AN IMPORTANT SALE.

Stewart Lumber Company Will Soon be Located Up Town.

Mr. Chris Christensen has sold his blacksmith shop and residence, immediately west of the REVIEW office to the Stewart Lumber Co., for a cash consideration of \$4500. Possession will be given about March 1st, at which time Mr. Christensen will remove to a farm near Denison. The Stewart Lumber Co. is a live, progressive and prosperous concern and there is no doubt that their move will be a good one from a business standpoint. The centralization of the business interests of the city is a good thing. It is entirely probable that the other lumber companies will follow the example of the Stewart Lumber Co. and locate up town. We understand Mr. Scriver intends to erect permanent, fire-proof buildings and sheds.

DEATH OF JACOB KRAUTH.

On last Friday afternoon occurred the death of Mr. Jacob Krauth, who died after an illness of 18 hours, the cause of his death being acute delirium. Deceased had made Denison his home for a number of years where he had worked at his trade, that of a painter. The funeral was held Saturday afternoon, and interment was made in Oakland cemetery.

Mr. Krauth was a guileless and—despite his faults—as lovable a man as one could meet. He had the instincts of a gentleman, but not the strength to overcome his appetite for drink. As a workman he was first-class, barring his fatal failing. From the bottom of our hearts we are sorry for poor Jake and have been for many a day. His life and death are a sad lesson to the community. We can do nothing for him, but there are some still living here who are rapidly following in his footsteps and something should be done for them. Any saloon man or other liquor dealer who will deliberately sell to these men ought to be tarred and feathered. There are two or three men whom the REVIEW has in mind to whom liquor should not be sold by anyone who calls himself a man. We believe the people of Denison can make a pretty shrewd guess as to who they are. The next time they are found intoxicated they should be arrested and compelled to tell where they got their drinks and then the man who sold it should be prosecuted to the full extent of the law. We believe in this kind of temperance work and will stand back of any move to enforce it.

THE JOLLIEST TIME.

It is a number of years since the people of Denison discovered that the way to have a good time—a genuine good time, a good time worth remembering and talking about—was to have a party on the spur of the moment and go out to Fred Marshall's place. There is something so wholesome and jolly about the hospitality of Fred and his wife that the frigid lines imposed by society melt before its warmth and old folks become young and middle aged fold infants, and young folks, babes in arms. This experiment has been tried in the line of pillow parties, picnics and hayrides and bob rides and has always proven a success. Last Friday night it was a bob-ride and every person who was there has been busy ever since telling about it. We were not there owing to absence from the city, but we wish we had been.

A NEW CREAMERY.

We are reliably informed that Mr. E. Gulick has sold the machinery and leased the creamery building to a large creamery company for a term of five years, with a privilege of ten years, and the company will soon begin operations here. A bond of \$5,000 has been placed to ensure fair dealing and sure pay to all customers. In the past many customers of the creamery have been cheated in one way and another and the incoming proprietors propose to work hard to regain their confidence. We believe a creamery run on business principles will be a great benefit and trust that the new company will so conduct their business as to make it a success.

PAINFUL ACCIDENT.

While walking near Luney Bros' mill last Saturday morning Mr. Sam'l Smythe slipped and fell, breaking his leg near the hip joint. On account of his old age the fracture will perhaps be some time in healing and it is all the more painful on account of it being the same leg that was broken in the ankle joint several years ago.

O. L. Fink, of the Harlan Mills, was in Denison Friday evening, having been out in the country visiting relatives. He took occasion he says to place two car loads of his flour in the county, and says he is meeting with success all along the line. Saturday morning Mr. Fink went to Omaha where he will meet a representative of the Trans-Mississippi Elevator Co. with a view to getting that Company to handle his flour.

The Friday Club will observe its annual guest night tomorrow evening. The club will entertain its friends at the home of Mrs. E. F. Philbrook with a colonial dinner.

John MacVicar won out for a third term nomination for mayor of Des Moines yesterday.

A BRILLIANT RECEPTION.

One of the most charming society events that has been given in Denison this winter, was the reception given by Mr. and Mrs. F. J. Young at their beautiful new home last Saturday evening. The guests, some sixty in number, were admitted by Miss Ethel Gulick and received by Mr. and Mrs. Young in the reception hall. A very entertaining and social time was had for some time and then a very interesting game was played called "Hidden Capital Cities" in which it was shown that nearly all present were very proficient in their geography, some twenty-seven correctly answering all the questions. Messrs. J. P. Conner, Sears McHenry and Rev. J. B. Harris acted as judges and decided that they should cast lots for the prize. Mr. McHenry held the hat containing the slips and each in turn drew out a number, Mrs. Sears McHenry finally drawing the lucky one. The prize was a beautiful china bon-bon box filled with bon-bons. Mr. Gable won the "booby" prize which was also a bon-bon box containing a rubber doll. The company was favored with some very fine musical selections. Miss Pearl Ley gave a charming instrumental solo, and Mr. Stern gave several skillfully executed numbers on the violin, while Prof. Eastman in his usually entertaining manner rendered some fine vocal selections. Misses Weeks, Romans, Gulick and Ley then served the following delightful two-course supper:

- Scalloped Oysters
Bread Sandwiches
Pickles
Fruit Cake
Coffee
Angel Food

At a late hour all departed having spent a most delightful and entertaining evening and all voting Mr. and Mrs. Young ideal "hosts."

COURT NEWS.

The jury in the case of Conrad-Huffman and Barsby brought in a verdict of \$275 in favor of the plaintiff. The costs are about \$100 which the boys will have to pay. The criminal case was dismissed as far as the indictment for assault with intent to kill was concerned, and the boys plead guilty to the charge of assault and battery. The court has not announced their fines as yet, but the fight will cost the boys not less than \$500. This is rather an expensive fight for the boys.

The case of McHenry vs. the F. D. & O. Ry. was a hard fought legal battle and at this writing the jury is still out.

The court is now hearing the case of Chase vs. Leeper. Leeper is being sued as constable, the Romans Bros. of Charter Oak being the real defendants.

Mr. T. J. Garrison left on Friday for Battle Creek, Michigan, where he will spend the next few weeks recruiting his health. Miss Terry accompanied him to Chicago and will return tomorrow morning with Miss Lillian Garrison who has been spending the winter in the east.

The Woodmen of the World paid a very appropriate tribute of affection to one of their best lodge workers last Saturday evening by presenting a handsome rocking chair to their past consul commander, Ellsworth Walker. Sovereign Walker is fully worthy the good things said of him and of the good will which went with the gift.

This will be a busy social week for Denison people. On Monday evening the concert drew a large number. Tonight the Knights of Pythias give their annual banquet, on Wednesday evening will occur the club dance and the Friday club dinner. On Thursday, occurs a masquerade dance, while on Friday night is the concert given by the 51st Regiment Band.

Haugh & Kemming.

Now is the time you can reap your harvest in the clothing line. In order to dispose of heavy winter goods we will stand up and tell you that you cannot get out of the store without buying. We know what we are talking about. We have not got too much goods left over. We bought more goods and sold more than we ever did before in the history of our business in Denison in one year. The only way to do a clothing business is to sell to the same party the second time. We have been doing it for 20 years. Come and see us and we will talk with you. Don't be afraid of "losing the choice" as we do a first class clothing business and are always prepared for our trade. Experience taught us if we did not have the goods we could sell them. Thanking you all for past favors, we remain your servants in the clothing business.
