PREPARING FOR WAR.

Correspondents Barred From Japanese Naval Maneuvers.

RUSSIA PRESENTS A DEMAND.

Leave to Land Troops in Korea the Latest Move—Japan Will Resist the Czar's Attempt to Gain a Foothold in the Hermit Kingdom.

SEATTLE, March 30.—The government transport Garonne, from Manila, Feb. 17, has arrived from quarantine with news of active preparations in the military and naval departments of Japan for war with Russia. The Russian fleet at Nagasaki has disregarded the harbor authorities and anchored where it pleased. The war spirit is said by Captain Conrad of the Garonne to be strong in Japan on account of the czar's secret attempt to gain influence in Korea in violation of the treaty. A grand assembling of the Japanese navy, to be followed by maneuvers from which foreign newspaper correspondents and the public generally were to be excluded, was fixed for the last of this month.

Russia Presents a Demand.

LONDON, March 30.—The Evening News publishes a dispatch from Kobe, Japan, under yesterday's date, announcing that Russia has demanded leave to land troops near Masanpho. Korea, the dispatch says, wants no outside interference.

MAKES NO OBJECTION.

France Waives Any Claim It May Have Over Danish West Indies.

PARIS, March 30.—The foreign office authorities make the following statement regarding France's attitude toward American acquisition of the Danish West Indies:

"France will place no obstacle whatever in the way of the success of the Danish-American negotiations. On the contrary, in view of her cordial relations with both the United States and Denmark, she is willing to waive her rights over Santa Cruz, as France values her friendship with these two countries far more highly than any claims she may have in the Danish Antilles."

Aguinaldo Visits Manila in Disguise.

TACOMA, Wash., March 30.—Captain Conrad of the transport Garonne, which arrived last night from Manila, reports that Aguinaldo, according to reports current there, is able to visit Manila in disguise almost as often as he wishes. How this is accomplished no one seems to know, but it is known positively that he attended a grand mask ball at Manila on New Year's night and has been seen there several times since. He is heard from occasionally as being first in one place and then in another. Conrad was told by American officers that while the backbone of the rebellion is broken, it will be a long time before guerrilla fighting can be fully stopped.

Indiana Strike at an End.

IN DIANAPOLIS, Ind., March 30.—The state labor commissioners have been informed that the strikes of miners in Indiana is at an end. The four mine operators in the Evansville district agreed to a recognition of the union and to pay their men according to the Terre Haute scale of wages and were the last of the operators to come to terms. The union now prevails throughout the state and there are no miners on strike. The strike, in which about 1,000 were concerned, began 11 months ago.

TEST VOTE IN SENATE

Porto Rico Bill Believed to Be Sure of Passage.

MAJORITY IN FAVOR OF TARIFF.

Proposition to Strike Out the Provision Levying Fifteen Per Cent of the Dingley Law Duties Is Defeated by a Vote of Sixteen to Thirty-Three.

WASHINGTON, March 30.—A direct vote was taken by the senate yesterday on the proposition to strike from the Porto Rico measure the provision levying 15 per cent of the Dingley law duties on Porto Rico products. The proposition was defeated by a vote of 16 to 33. While the vote is regarded as presaging the passage of the pending measure it is not regarded as indicating the final vote on the bill.

The feature of the debate yesterday was the speech of Beveridge (Ind.). While he advocated reciprocity between the United States and Porto Rico he announced that if all efforts to secure free trade should fail he would support the pending bill. The bill was under discussion throughout the session, several important amendments being agreed to.

House Passes Army Appropriation Bill.

WASHINGTON, March 30.—After four days of stormy debate the house yesterday passed the army appropriation bill. As passed, the bill is only slightly modified from the form in which it came from the committee. One of the last amendments adopted opens the soldiers' home to the officers and men of the volunteer and regular armies, incapacitated by service during or since the Spanish war. The chief incident of the day was a defense of the war department against a charge of reckless extravagance in the fitting up of the transport Summer made by Driggs (N. Y.). Parker (N. J.) produced the itemized expenses furnished by the war department to show that there had been no extravagance. Without opposition, the house confirmed Boreing's title to his seat. His seat was contested by White, another Republican, and the report of the committee that investigated the case was unanimously in favor of the sitting member.

PROTEST AGAINST TARIFF.

Mass-Meeting Is Held in New York to Express Sympathy for Porto Rico.

NEW YORK, March 30.—Between 3,000 and 4,000 persons gathered at Carnegie hall last night at a meeting called to express sympathy for Porto Rico and to protest against the proposed tariff legislation. Some 300 Porto Rican residents of this city attended. Speeches were made by the chairman, O. C. Shayne, ex-Assistant Secretary of the Navy, and Senator Mason of Illinois, Senator Allen of Nebraska, Congressman Lentz of Ohio and ex-Governor Campbell of Ohio.

