Two of Denison's habitual drunkards were on a tear again yesterday. We do not believe they got their liquor from the saloons. They either bought it at some other place or had others buy it for them. The man who would buy whiskey for one of these men ought to be horse whipped.

**RECEPTION FOR MRS. SEYMOUR.**

On yesterday afternoon, Mrs. Henry Seemann and Mrs. J. N. Bradley gave a reception to the Coterie club in honor of Mrs. Louise Carter Seymour. Mrs. Seymour was a much loved member of the club and the ladies were delighted to greet her again. The afternoon was pleasantly spent with games and contests in which Mrs. Max Sime and Miss Gem Coles were victors. The ladies had all been requested in the invitations to send in their shoe number, and there was much curiosity to know what the new game was in which the size of their shoes was to figure. None neglected to ask and all felt a bit cheap when told—"There is where the pinch comes in." Refreshments consisting of combination salad, sandwiches, veal loaf with jelly, pear pickles, coffee, cake and nuts. The ladies pronounced it a most agreeable afternoon.

As we expected the Bulletin takes up the Head resolution and makes much over it. The resolutions themselves are foolish. Why should not a public officer engage in private business? What proof has the Bulletin or Mr. Head that the Governor or any other state officer is interested in any concern calculated to "fleece" the people. If such evidence exists it should be brought forward, but no criticisms should be made of honorable and legitimate business connections. The Bulletin says "It is not everybody who has a name they can speculate on." True for you Bro. Caswell. A company would be much more apt to pay you to get out of it than to pay you for the use of your name.

Yesterday was an exceedingly busy day at the banks and at the court house. Many settlements were made, old loans paid and new ones made, farms rented and sold. It was a moving day March 1st.

Mr. Hugo Gebert has been in Des Moines this week buying millinery for The Boys Store. The Boys have had some big improvements made in their store recently, which adds greatly to the convenience and roominess of the store.

Owing to the fact that Mr. McLennan was elected to fill the vacancy caused by the resignation of Mr. Geo. L. Wright, the office of city solicitor will be one of those to be filled at the spring election.

The city school election takes place March 12th. It is a matter in which all our people are interested and it should receive careful attention. The old way of electing at haphazard is not a good one. A caucus should be called and nominations made as in other elections.

Mr. Merritt of Louise, Texas, is visiting Denison friends; he has many things to tell of the way they manage things down there politically. He confirms what we already know, that it is only in the republican north where the freedom of the ballot exists.

Invitations have been issued for a reception to be given by Mrs. W. R. Kirk assisted by Mrs. H. A. Boyle and Mrs. W. R. Temple, to morrow afternoon in honor of Mrs. J. A. Ott. Mrs. Ott leaves on Monday to join her husband at Marshalltown and the reception is in the nature of a farewell.

The Friday Club met at the home of Mrs. J. H. Mahoney this afternoon, that being the time for their annual election of officers. The following officers were elected: President, Mrs. D. L. Boynton; Vice President, Mrs. J. H. Holmes; Secretary, Mrs. S. McHenry; Critic, Mrs. C. L. Voss; Executive Committee, Mesdames Beard, Philbrook, and Johnson.

The REVIEW presents a letter this week concerning the National Womens Suffrage convention from the pen of Mrs. J. Fred Meyers. The account will be continued in our next issue. It is needless for us to say how much we appreciate these timely letters from one who has done so much for the REVIEW.

The Carter Reynolds Co. has been playing to good houses all the week and have fully sustained the good reputation gained on Monday evening. It would be a good idea for people to turn out generously tomorrow night and give a rousing farewell to the clever Denison girl who has won her way to success by hard work and despite many difficulties. Denison can well be proud of Louise Carter and it would be but right to show it.

Five per cent. discount on all arrears is what we are offering our subscribers this month. The good business man discounts his bills whenever he possibly can. If you have not settled your newspaper account this year do so at once. Kiron is so far the banner town on our list in the matter of payments. Out of nearly 100 subscribers there are but ten who are not paid ahead of April 1, 1900.

On Wednesday the REVIEW force spent the evening at the home of Mr. F. W. Meyers in celebration of his birthday. The REVIEW family is a pretty big one, just an even dozen, and they are about as harmonious a family as can be found anywhere. The evening was spent with games, refreshments and a "print shop" puzzle story which we may print some day for the benefit of our exchanges. When the party left Master Frederick Louis Meyers found himself the richer by two very handsome baby rings, for which we return thanks until the young man gets able to do so himself.
