all arrearages. This is better interest on your money than you can get in any other way. When a man saves ten per cent on his debts he can consider himself mighty lucky. During January our subscribers responded nobly, during February they have not done so well, but this may be partially accounted for by the inclement weather, and the fact that January is the general settlement month. Those in arrears should remember that the REVIEW is not "bluffing" about the cash basis in April. We would rather have 1,000 paying subscribers than 2,000 only one-half of whom pay. In April we shall stop sending the REVIEW to those who have not paid for it and we shall proceed to collect our accounts. This means that wherever it becomes necessary we shall have recourse to the protection against debtors afforded by law. The REVIEW has never brought suit against any man but as a last recourse we shall do so in the future. Perhaps our readers think it is such fun to run a newspaper that we ought to do it for nothing. The REVIEW is now one of the largest business enterprises in Denison, it pays more wages than all the other printing concerns in Denison put together. It uses a ton of paper every month and it pays cash for all it gets. Yes, if any one thinks life is all one giddy round of pleasure in running a newspaper of the REVIEW kind, we would like to have them size up along side of our wage and paper bills for a out a month.

THE WHISTERS.

Denison made a good record at the whist meeting at Lincoln last week, our team consisting of Gable, Kuehnle McAlpin and Grason taking fifth place out of a field of nine. The summer meeting will take place at Lake Manawa, and the next winter meeting at Kansas City.

Now is the time you can reap your harvest in the clothing line. In order to dispose of heavy winter goods we will stand up and tell you that you cannot get out of the store without buying. We know what we are talking about. We have not got too much goods left over. We bought more goods and sold more than we ever did before in the history of our business in Denison in one year. The only way to do a clothing business is to sell to the same party the second time. We have been doing it for 20 years. Come and see us and we will talk with you. Don't be afraid of "losing the choice" as we do a first class clothing business and are always prepared for our trade. Experience taught us if we did not have the goods we could sell them. Thanking you all for past favors, we remain your servants in the clothing business.

The Old Reliable Clothiers.

A NEW STORE.

Mr. A. S. Levitt and Mr. Downs, of Winterset were Denison visitors over Sunday. Mr. Levitt will occupy Orkin Bros. store after March 1st with a fine line of dry goods, cloaks and millinery. He proposes to cater exclusively to the ladies needs and promises to put in the finest line of dry goods between Boone and Omaha. Mr. Downs who will assist in the new store is a man of great reputation as a dry goods sales man and buyer. The gentlemen and their families will move to Denison in the near future and the new store will be ready for general opening about March 15. The following notice is taken from the Winterset News concerning the new firm: Orkin and Levitt dissolve partnership on the first day of March. Max Orkin and his brothers will carry on the business here under the firm name of M. Orkin & Bros. and Levitt will go to Denison where he will open up an exclusive dry goods store. Mr. Levitt is buying his dry goods stock this week. Mr. Downs, one of the best dry goods men in Iowa will go with him and act as chief clerk. No other Winterset clerks will go with him. The store will be one of the finest exclusive dry goods stores in Iowa and will cater to the best trade. Mr. Levitt is convinced that there is a fine opening in Denison for such a store and will give the town a store that she can be proud of. The firm of Orkin & Levitt is about eight years old. The young men came to Winterset with a stock that could all be obtained in one dry goods box. The Fair Store today is one of the largest mercantile establishments in the state. With the growth of the business and the growth of the firm the young men think there is a wider field for each of them by a dissolution of partnership and for each to go into business for himself. Mr. Levitt will move to Denison as soon as he can get affairs arranged in Winterset.