Communications from prominent Porto Ricans protesting against the imposition of a tariff and asking for the rights of citizenship and civil government were read.

Congressman Knocked Down.

TERRE HAUTE, Ind., March 30.—A fight on the street occurred yesterday between Congressman George W. Paris and H. O. Pugh, ex-United States consul to Palermo, growing out of the manner of the withdrawal of the congressman from the race for renomination. The congressman was knocked down and badly bruised, but suffered no other ill effects than a blackened eye and bleeding nose.

WASHINGTON, March 30.—The Philippine commission met yesterday forenoon and agreed upon the personnel of the staff that is to accompany the commission to Manila. They also agreed on certain outlines which they will follow in their work in the Philippines. These will be submitted to the secretary of state.

RUSSIA SENDS TROOPS

Boer Leaders Assert 15,000 Are at Kroonstadt.

BOERS WILL ATTACK ROBERTS.

Kruger Boasts That He Will Retake Bloemfontein and Begins His Operations—Roberts Sends a Force to Meet Burgher Army North of Bloemfontein.

LONDON, March 30.—The Boers are concentrating in force about 15 miles north of Bloemfontein in the rear of Glen, and Lord Roberts is sending forward troops to engage them. The Seventh infantry division and part of General French's cavalry have been sent up to join the Fourteenth brigade and the two cavalry regiments that are holding Glen and its environs. It does not seem probable the Boers will give battle in the fairly open country north of Glen, still their evident strength indicates more than a corps of observation. In small affairs the Boers are daringly aggressive in all parts of the field of war. The Johannesburg, esteemed to be the Boers' best command, are raiding the country near Bloemfontein, harassing the farmers who have given up their arms to the British and carrying off cattle.

Boer leaders are disseminating reports of foreign assistance arriving in the Transvaal. Boers returning from Colesberg are persuaded that 15,000 Russians have arrived at Kroonstadt and are advancing on Bloemfontein.

A correspondent of the Times, who on several occasions seemed to have been chosen as the mouthpiece of Lord Roberts, cables that the Boer forces have been re-equipped, and he says he is fully convinced that 15,000 foreign troops have landed to aid the republicans.

The Bloemfontein correspondent of the Morning Post, telegraphing Wednesday, says: "President Kruger boasts his intention to retake Bloemfontein within a week and it appears probable that the Boers are advancing in force southward."

There is a Boer report from Natal that a Russian soldier of fortune, Colonel Ganozki, with 100 horsemen, is operating close to the British outposts on the western border.

The Boers have reoccupied Campbell and are in strength near Tanga and Barkly West. They shelled the British camp at Warrenton Wednesday, but moved out of range that night. Wednesday two British guns enfiladed the Boer trenches, quieting their Mausers. Lord Methuen and the forces that had been operating in the Barkly district have been recalled to Kimberley by Lord Roberts. No explanation has been given for this, but the mounted troops are dissatisfied at having been ordered back.

The Boers and disloyalists at Kenhardt have dispersed and continue to retreat. General Persons is about to enter the town unopposed.

Lord Roberts is making extensive arrangements to police and safeguard all the Free State towns in the territory occupied. All the dispatches from Mazeru state that the Boers who returned to Ladybrand from Clocolalan have taken up strong positions and sent pickets far in all directions to watch Basutoland in the expectation that part of General Buller's army may invade the Free State on that side.

According to Pretoria advices, Mafeking was bombarded for seven hours on Tuesday. It is reported in London in a well informed quarter that Lord Kitchener will be offered the post of commander-in-chief in India, succeeding the late Sir William Lockhart, as soon as decisive successes have been obtained in the Transvaal, and that General Sir Archibald Hunter will succeed him as Lord Roberts' chief of staff.

Comment on Delagoo Bay Award.

LONDON, March 30.—The Daily Mail, commenting upon the Delagoo bay award at Berné says: "The boundless procrastination of the tribunal it is difficult to explain, for not the smallest trace of equity can be discovered in the award of the beggarly £600,000 award as compensation for a concession valued at £6,000,000. We fear the arbitrators allowed themselves to be prejudiced against British interests by the irrational Anglophobia which has seized upon the Swiss people. By their conduct the arbitrators have struck a deadly blow at arbitration."

Joubert's Remains Lying in State.

PRETORIA, March 28.—General Joubert was taken ill Sunday morning. He was at his office the previous day. He suffered great pain but became unconscious some time before death. C., March 30.—The strike of the Longshoremen's union against the Pacific Coast Steamship company culminated yesterday in an attack upon five nonunion men who had been loading freight on the steamer Walla Walla. Elliott of Kansas City in a 100-bird match for the Dupont trophy yesterday afternoon at the Dexter park traps by a score of 99 to 96.
